Removal.—The Lewisburg Post Office has been removed to the clothing store of Messrs. Nevius & Beale on the south side of Market street.

There has been a revolutionary outbreak in Italy, and European prospects generally, are ominous.

We have bagged a "live" California correspondent. His first epistle, graphic and racy, appears this week. These succeeding instalments will be looked for with much interest.

Gen. PIERCE left Concord on Monday week, remained a day or two in Boston and New York, spent the Sabbath in Philadelphia, passed through Baltimore without stopping, and reached Washington City on Tuesday evening last, and went from the cars to his lodgings at Willard's Hotel so quietly that the Mayor, Hon. John W. Maury, who was at the depot anxiously looking for him, did not know he had arrived. He had declined all public demonstrations, and his movements were so quiet that few in the cities on his route were aware of his presence. In Philadelphia, he walked and rode out without being recognized. His health seems to be feeble and his late bereavement weighs heavily upon him. At Philadelphia he was approached on the subject of his Cabinet, and replied that it was settled, and would not be changed by any influences at Washington. He added that it was "a sealed book." So the secret will not be known till after the inauguration.

RAIL ROAD MEETING.—A large and enthusiastic meeting was held at Old Fort, Centre county, on the 11th inst., to promote the construction of a Railroad from the Central Railroad at Spruce Creek, to Lewisburg. Hon. GEO. BOAL, President, Col. H. S. Gross, Dr. Chas. Smith, Vice Presidents; Col. John Love and J. J. Gregg, Secretaries.

The Committee on Resolutions, Messrs. Geo. Buchanan, John Hasson, John Neff, J. W. Holloway, R. S. Watson, Samuel Gilliland and Wm. Durst, reported in favor of the early passage of an act to incorporate "The Union, Centre, and Huntingdon Railroad Company" with a capital stock of \$10,000, at \$50 per share, with the privilege of increasing the stock when necessary. Also, that corporate subscriptions of stock be authorized along the route of the road. The road to connect Lewisburg and Spruce Creek by the most practicable and expedient route, through either Penns or Brush Valleys.

Col. H. S. Gross, David Duncan, Esq., Maj. John S. Coff, Hon. John Hasson and Maj. Wm. Barcliff were appointed a committee, to superintend the circulation of petitions, and procure the passage of an act of incorporation, and also confer with the Central, Susquehanna, Sunbury & Erie, and Reading Railroad Companies and other capitalists, as may be likely to effect an interest in the proposed road. Meetings were also recommended to be held in Union and Huntingdon counties to further the project.

This movement is destined to attract considerable attention. There is substance in the project, and weighty influences at work that will make themselves felt in its behalf. Negotiations are on foot to form a connection here with the Catawissa road. If ultimately successful, the proposed road will, among other things, form a highly important link in a direct railroad communication between New York City and Pittsburg. A convention will be held in Lewisburg, shortly, to further the project.

On the 18th inst., immediately after the election for Directors, the City Councils of Phila. rescinded the ordinance authorizing a conditional subscription of \$2,000,000 to the Sunbury & Erie Railroad, but expressed a willingness to renew it whenever the President and Directors of the Company would live up to their engagements in good faith. Mr. John Diehl, in a speech upon the occasion, stated that in violation of positive engagements, Directors were elected in whom Councils had no confidence, and those whom they approved, were not sustained; also that a large contractor on the road had undue share in the election of directors and that the repeal of the ordinance was not from hostility to the road, but want of confidence in its management. Mr. Fallon, the President of the Company, has published a lengthy card, to which Mr. Diehl and Dr. W. S. Irvine, of Warren county, have replied. So it rests at present.

The dedication of the new Lutheran Church building in this place, on Sabbath last, was attended by a large concourse of people, many being unable to gain an entrance. The sermon was preached and the ceremonies performed by the pastor, Rev. Mr. WINCOFF, assisted in part by Rev. Mr. BAUSMAN, of the German Reformed Church. A collection was then made to make up a deficiency in the building fund, and over \$100 realized; more than enough to relieve the church entirely from debt. Rev. Dr. CLARK—Presbyterian—preached in the house on Saturday evening previous, and Rev. Dr. MALCOM—Baptist—on Sabbath evening. There has been preaching ever evening since by pastor. Rev. Mr. ALLEMAN, from Aaronsburg, was in attendance on Wednesday, but was too unwell to preach, and returned home next morning.

The edifice is not quite as long as it should be, but is well built, and is a decided ornament to our town, and a vast improvement over the old building. The mahogany pulpit is a beautiful and highly finished piece of workmanship, from the shop of Maj. F. A. Donachy, and, together with the pulpit chairs, and altar table, was a donation to the church as will be seen from the following acknowledgment.

Card.—In behalf of the Lutheran Congregation the undersigned return their most grateful thanks for the liberal contributions to the new church, and especially to Mr. F. A. Donachy for his generous donation of the mahogany pulpit, to Mr. Wm. Anstetter for the mahogany pulpit chairs, and to Mr. Wm. Conkley for the table in the altar.
