LEWISBURG CHRONICLE & WEST BRANCH FARMER.

Wit and humor.

Parliamentary Oration.

The N. Y. Courier and Enquirer obtains from a grutleman who has been on a brief visit to the provinces the following outlines of a speech, delivered by Mons .---in the Provincial Legislature of New Brunswick, one of the Colonies of her M. G. M. Victoria 1:-

"Monsieur Govner and de peoples on dis House et Monsieur Spekare-I'm very stranger on dis places, and dis am premier time I am on dis House; but de peoples where was I belong gives me his confidence so much zat I feel gratefulness to dem for de honor dey refer on de top of me.

"Gentreman, you no spect great deal of learn for one people dat only stop two years wid one school house on him, dercfore you sall scure my Anglais very much. One ting I want-to had a fair play. You had one priest on dis House aujour to make a de prayer, and dat time I will he sall pray on de French when he sall pray, as de reason are de French prayer, are more strong.

"Some people was told me we was to get some gold watch, and some gown for de vife of zose as belong to dis House; and some little ting more, as paper, de knife, de ting for pick tooth, and de ting for make smell good. I must have all dis little tings.

"I wants to have my boy a new collar. and I want to pass one laws for stop de marchant for sharge so mosh; mine oncle dem fellor she's able to make dead i'e would do well to attend on the day of sale. people; able to make sing; to make talk; people; able to make sing; to make talk; to make told every ting on de H-use-de HOUSE and Kitchen, a Well of good water at money dat you had on your pocket; and the door, and good Fruit on the lot. dey make told some ting more as ten tou- Also a certain MEADOW LOT, containing morize, dat is surely one danger ting, water on the same. very, and for a law should make.

"Well, idere is one more kind. You may depen dem same fellar make rotten the potats, yes, dis five and six year; make not grow all de grain very mosh; make kill all de peoples all same as one good whole of it.

"Now, Mousieur Spekare, de next ting we sall took in hands in dis Road Rail dat is speak so mosh about. I tink for me dey will tenancy for spile all de farm. Am tole dev will cut open all de farm where was I belong; and de French people have small enough already. But spose you make de Road Rail you must stop his damage, and only way could done dat, you must cut away all dem bits and let de water on de mash, de mash all now stop for grow

MARCHISI'S UTERINE CATHOLICON.

WE now come to the most important medi cine of the day, when the number of those afflicted is taken into consideration, and when it is remembered that until the introduction of this remedy it was the't impossible to remove the disease without mechanical means and by a painful course of treatment.

Marshall's Uterine Catholicon

THE subscribers offer the public, at their new Brick Foundry, the following new

Marshall's Uterine Catholicon Is the discovery and invention of Dr. Theodore P. meroy, of Uters, an oid and successful medical practitioner. His-peruline effecty was suggested by unexpected develop-ments in a case of Prolayens Uters while under treatment for another complaint. The suggestion in the instance is do a course of long and severe study, which resulted in the combination of the Catholicon. We have used to much pain and patient cudurance of suffering in those who labored under these discases, with the conviction that there was no cure, that we feel this medicines will, ere complete these discases, with the conviction that there was no cure, that we feel this medicines will, ere complete description of the converted of the there is and approximate these of bandles, and that did they understand in the least degree the virtues of the re-medicine, and observing its officies to to treat their rays, and the inability of the profession to treat their rays, and the inability of the profession to treat their rays, here would not long waste their inney in detector bills, nor yet suffer from the torture of acurable disease. This medicine is a certain cure for Trolayang Uteri, "Thing of the Wasth, Per free Discharges and Painfel Mentronion, Luchorrhow, or Whites, and for most of the distressing Complaints incident to Fermine. powers of these wonderful inventions erally known and their sales and reput out the whole country so extensive, seen numerics any to trige their means further. But some late circumstances have encurred which reader it a maiter of duty to the public not to be alrogether ilent, for while the cyhemeral neutrano of the dy-are trumpeted by columns through the Press and swallowed by quarts and gallons by the afflicted and are found just good for mothing. Christie's Galvanic and Magnetic Curatives This medicine is a serian cure for fronted down ("alling of the Wanh). Testine Discharges and Painfel Menstruation, Luchorrison, or Whites, and for most of the distribution (Complaints incident to Females. A special Panarhiet gives full particulars of the nature and effects of this wonderful medicines. have been quietly working their way among the next intelligent and respectable classes, and are constantly achieving cures in an alarming train of discuss, which have for ages baffiel all the aid of

MOT VERY BAD .- The Detroit Tribune tells of a gentleman who was sitting at the table of a very excellent lady who had stewed pears on the table. He took up one of them, and clapping it in his mouth, pulled at the stem to get it out and leave the pear in his mouth, but it was no go. After twitching at it two or three times, DRY GOODS, he gave it up in despair, and dropping it upon his plate, remarked that the stem was put in tight. On examination, however. he found the pear to be nothing more nor less than a mouse, which had unfortunately got drowned in the preserve jar!

The New Orleans Picayune of the 23d inst., discoursing on the present mild winter, says :

Brown's Essence of Jamaica Ginger.

IS a remedy suited to the extremes of heat and cold, and is very beneficial whenever gentle tonic and stimulating influences are required. Its stimulant property being independent of alcoholie power, its effect as a frequent remedy need never for machines, or letters of inquiry, will be be dreaded. While it strengthens and refreshes promptly attended to. Machines will be the debilitated in summer season, it is not less potent during the inclemency of the winter ; by

warming with its healthy tonic principle enabling the system to resist the influence of incipient diseases which lurk in a changing clima s. No family should be without it, and to travelers by land or sea it will be found invaluable to use a

few drops in water as a uniformly healthy and agreeable drink, without intoxication. Caution. Persons desiring an article that car

be relied upon as pure JAMAICA GINGER. should be particular to ask for "Brown's Essence of Jamaica Ginger," which is warranted to be what it is represented to be, and is

at his Drug and Chemical Store, N E. corner of Fifth and Chestnut Sts. Philadelphia.
