Lewisburg Daily Bulletin.

It may be some time before that "Daily Chronicle" is published. In the mean time, the officers of the Susq. Telegraph Company have authorized the establishment at this station of a Daily Bulletin Book, in which all the General and Local News of importance coming over the Line, shall be copied, and open to all subscribers at 25 cts per month in advance. Special pains will be taken by the operator in Philadelphia to procure the latest Market prices, and all other intelligence, culled from the leading and most reliable papers. We have heard the remark, that the State Debt, of which both parties have so much to say, is of no great consequence anyhow, and does not concern taxpayers very much. Yet it is a pretty serious matter with many farmers and mechanics to pay the State Tax and the worst of Union County SS. it is, Millions of Dollars are annually taken out of Pennsylvania, and invested in adjoining States in real estate and manufacturies, on purpose to avoid our State Taxes. Thus our State loses men and money by the Debt, and does not increase as fast as its natural advantages should seal of said office, this 22d day of Sep make it.

To that letter Gen. Scott wrote the following reply, in which, it will be seen, he refers to his past life and his character for his opinions:]
