### Agricultural Exhibition.

The first Exhibition of the Pennsylvania State Agricultural Society will be neld in Harrisburg, on the 29th, 30th, and 31st of the present month. The Committee of Arrangements have laid out and enclosed the ground with a high board fence, and crected the neccessary stables, coops, pens. &c. They will also have erceted some days before the commencement of the exhibition, the six large touts that were used at the Rochester fair. Thus it will be seen that the necessary arrangements have been made, and the Committee trust their Ag ricultural friends throughout the State. will avail themselves of the privilege of be coming members of the Society, and exhi biting stock, implements, articles of home industry, and the products of the farm, the garden and the dairy.

The ladies are also invited particularly to send in the products of their industry and skill, for which suitable accommodations have been provided.

On the first day none but members of a general admission. The ploughing match will take place on Friday, the 31st. at 9 o'clock A. M., and the Address will be delivered by Hon. Andrew Stevenson, of Virginia at one o'clock P. M. of the same day.

Persons will be in attendance, on the ground, to take charge of stock, &c., from the 24th October.

Persons wishing to enter articles for the exhibition, can address Isane G. M'Kinlev. Acting Secretary, upon the subject. and present their articles to the Committee before the opening of the exhibition .-Philad. Sun.
