**Lewisburg, Pa.**

FRIDAY MORNING, NOV. 19, 1852.

ADVERTIZE!—Executors, Administrators, Public Officers, City and Country Merchants, Manufacturers, Mechanics, Business Men—all who wish to procure or to dispose of anything—would do well to give notice of the same through the "*Lewisburg Chronicle*." This paper has a good and increasing circulation in a community containing as large a proportion of active, solvent producers, consumers, and dealers, as any other in the State.

To CORRESPONDENTS.—"T.H." is welcome—shall appear next week. "C.S." all right.

THE PRINTER WANTS Wood or Coal, Wheat or Apples, Potatoes or Beef, Chickens or Lard, from any patrons who haven't the Cash to spare. Also a Sawhorse from some Mechanic. And $100 to purchase a stock of paper for the winter.

MR. BOWAN'S able and excellent address before the Literary Societies of the University at this place at the late Commencement, will be found on the first page of the Chronicle. It is the production of a cultivated mind, and we commend its words of wisdom to the thoughtful attention of our readers—especially young men, of whatever pursuit or hopes in life, who cannot fail to derive instruction and inspiration from its perusal.

THANKSGIVING DAY will be observed in Lewisburg, by a sermon in the Baptist house in the morning by Rev. Mr Conser, and at 2, P.M., by Rev. Mr. Smith. Dr. Malcom will preach in the evening in the German Ref. house.

### The Railroad.

In a hasty note last week, we announced another official step, taken by the Directors of the Balto. or Susq. Railroad, towards the construction of a Railway on the West bank of the West Branch.

It may be proper to state, that the opposition to the work, and the abuse of those at the head of it, by the Baums, Cummings, and Shriners of Union county, had disgusted and discouraged some of those who were interested in and laboring for our welfare. They were not unwilling to give us the go-by, by permitting the Railway to take the East bank of the river—thus allowing our people to pay the penalty of the folly or fraud of a few, by incurring never-ending Bridge Taxes, and building up Towns on the Northumberland side, rivaling ours, and prospering at our expense. But the efforts of Col. Slifer, and Gen. Cameron, abroad, and of Messrs. Miller and Casey, at home, with a visit of the Baltimore Directors to this point on the route, restored their confidence in the great body of the people, and confirmed their views of the policy of the location: and they have accordingly ordered the completion of the Road to Lewisburg, at the same time as to Sunbury.

Thus, one difficulty after another is vanishing before the determined efforts of the *real* friends of the Road. The people of Union county owe a heavy debt of gratitude to their County Directors, and to Gen. Cameron, for their gratuitous expenditure of weeks of time, and hundreds in money, to procure an improvement in which the former have only a common interest as fellow citizens, and in which Gen. C. has but a regard for his friends, and for the prosperity of the State, to actuate him.

The Bonds promised by Lewisburg Borough were issued, in an honest and business-like manner, when called for. She has thus shown her faith by her works, in risking Seventy-Five Thousand Dollars as a Corporation, and an additional Twenty-Five Thousand Dollars by individual Subscriptions—$100,600 in all—in the Susquehanna Railroad. May it not be confidently hoped, that no further loss or disgrace will be [illegible] —no more bad blood be aroused—and no more unreasonable [because futile] opposition be made: but that the Contract between the County Commissioners and the Railroad Directors will be carried out in good faith? The best interests of the people demand the fulfilment of her legal and judicious engagement, without further contest or cost.

IMPROVEMENTS IN LEWISBURG.—In addition to quite a number of Brick and Wood buildings erected the past season, some in every quarter of the town, Third and Fourth streets have been particularly benefited by additional grading and brick sidewalks. In liberality and permanency of pavements, and in wide, straight streets, our town has no superior within the limits of our observation.

Frick, Slifer & Co's Steam Saw Mill is nearly completed, and its tall chimney,—with that of Mr. D. Ginter, just put up at his old Cabinet Shop—attests the increasing agency of Steam in aiding the onward march of Lewisburg.

The Lutheran church edifice is approaching its finishing touches, and will be a decided ornament to our town.

The Methodist congregation, we understand contemplate rebuilding their chapel next season.

Additional Shade and Fruit Trees are needed, particularly on our principal streets, to render them still more attractive and more valuable. Mr. Noll continues to supply all such deficiencies.

☞ The opposition to the Railroad in our County, we trust is subsiding—Even the *Apalachicon*, after its earnest support of Repudiation RUHL and Repeal KELLER, announces the last effort of the Directors with *"unfeigned pleasure!"* ☞ The same print, after advocating the cause of the "Volunteer Candidates" for three Campaigns, comes square about in its last issue turns a complete somerset—and comes up a decided advocate of "Regular Nominations." If the *Times* will follow suit, we will absolve them both from at least half their political sins for three years past.

