suppose the case of a person afflicted with that bar of alcohastion, D/SPEISIA, or any other Chromic of Nervous Disorder. In ordinary cases, atomaian are taken, which, by their action on the nerves an mufflicted with that ban muscles of the stomach, afford temporary t which leave the patient in a lower state. which leave the patient in a lower state, and with in areal faculties, siler the action thus excited has reased. Now compare this with the effect result ing from the application of the GALVANIC BELT. Take a Dyspectic stifleter, even in the worst symp-toms of an attack, and simply tie the Belt round the Bedy, using the Magnetic Finid as directed. In a their period the intensible perspiration will set on he positive element of the Belt. thereby causing a Salvanie circulation which will pass on to the negative, and thence back again to the positive thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cause of DISPERSIA are FERMANENTLY CURED. A FEW DAYS IS AMPLY SUPPRIENT TO ERADI-CATE THE DISEASE OF YEARS.

MANY THOUSAND CERTIFICATES AND TESTIMONIALS

from the most intelligent and respectable persons residing in every portion of the United States, could be presented. These are most unnecessary, but a numerous selection embracing many statements of the most extraordinary character, sufficient to CON-VINCE THE MOST SCEPTICAL may be had of the authorised Agent. The interested are parties invited to call.

WHAT THINK YOU OF THIS! From one of the most distinguised Physi-cians in the City of New York.

"I have been using Christie's Galvanic articles is squiet way among my patients for about two years past, and 1 confess I am actonished at their success. If I am sure a diverse is Nervous, I know just what they will do. In Epileptic Firs, particularly in children. Deafness and Affections of the Head, an adults, Paralysis and Palsy, in all ages, and indeed several either diseases of like nature which have long admits., Paralysis and Falsy, in all ages, and indeed several chief diseases of like nature which have long puralled the profession. I have found the Galvanic esticles of surprising benefit. Although I detest the shameless quackery of advertisements and power-pepers, I must express my confidence and belief in the wonderful virtues of CHRISTIES CURA-TIVES. My name is, of course, confidential, but I shall never hesitate to recommend your articles or all proper occasions."

ANOTHER INSTANCE OF CANDOR.

To D. C. Monraeao, M. D., Gen. Agt. for Dr. Unsistiz, New York.

Dear Sir.-Being a physician in the vicinity of one of your Agents, I have been much gratified in the examination of your Gairanne Curatives and highly pleased with their practical results. I have highly pleased fith their practical results. I have observed that they are constructed on the true action-tific principle for the gentle, safe, pleasant and con-tinued development of the Galcanic Carrent, thereby Gling a disideration, long sought for, but heretofore maknown. I cheershilly recommend thefth for the alleviation and care of those distressing aliments called Narvota Contrastra, for which they are est happily and ingeniously designed. Very truly yours, DAVID RECE, M. B. Laverett, Mass. February 15, 1850.
