Petroleum, SROCK OIL,

A NATURAL REMEDY!

PROCURED FROM A WELL IN ALLEGHENY CO., PA.,
Four Hundred feet below the Earth's surface! It is put up in bottles, just as it flows from the well, without selmixture of any kind. It gots its impredients from the bask of substances which it passes over in its secret channel; they are blended together in such a form as to defy all human competition. The Petroleum is to most chronic cases are acknowledged not only by physicians but by the community at large. These singular fluids flowing out from the earth, impregnated with medicinal substances of different properties, and holding them in such complete solution as to require the aid of Chemistry to detect them, bear ample proof to the fact that they are compounded by the master hand of Nature for the alleviation of human suffering and disease. I feel myself under a debt of gratitude to the proprietor of the Petroleon, the use of which great medicine has rulinely cared my wife of a violent attack of Rheumatism, the had before under an attack of the disease for about two months, saffering the most intense pain; the greater part of the time confined to her bed, and unable to do anything. The pain on the limbs was very great attended with a great deal of swelling. The Petroleon half a happy effect, for the first two or three applications the swelling diminished and the pain left hec. I continued to apply the medicine daily for about two weeks, which entirely relieved her, and she is now as well as ever abe was in her life.
