enabled us this week to open the promised DEMOCRATIC Department in the Chronicle. This completes the arrangement by which

ple of Juniata county fair warning, that an attempt is now being made in a portion of Union county, to deprive them of having the was doing." It is certain that one press, at least, in this county has been subsidized by the enemies of the Susquehanna road. Besides

After the edibles were duly discussed, the game be once begun, of Union overpowerata will never again be heard from at Harrisburg by her own sons.

original for the portrait.

an 'orator of a faction.' He is one who markable and significant passage occurs: claim at street corners; he will spread his rug in the market-place and tumble will EVER KNOW or appreciate. upon it, for ballots, which to him are so This certainly is a very caudid admission that works with any and every wind. He is civil, but it is the civility of a debauchce. who stoops to coaquer. He is ready to shed his blood once a day, on any platform, for sheer love of his dear dupes. Are the people irritated under some imagined pressure of authority, the demagogue goes among them pouring poison into their ears ful vinegar into their wounds. Are they aspired with better and higher objects, he begins by dark hints and slow insinuations to undermine the public peace. He lives only in agitation, turmoil and sedition. All his lines are out in the troubled waters. He is a moral wrecker, who would cycke the whole fury of a popular tempest for the sake of the drift wood it might cast up at his own door-a false-hearted, selfish, and degraded speculator upon publie simplity.

Another Sad Disaster-250 Lives Lost. On the night of the 19th inst., during

a dense fog en Lake Erie, the steamer Atlantic was run into by the propellor Ogdensburg, off Erie port, and in a few mooccurred, and about half of the 500 hands outside influences and resources ! and passengers, were lost. The remainder saved themselves on chairs, settees, beds, and other life-preservers, or were taken on board the Ogdensburg. Most of the passengers were Norwegians, and the cries of all in that dark scene of horror were heartrending. Every effort was made to save plain and candid for even their columns.them that could be, but the loss is most friends in Norway will be for ever uncertain of the place where lie the bones of those near and dear to them!

It is stated that with brilliant lights on tives! both boats and bells constantly ringing, this catastrophe might have been avoided. If so, the officers are guilty of manslaughter, and should be punished accordingly. against even unavoidable accidents.

The historical sketch of the Whisbe the "Tom the Tinker" of the Whiskey | none of them can boast of having "saved Inspector's Insurrection, may we all live the country."

Sir:—We have given your Cherry Inchord an extensive trial in our practice, and find it to surpass every other remety we have for curing affections of the respiratory organs.

other remedy we have for curing affections of the respiratory organs.

DES. DIEMER & HAMPTON.

TO SINGERS AND PUBLIC SIFAKERS this remedy is invaluable, as by its action on the Grost and lungs, when taken in small quantities, it removes all boarseness in a few hours, and wonderfully increases the power and floatibility of the voice.

ASTHMA is generally much relieved, and often wholly cured by Cherry Pectoral. But there are some cases so obstinate as to yield entirely to no medicine. Cherry Pectoral wit cure them, if they can be cured.

Bid NOCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

Bev. Pr. LANSING, of Brooklyn, N. Y., states:—

"I have seen the Cherry Pectoral cure such cases of Asthma and Broachitis as leads me to believe it can rarely fail to cure those cases."

notifi it subdues the users. It is not fail to carre.
WHOOPING COUGH may be broken up and soon cured by the use of Cherry Poetocal.
THE INFLUENCAL is specific removed by this remedy. Namerous instances have been noticed where whole families were protected from any serious consequences, while their neighbors without the Cherry Pretond, were suffering from the disease.

SLEM, Ohle, 11th June, 71.

suffering from the disease.

Sixem, Ohlo, 11th June, 31.

Doct, J. C. Ayer:—I write to inform you of the truly remarkable effects of your Cherry Interest in this place, and in my own family. One of my daughters was completely cured in three days of a dreasful Whooping Cough, by taking it. Dr. Means, one of our very best physicians friely states that he considers if the best remeny we have for pulmonary diseases and that he has cured more ensected Croup with it than any other medicine he ever administered.

Our ciercy and of the Baptist Church says that during the run of Industria here this senson; he has seen cures from your medicine, he could exarvely have believed without seeing.

J. D. SINCLAIR, Deputy Postmaster.

Cures of severe diseases upon the lungs have been affected by Cherry Pictoral in such extreme tases as warrant the belief that a remesty has at longth been found that can be depended on to cure the Coughs, Colds and consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.

HICKOK'S PATENT CIDER MILL.

N all former times it was supposed that a large store, but we invite all to come and see for them-quantity of Cider could be made only by using selves—assuring them that they will get a ponderous machine, that slowly crushed the apples without grinding them fine. They were then made into a massive cheese in straw, and a most severe and 'me pressure was required extract a portion of the ride, a posiderable pomice, and his six horse to could have be

This Machine

has been invented, and the statement of a few facts may prove that it is not only the Best Machine of the kind in existence, but that it is the most A NY person finding and delivering up a Pocket Book, lost this morning between Stitzer's and Moat's taverns, containing \$50.00 in five dollar bills on Delaware City Bank, and a few dollars in specie, will receive the above reward.

J. C. ROOKE & CO

A The kind in existence, but that it is the most profitable that a man can have on his farm. The applea are by this machine grated up into a fine pulp, so that it requires but a comparatively light pressure, and that but a minute or two, to extract all the cider, it being ascertained by practical Barns and Borses, Gen. Sout or Case or Buchamen for President, Gen. Bigger for vertoing Banks, but POSTER as TUSTIN for selling than by the old process. Besides this it requires only two hands to grind and make up into cider a larger quantity of apples than can be possibly made on the old-fashioned machines. On this ress, owing to the compactness of the pomice in the tub and the complete manner in which it is the tub and the comp ground, a pressure of three to five tons-which PRINTS, bleached and unbleached Muslins, can be easily obtained—will produce a more favorable result than one hundred tone pressure were ground as finely as on the improved Mill; and if the apples were merely crushed as on the Nut machine, it would require a pressure of two hundred tons to produce the result accomplished by this Patent Mill. The following are adduced

as decided advantages of this machine : First—It makes more Cider than any other press, with a given quantity of apples, in a given time, and with much less labor and expense. Second—It makes cleaner and sweeter Cider than any

Third-You can make your Cider as you want it, and Fourth—With it you can press your Currants, Cherries
Betries, Cheese, Butter, Lard and Tallow. Fifth-With it you can have ONE FOURTH of your me in making Apple Butter.

Sixth—With it you can grind or chop your Apples, Pota-toes, Turnips, Beets, Carrots, or Pumpkins, for Cattle. Secontis—By its use you can at all times have FRESH and SWEET Cider. The price of the Cider Mill, with right to use

the same on any one larm, is \$35. Price of the Root Cutting Cylinder, \$5.

The size of this Machine is about 3 by 4 fe and weight about 200 pounds. It may readily be taken to the cellar, door-yard, kitchen, barnfloor, or orchard, as may be most convenient. For State, County or Township rights, or for Grants to make machines in certain territory fo

iod, address (post paid)
W. O. PICKOK, Harrisbarg, Pa. Persons in Union and the upper part of Corthumberland counties, and in Penns and Brush valleys, Center county, can procure the above Machines on application to H. C. HICKOK.
