Lewisburg, Pa.

FRIDAY MORNING, JAN. 21, 1853.

A DVERTIZE: — Resentors, Administrators, Public Officers, City and Country Merchants, Manufacturers, Mechanics, Business Men-all who wish to presure or to suppose of anything -would do well to give notice of the same through the "Lautoburg Chronicle." This paper has a good and increasing circulation in a community contai-ning as large a proportion of artive, solvent producers, same mers, and dealers, as any other in the State.

#### Business Notices. We renew our offer-

Any old subscriber who will procure one new one, shall have " CHRONICLE" for the two, for \$1 each-Cash in Advance-for our portly self and our musical neighbor ONE YEAR ONLY.

These (and the Terms on our first page.) are the Terms-the only Terms of The Chroniele in by accident, and the Senior of the Mil-

attract attention. C-Dr. Leiser & Baker take a fresh start under fair auspices.

TAudit of James Magee's estate.

BO Our Harrisburg correspondence will be found on the first and second pages.

De We are this week enabled to present another instalment from Prof. ANDERSON's notes of his late brief visit to Europe, and the convention was that of genial good huhave the promise of further extracts mor, and cheerfulness, notwithstanding the They will be found of much interest.

The sub-letting of that part of the it all in all the occasion was one worthy of route of the Sunbury & Erie Railroad lying between Suubury and Williamsport, came off at the latter place on Thursday

of last week. Whether these movements are bona fide and reliable, we have no means of knowing, but the Muney Lumimary is down upon the letting in severe terms, and we hear of private complaints from various quarters as to the terms and crippling restrictions imposed, that tend strongly to confirm our impressions that the company are at present operating in this quarter for effect merely, and intend to keep both ends of the rope in their lands, so as to beat a retreat in safety whenever it may be found necessary or advisable to concentrate their energies and espected resources on other and more available parts of the route. Time will show.

Benokrat, in reference to Selinsgrove, is exhilerating atmosphere of Milton, on a It strikes us that if Sclinsgrove is to derive borough, where an enlivening social hour

lowing, riz: it was thought better to suffer the business matters for which the convention had been Weatherboards, Joist and Scantling Poplar Plank, Scantling and Boards called to remain untouched. The members Lap and Joint Soingles of the craft were therefore left to follow Pine Paling and Shingling Lath 2900 feet of square timber 1700 feet sawed Rails the example of the continental fire-locks,

and fight on their own hook hereafter, as heretofore. Foremost, we believe, amongst the arrivals was the benignant countenance of the

Muney Luminary-arm in arm, however, with a legal adviser, in anticipation proba-

bly of intricate difficulties for solution at the Bar. Next, a four mile heat between around the corner, but we finally pulled up in front of Eckbert's, pretty nearly abreast, The Junior of the Clarion Register dropped
