UNIVERSITY at Lewisburg.

THE next Session of the University will commence on Thursday, Oct. 16, 1851. ified by the large degree of sucress which has already attended their exertions; and they are resolved to spare no efforts in order to furnish

hereafter the highest advantages to Students. The Rev. HOWARD MALCOM, D. D., has entered upon his duties as President of the University. His well established reputation gives assurance that under his administration a still larger degree of success awaits the University. He will be assisted in the department of instruction by the following able Professors:

Bry, GEO, R. BEISS, A.M., Prof. of Greek Long & Liberat. GEO, W. ANDERSON, A.M. Latin CHAS, S. JAMES, A.M., Prof. of Math. & Natural Philos. ALPRED TAYLOR, A.M., Prof. of Belies Lettres. The usual system of Collegiate education is

fully carried out, embracing a course of four years and entitling the successful student to the degree of Bachelor of Arts. In order, moreover, to adapt the University to

the wants of all, a course of study has been established omitting the Ancient Languages and substituting in their place various branches of Mathematics, Philosophy and Natural Science This course will occupy a period of three years. It is thorough and complete, and will entitle the faithful Student to the degree of Bachelor of Philosophy.

Students who design spending but a year or

two at College, will have an opportunity of stud-ying whatever branches they may elect, such as Chemistry, Civil Engineering, &c.

Every Student will be required to give special By order of the Court. ettention to Composition and Public In connection with the Collegiste Department is an Academy in which the ordinary branches of an English and Classical education are pursued. This department is under the charge of ISLAC N. LOONIS, A. M., Principal, and Assistnuts. There is also a Primary Department under the superintendence of Mr. Norway BALL. Every arrangement has been made to furnish

all requisite aid in every part of a thorough Academic and Collegiate education. An excellent Library, a very complete Philosophical Apparatus and a well-furnished Chemical Laboratory are provided. The Library is constantly receiving valuable edditions. The University has extensive Buildings stand

ing in an elevated grove on the south side of the town. A more beguniful, pleasant and healthful location could not be found within the State. Parce of Terries Collegate Department, 270 per securio.
