### Fish Story.

A correspondent of the Portland Transcript tells a story quite as large as we can swallow:

He recollects an anecdote that was told many years ago by a gentleman of Eastluded to had his shop or store over a wharf, under which the tide ebbed, and in the floor a trap door used for various purposes. and through which he was accustomed to Anabony streets.

Anabony streets.

Also a tract of WOODLAND, lying in East see pussy go to it and touch it gently .-This led him to watch her, when presently a fish caught hold and mistress Grimalkin immediately commenced hauling in kin immediately commenced bauling in the line with one paw, securing the slack bauled in. In this way she at last secured the conditions will be made known by the fish. After that, said my friend I baited the book, and let her fish for herself, and hundreds have seen her catch her own dinner.

A short time ago, two of the most distinguished millionaries in a flourishing Valuable Real Estate southern city, met in social chat, and discussed their mutual merits. In the course of the confab, the Judge bantered the Col. and offered to bet five dollars that the latter could not say the Lord's prayer. The Col. accepted the bet, and, putting himself in a solemn attitude, began to repeat, keeping time by the swaying of his body, and pronouncing with emphatic force, alternate pronouncing with emphatic force, alternate cach syllable, these lines, thus:

## Grain Drills. THE underst ned wish to inform the

farming community generally, that satisfaction we respectfully request our friends \* J. P. ROSN' Newly Improced GRAIN DRILLS, or SOVENG MACHINE. Without stopping to discuss the comparative merits of numerous Drills now offered for sale, they merely wish to invite Farmers to call and see the above named article

before purchasing elsewhere, feeling confident that they can furnish an article that will give eatire satisfaction. ROSS, GEDDES & MARSH.

## Lewisburg Foundry, Aug. 13, 1850. IT IS A FACT,

ONE self-evident, and worthy of every consideration, that no Miller can make good clean flour without he has good cleanwheat. I suppose you wish to know the remedy. I well you-it is to get one of Bergstresser's Wheat Scourers, or Smul Machines. He being an old, practical and experienced Millwright has invented, got up and put in successful operation the best Wheat Scourer now in use. Any person ordering a machine and afterwards finding W LARD'S Patent Gang Plow, a superior article, for sale at the Lewisburg sented, there shall be no sale, as these machines are to be warranted good. Further recommendations are thought unnecessary-He is now having a supply made at Lewis. burg, by Messrs, Geddes & Marsh. Orders for machines, or letters of inquiry, will be promptly attended to. Machines will be sent and put to all orders. Address J. BERGSTRESSER.
