Attention, Scott Men!

Resolved, That Gen. Scorr was never de feated when at the head of his forces ; that we believe no General can defeat him, unless i be General Apathy ; and, further, in order to prevent any such calamity, we urgently rec-

1st. That a County Meeting of the Friends of Gen. Scott be held during next Court week 24 That the friends of Gen. Scott immedi ately form a Scorr CLUB in every Borough and Township in the county; and that they make arrangements by which a Scott meeting shall be held in every School District oace or

twice before the Fall election. 3d. That we urge the Friends of the Election of Gen. Scott, throughout the State, and in all the States, to make a thorough canvass by means of School District meetings, and complete and efficient organization.

The above resolutions are worthy of special reflection by the friends of the Hero States man. Nothing is more evident to a disint rested observer, than that WINFIELD SCOTT has all those qualities which have commanded for Washington, Jackson, Harrison, and Taylor, such triumphant success in the Presidential race. But the very fact of his worth and of his popularity, is of itself run passen of the campaign. Our only fear, is in our confidence. It is time there was much more enthusiastic, united, concerted across, throughout the land. Our opposents will not be defeated, if they can devise any means to triumph. Not only their own well trained cohorts, with appetites sharpened by a three and a half years' fast,

Of the six-sided, deceptive flag of 1814-Polk, Dallas, Shunk, the whole of Oregon, Texas, and the Tariff of '42 "-Texas only survives, Dallas being politically defunct, and Polk and Shunk, and 54-40 and Tariff of '42 being actually dead.

ELECTIONS .- In Alabama the Democrats have defeated the Convention to revise the Constitution.

In Arkansas, the Whigs gained several counties, but Conway is elected Governor. In Iowa, each party has one Congressman;

State ticket as before. In North Carolina, Reid is re-elected Gover nor, by a small increase of popular vote, but the Whigs have gained several members of the Legislature, which elects a U. S. Senator.

There seems no fear among the best informed that Scott will not carry the State. In Missouri, the Democrats united, and yet the Whigs have elected two of the Congress-

men. Tox BESTON, also, is elected from the injured. St. Louis district, by a triumphant majority. Mr. Benton is, to all intets and purposes,

advocating Protection and Internal Improvements, in the face of the Baltimore Platform. Whigs generally, and very many Democrats, rejoice at his election.

Schuylkill County Nominations.

The Whig Delegate Convention of Schuylkill county, met at Schuylkill Haven Monday Cabinet, has been entirely realized by week, and nominated the following ticket: time.] Congress-Major James H. Campbell, of

Pottsville. Senate-John Hendricks, Esq., of Tamaqua Assembly-Gen. John K. Clement, of Miners-ville, and Hon. Jacob Hammer, of Orwigsburg-

eim. Auditor-John A. Otto, of Barry. Capt. James Nagle, late of the war in Mexi-o, of Pottsville, is the Independent Candidate

for Sheriff. The Schuvlkill Haven Miscellany says the above is the best ticket ever presented to the voters of Schuylkill county, and is bound to be elected.

The Democracy of Schuylkill met the Mon day previous, and made the following nomi-

nations : Congress-Christian M. Straub. Senator-Bernard Reilly. Assembly-Samuel Hipple, John Horn. Sherif-Nicholas Seitzinger. Commissioner-Gideon Whetstone. Director-John Reichard,

Auditor-Gotlieb Zulich. A correspondent writing to us from Schuylkill Haven, says : "The above nominations created a great deal of dissatisfaction, through out the whole county, among the Democrats, and some of our leading Democrats vowed they would not support them,"

Last Repudiation "Fizzle."

It was announced that on Saturday last th Repudiators were to have a second grand rally at Forster's in Mitflinburg, to rejoice over the victory (! !) in New Berlin, and to ale one of the Commissioners who refused to sign the County Bonds. Gentlemen who were there assure us that there were not 40 persons at the enting-a few more at the drinking-and that the whole affair was eclipsed by an impromptu Whig meeting, got up at another Hotel. His disease was chronic to protect a line of stramers against foreign diarrha, from which he had suffered for some rivals, why is it not equally so to afford ademonths.
