Petroleum, & ROCK OIL, | YOUNG'S WOOLEN FACTORY, In West Buffalo township, Union Co., Pa.,

A NATURAL REMEDY!

A NATURAL REMEDY!

PROCURED FROM A WELL IN ALLEGHENY CO. PA.
Four Hundred feet below the Earth's surface! It is put up in bottles, just as it flows from the well, without admixture of any kind. It gets its ingradients from the beds of substances which it passes over in its secret channel: they are bleaded together in such a form as to defy all human competition. The Patroleum in this respect is like MINERAL WATERS, whose virtues in most chronic cases are acknowledged not only by physicians but by the community at large. These signular fluids flowing out from the earth, impregnated with medicinal substances of different properties, and holding them in such complete solution as to require the aid of Chemistry to detect them, bear ample proof to the fact that they are compounded by the master hand of Nature for the alleviation of human suffering and disease. If Petroleum is a medicine at all, it is a good one, for Nature never half does her work. It will continue to be used and applies as a Remedy, av long as man continues to be afflicted with disease. That it will cure every disease, we do not pretend; but that it will cure a great many disease, hitherto incurable, is a fact which is proven by the crileine in its favor. Its discovery is a new arx in medicine, and will enure to the health and happiness of man.

happiness of man.

SCROFULA.—The Petroleum is a great medicine in Scrofula and King's Evil—in all those diseases criginating in a deprayed condition of the blood, and other fluids of the body. It will care pains and enlargements of the bones and joints, Biotches, Blies, Erysipeins, Pumples on the face, Tetter, Scald-head, Ringworm, and the various Skin diseases. It has cured numerous cases of Rheumatism. Neuralgis, Gout, &c. A woman in Franklin county, Pa., was cured of a rheumatic affection of six years' standing: the disease was so aggravated as to confine her to her bed during the greater part of that time; she is now well, and considers herself entirely restored.

DEFEURATISM wields to the power of Petroleum!

considers herself entirely restored.

RHEUNATISM yields to the power of Petroleum!

I feel invasif under a debt of gratitude to the proprieter of the Petroleum, the use of which great melicine has entirely cured my wife of a violent attack of Rheumatism. She had labored under an attack of the disease for about two months, suffering the most intense pain; the greater part of the time confined to her bed, and unable to de anything. The pain in the limbs was very creat, attended with a great deal of swelling. The Petroleum had a happy effect, for the first two or three applications the swelling diminished and the pain left her. I continued to apply the modicine daily for about two weeks, which entirely relieved her, and she is now as well as ever ash was in her life. I feel confident that the Petroleum is one of the greatest medicines in the world for rheumatic pains and swellings.

(Signed)

PETER PUHL, Perry St., Allegheny City. Chronic Cough cured.

Chronic Cough cured.

I take pleasure in certifying to the valuable properties of Mr. Kier's Petroleum, for an affection of the breast and lungs, accompanied with severe pain in the chest, and a cough. I took the Petroleum in larger doses than is recommended in the directions, but after taking it a few days I got to like it. I sheald like to have a barret of it to use in my family, for I believe it to be a valuable medicine. The Petroleum produced no unpleasant feelings whatever in the use of it.

WM. DAY. the use of it. Pittsburg, March 16, 1850.

I got three dozen of Mr. Kier's Petreleum of Mr. Howell, and I am disposed to think there is nothing equal to it for Burns; having burnt my hands, and expecting nothing less than a long, tellours sore, but found no excrees at all from its only leaving a red scale, without any soreness when pressed upon, which quite surprised me. I therefore have great faith in its efficacy, so far at least, and will introduce it in this section.

Very respectfully, &c. HARVEY MANN.

Very respectfully, &c.

Santzi M. Kirs, Esq.—Dear Sir: I have been confined to my bed over five months with Typhoid Fever, and still am in bed. During, my sickness, my left fiset and leg swelled very much, and continued so until lately; I triel several remedies, without any effect. Col. Biack called to see me with Gen. Choyre, and he recommended me to try your Petroleum, as it had worked some wonderful cures to his knowledge. I had been thinking all that day, before he was here, that I would try it: I immediately sent my nephew, Dr. J. W. Sowina; the hearer of this note to the drug store, and got a bottle, and applied some that night to the sores, and the next morning you could see a marked difference in the feet, and has continued so ever since. I can assure you it operated almost like a charm—I never saw anything heal like it in my life.

I want a small quantity yet to effect a perfect cure; you will please let the bearer have some and he will pay you for the same. Very respectfully your friend.

### LIGHTNING RODS.

THE awful calamities that every City, Town, Village and country falls victim to annually, thro' the gross neglect of its inhabitants, is beyond calculation, especially when the remedy is so easy to obtain—this is found in Armitage's Patent Magnetic Light-

ning Hods, and in this alone. This rod has been examined by the most scientific gentlemen in the world--Pro-fessors M'Murtrie, Johnson, Wallor, and many others that have examined them, recommend and speak of them in the highest terms of approbation and have pronounced them the only safe rods now in use in this or any other country for the protection of Lives and Property. One advantage is to divide and throw back a part of the electric fluid harmless to the clouds, this is in time of a stroke, this enables the rod to conduct that portion of fluid that belongs to the earth without the slightest danger of leaving the conductor. This rod has many other advantages over the old one. The patentee takes pleasure in informing his

friends and the public in general that after many years' close investigation and numerous experi-ments he has arrived at the true principle of pro-tecting Families, Dwellings and property from the destructive influence of LIGHTNING SAMUEL HOOVER, Hartleton, Union Co., Pa., Agent for Union