☞ It is proper to state, in reply to the Sunbury *Gazette*, that no compromise or arrangement whatever has yet been made between the Susquehanna and the Sunbury and Erie Rail Road Companies. The former have directed the speedy construction of their road from Sunbury to Lewisburg, with a fair prospect, we presume, of ultimately continuing it to Williamsport, on this side of the river. What course the Directors of the S. & E. will take, remains to be seen; but it is now certain that the Susquehanna road will be completed as far as this place at least.

☞ The Telegraph Line from Philadelphia, west, has *raised* the rates to Columbia, Harrisburg, West Chester and Lancaster, 5 cents each. A corresponding increase is therefore necessary on the Susquehanna line.

We are happy to announce, however, that Dr. GOELL is now engaged in extending our (or the Susquehanna) Line down the River from Northumberland, by which we shall be enabled to reach Harrisburg and other points at less expense than now. This will be good news, to the Lumbermen especially.

Selinsgrove we expect to hear from telegraphically by next week.

☞ At the recent election of the stockof the Bank of Northumberland, George F. Miller was chosen a Director in place of John Walls, whose term had expired.

At the election for the Danville Bank, Samuel Geddes was chosen Director from Lewisburg, in place of Thomas Hayes, whose term had expired.

The Northumberland Bank has declared a semi-annual dividend of 5 per cent. The Bank of Danville, a semi-annual dividend of 4 per cent.

☞ The Whigs of Union County are requested to meet in County Convention in the Court House at New Berlin, on Tuesday the 14th day of December next.

The object of the meeting is to decide whether the Old System of nominating candidates by the selection of Delegates shall be continued, or the New System, known as the Crawford County System shall be adopted.

By order of the Standing Committee.

☞ The Williamsport people have had another "talk" about the Williamsport & Elmira Railroad—a very important link in the chain from Baltimore to Buffalo, and which it is said is in market for $60,000. Unless the citizens of Wmsport and Elmira *do* more and *talk* less, when a Susq. Road is completed Lewisburg will have to take that Road and 'put it through.'

☞ A horse was stolen from New Buffaloe, Perry county, last week, and sold to Mr. Stitzer, at the Penns Valley Narrows. The thief was pursued, arrested near Boalsburg, and lodged in the Jail at New Berlin.

☞ "The papers" are busy in making out a Cabinet for President Pierce. He will do that little job for himself.

It is now stated "by authority" that the President-elect will NOT visit Virginia this winter, but will remain at home until near the Inauguration.

☞ Mr. Guffy, whose injury at the Boat Yard we noticed last week, was alive last night, but little if any hope of his recovery is entertained.

☞ Four Onondaga Indians gave a sacred concert of vocal music at the M. E. Chapel, Lewisburg, Tuesday evening last.

☞ Rev. Dr. Ide has removed from Philadelphia to Springfield, Mass.

☞ The Clarion Register notes a snow storm there on the 9th inst.

**COURT Proclamation**—Whereas the Hon. ABM S WILSON, President Judge for the 20th Judicial District, consisting of the counties of Union and Mifflin, and JACOB WEITZENKORN and JAMES MARSHALL, Esquires, Associate Judges in Union county, have issued their precept, bearing date the 27th day of Sept. 1852, and to me directed for the holding of an Orphans' Court, Court of Common Pleas, Oyer and Terminer, and general Quarter Sessions, at NEW BERLIN, for the county of Union, on the *second Monday of December* next, being the 13th day—and to continue two weeks:

*NOTICE* is therefore hereby given to the Coroner, Justices of the Peace, and Constables in and for the county of Union, to appear in their own proper persons with their Roll, Records, Inquisitions, Examinations, and other Remembrances, to do those things which of their offices and in their behalf appertain to be done; and all witnesses and other persons prosecuting in behalf of the Commonwealth against any person or persons, are required to be then and there attending, and not depart without leave at their peril. Justices are requested to be punctual in their attendance at the appointed time aforesaid to notice.

Given under my hand and seal of the Sheriff's Office in New Berlin, the 21st day of Oct., in the year of our Lord one thousand eight hundred and fifty-two, and in the seventy-sixth year of the Independence of the United States of America. *God save the Commonwealth.*

ARCHIBALD THOMAS, *Sheriff.*

*To the Collectors & Tax payers of Union Co.*

AS the year will soon come to a close, and our County Settlement will have to be made, we hope all the Collectors will make a vigorous effort to have their respective duplicates settled up. The County and State both need all the funds that can be raised—the State in particular.

Delinquent Collectors will take this friendly hint, as it is the last that will be given them by us—their accounts will be placed in the hand of some proper person for collection.

