BULL'S HEAD HOTEL,

Mifflinburg, Union county, Penn'a.

Weekly Messenger, Jan 6, 1850— Dr. Haddewitz formers, Bitters.—Here is a preparation which the beaking processes of the United appear manimum in reveaution dimension for the remeat is deviate. It is made after a presentation forminated by one of the materialerator presents therefore the form times which have been been witheld H Houffand, Professor to the University of Jena presents therefore to the King of Prinsia, and one of the presents therefore to the King of Prinsia, and the of the presents therefore to the King of Prinsia, and the of the presents therefore to the King of Prinsia, and the of the relation of which he was the investor and endorser may be confidently relied on. He specially resonanced it in the Complaint, Dysepsia, Heling, Verige, Adding of the Stanisch Constitution, and all complaints arising from a devertion of its excellence, and several of their Editors speak of its effects from their was induced warranted, not only in calling the attention of our readors to the reser-Under time to university resonance of the reservent of the standards. Since Philadelphia papers express their conviction of its excellence, and several of their Editors speak of its effects from their own infinition experimen-Under time direction for readors to the presen-RESPECTFULLY informs the citizens of Union county, and the public in general, that he has leased the above stand, for many years occupied by his Father, and is now pre-pared to accommodate friends and the traveling community in a manner acceptable to all,

The HOUSE is large and roomy, well arranged in all its departments, and every care will be taken to render his guests comfortable and happy. His TABLE will always be furnished with the choicest delicacies of the season, and the best the market can afford. The BAR will at all times

Under these circumstances, we feel warranted, not only in calling the attention of our realers to the present supervisor (Dr. C. M. Jacksen's) preparation, but in rec-manentaling the article to all afflicted. be attended by careful persons, and none but the Gazette, the best family newspaper published in very best of liquora will be kept. His STABLES the United States, the editor says of Dr Hoofland's the United States, the cuttor says of Dr Hoonand • German Bittern— It is soldon that we recommend what are termed Fat-ent Medicines to our paders' patronnge and confidence and, therefore, when we recommend Dr. Hoonand's for-man fitters, we wish it to be distingly understood that we are not speaking of the mastrones of the day, that are noted about for a brief period and are forgetten after they have deue their pully race of machine, but of a medicine long established, universally prined, and which has not the heavy approval of the Faculty itself. are ample and convenient, and the OSTLERS punctual and attentive. In short, he pledges himself to endeavor to

give general satisfaction to all, and hopes by strict attention to business to merit and receive a liberal share of patronage. Mifflinburg, June 20, 1850

Evidence on evidence has been received (like the foregoing) from all serilogss of the Union, the last pears, and the strongest testionary in the forer, is, that there is more of it used in the practice of the regular thysicians of Philadelphin, that of all other means would approve the scientific preparations will meet with their proving that a scientific preparation will meet with their proving that a scientific preparation of the state specific one can duels, after using it a survey of it acts specific ally upon the stemach and three. It is preferable to chose of the all biomech discust. The effect is immediate-thy can be administered to its acts with safety and reliable benefit, at any time.
