Printer's Administration bill the second time, by having taken receipts during the life-time of the printer. It was a long account, of some \$30 or \$40. This is an other proof that it is always best to take receipts. With all their oracular infalli-bility, printers are quite as likely to be forgetful as common people. Therefore, we say, take receipts. N. B. No exception for present patrons. N. B. No exception for present patrons.