All Collectors for the year 1852 are requested to attend during the next December Term of Court, and get their Allowances, as after that time NO Exonerations or allowances will be made; and they are also urged upon, to pay over to the Treasurer, if possible, the whole amount of their Duplicates—the officers of County Treasury of January 1853, interest will be charged on all outstanding accounts.

JOHN WILT,
GEORGE HEMBACH,
SIMON K. HARR'OLD,
Commissioners of Union county.

EXTRAORDINARY CURES PERFORMED BY DOCTOR TRASK'S MAGNETIC OINTMENT.

The following facts are from a man of well-salted integrity, who is a physician of extensive practice in the town of Amelia, Ohio:

S. Buell—Sir: I write to give you some account of the admirable effects produced by the use of Doctor Trask's Magnetic Ointment in my own practice as a physician.—The following cases have all been under my own observation, and by my own prescription.

Case 1st. A Mrs. Moore, who was given up to die by three celebrated physicians, as being in the *last stage of consumption*, by the use of the Magnetic Ointment has regained her health, and is now as well as ever, and has been for the last six months.

Case 2d. Sometime in July last, I was called to see a Mrs. Hiett, living some 22 miles distant. Her case had been given up by several physicians. She was first attacked by *malignant dysentery*, followed by severe inflamation of the bowels. I arrived about 6 o'clock in the evening, and found her in a very dangerous situation, apparently on the brink of the grave. I commenced rubbing the Ointment freely to the stomach and bowels, attended with some simple remedies administered internally, and by morning I found her so much better that I found her so much better that I left for home, with direct ons to continue the use of the Ointment. She fully recovered in a few days, and is now enjoying good health.

Case 3d. Mr. Winters had lost nearly all of his hair, and had been *bald* for many years; by the use of *three bottles of the Magnetic Ointment, had his hair entirely restored*, and now has as beautiful a head of hair as any man could wish. His age is about 50 years.

Case 4th. A son of Mr. Warren of this town, 11 years of age, had been afflicted with the ITCH from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever saw; he was emaciated almost to a skeleton. By the use of a few bottles of the Ointment he was *thoroughly cured*, and for 7 months past has enjoyed robust health.

Case 5th. This was an extreme case of *inflamation of the spleen*, of long standing; had a variety of treatment from no less than *eight* different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago, and the lady (a Mrs. Dunham,) is still in good health, and able to attend to her usual household duties. I have treated two cases of CHRONIC SORE EYES with the ointment, both of the patients *so nearly blind*, as to need an attendant to lead them from place to place. One of them had been afflicted 18 years, the other about 3 years.—They had tried the best physicians in the State, without benefit; and one of them had been under the treatment of the celebrated Doct. Murze, of Cincinnati, for eighteen months and had expended hundreds of dollars in vain efforts to effect a cure. They are now by use of the Magnetic Ointment nearly or quite cured: and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of PILES, and in *one case has a failed of giving immediate relief—in every case a permanent cure.* I have also used it beneficially in several cases of ERYSIPELAS. And last but not least, I have within the last year cured four cases of CANCER by the use of the *Magnetic Ointment alone!!*

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Ready's yours. BURTON HUBBELL, M. D.

**$500 CHALLENGE.**

WHATEVER concerns the health and happiness of a people, is at all times of the most valuable importance. I take it for granted that every person will do all in their power to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable. If you have an appetite continually changing from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy—

*HOBENSACK'S WORM SYRUP,*

An article found upon scientific principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect. Where Bowel Complaint and Diarrhœa have made them weak and debilitated, the tonic properties of my Worm Syrup are such, that it can be safely given without an equal in the medicine in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with *Dyspepsia.* The astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

**THE TAPE WORM!**

This is the most difficult Worm to destroy of all that infest the human system. It grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so sadly as to cause Sick Headache, Fits, &c. that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this worm a very energetic treatment must be pursued; it would therefore be proper to take 6 to 8 of my Liver Pills, so as to remove all obstructions, that the Worm Syrup may act direct upon the worm, which must be taken in doses of two tablespoonfuls three times a day; these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm.*

*HOBENSACK'S LIVER PILLS.*

No part of the system is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of *Roots and Herbs* furnished by nature to heal the sick, namely, 1st, An *Expectorant*, which throws off the poisonous matter from the lungs or stomach in the form of a phlegm or thick secreted matter. 2nd. An *Alterative*, which changes in a more healthy like and assimilable manner the certain morbid action of the system. 3d. A *Tonic* which gives tone and strength to the nervous system, restoring health and vigor to all parts of the body. 4th. A *Cathartic* which acts in perfect harmony with the other ingredients, and operating on the bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the blood, which destroys disease and restores health.

*TO FEMALES.*

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.
