LIGHTNING RODS.

THE awful calamitics that every City, Town, Village and country falls victim to annually, thro' the gross neglect of its inhabitants, is beyond calculation, especially when the remedy is so casy to obtain-this is found in Armitage's Datent Magnetic Lightning Rods,

and in this alone. This rod has been examined by the mos scientific gentlemen in the world -- Prothose also who shall be pleased to patronize fessors M'Muttrie, Johnson, Wallor, and many him) with that attention which he hopes to others that have examined them, recommend and insure him a full share of public patronage. speak of them in the highest terms of approbation and have pronounced them the only safe rods now in use in this or any other country for the protestion of Lives and Property. One advantage is to divide and throw back a part of the electric fluid harmless to the clouds, this is in time of a stroke, this enables the rost to conduct that portion of fluid that belongs to the easth without the slightest danger of leaving the conductor. This rod has

many other advantages over the old one. The patentee takes pleasure in informing his friends and the public in general that after many years' close investigation and numerous experiments he has arrived at the true principle of pro-THE Canton Tea Company of New Yorkthe oldest and largest establishment of the tecting Families, Dwellings and property the destructive influence of LIGHTNING kind in the U.S.-invite universal attention to the fact that, from their superior arrangements, the fact that, from their superior arrangements, they are prepared to sell Teas purch and more fragmant for the respective prices, than any house on this continent can uniformly do. These transcombine every good description and quality; they are done up to packages from a quarter of a pound upwards: the wrapper uest the tea is a heavy tim foll, covered with waterproof and elegant Chinese paper, and are perfectly secured from limit and air, so that the quality is completely preserved in any climate. The above Teue from 50 ets to \$1.25 ets per pound, for sale by $J.HATES \neq CO$. Dor, 18. Sole Access for Lewisburg.
