Lewisburg, Pa. FRIDAY MORNING, MAY 27, 1853.

ADVERTISEMENTS.—Executors, Administrators, Public Officers, City and Country Merchants, Manufacturers, Mechanics, Business Men—all who wish to procure or to dispose of anything—would do well to give notice of the same through the "Lewisburg Chronicle." This paper has a good and increasing circulation in a community containing as large a proportion of active, solvent producers, consumers, and dealers, as any other in the State.

In consequence of the detention of Messrs. Casey and Miller at the Union county court all this week, the meeting of the Directors of the Susquehanna Railroad Company is postponed to Balt., 4th June.

Gov. Bigler and Col. Siffer.

The Juniata Sentinel has a quite severe attack upon the gentlemen we have named above. It states that the visit of the Maryland Legislature last winter, was not for the proper reasons set forth in the invitation, but really "for the benefit of the Susquehanna Railroad." It states that "on the assembling of the Maryland Legislature this year, Gov. Lowe in his message recommended a subscription of several hundred thousand dollars on the part of Maryland, to the Susquehanna Railroad now under contract from Bridgeport (opposite Harrisburg) to Sunbury," and that to further that object the visit was projected.

This is all an error. No money is needed to finish that road to Sunbury. No money from the Legislature has been asked, for our road. What Gov. L. commended to favor, was the Susquehanna road from Baltimore to Wrightsville—a Maryland affair, having no connection with the Penna Susq. Road. The foundation for the charge removed, all its conclusions and flourishes fall with it. It was known that the Legislature of Maryland contemplated visiting our borders, when the resolution to return the compliment which had been paid before by Maryland, was agreed upon. In the Senate, the Whigs having a majority, Col. SIFFER was requested to introduce it. In the House, a Democratic member (Mr. FULTON) called it up, as the House was Democratic. No opposition was made in either branch.

The Democrat copies with a keen relish that part of the article assailing Col. S.—but omits the Sentinel's attack upon Gov. Bigler (in the same article,) who it stated would be peculiarly benefited by the road, and therefore forwarded the plan.—This, also, is incorrect. The Susq. Road if extended to Williamsport, will not run within 75 or 100 miles of Gov. Bigler's lands. He is to be benefited if at all by the Sunbury & Erie—the rival of the Susq. Road.

We trust the papers which have published these grossly unjust and unfounded charges, will have the honesty to put themselves as well as our Governor and Senator right in this matter.

We do not recollect that a single Marylander ever complained of the greater expense to that State of entertaining our larger Legislature. It is really humiliating to a Pennsylvania to see the expenditure of \$3,000 or \$4,000 (not \$8,000) once in our history, for such an object, magnified into such horrible proportions; and then to falsely ascribe the whole matter to unworthy motives, is worst of all.

We commend our friend the Colonel, but trust he has the fortitude to possess his soul in patience. As Director of the Railroad, he is haunted and worried and styled "traitor" and various other harsh terms, because the Railroad does not get along faster. As a Senator, he is accused of supreme devotion to the self-same Railroad, and a willingness to sacrifice honor, conscience, the tax-payers, and the whole State, to further its interests. "But there's a good time a-coming."

One of the most genial, able and independent journals on our exchange list is the Philadelphia Daily Register, published by Moran, Siskels & Co.; under the editorial control of Prof. Wm. Birney, and another gentleman well known in the literary world, who holds a ready and agreeable pen. The marked success of this recently established Daily, proves that a vacancy existed for it, that has been filled to the satisfaction of an appreciating public.

American Law Register, No. V. to VIII. are as usual, containing syllabus of late decisions of the Supreme Court of this and other States; important judicial opinions at length; and various other matters of interest to the profession. This publication is replete with well-digested matter of a character and value that render it indispensable to the practitioner. D. E. Canfield & Co., Phila.

The Milton Democrat—after an indiscriminate impressment of adjectives in "massing" everything and everybody of and about Milton for a year—has brought up against a horse-power, which "words fail to describe." It has also come to a suspicion that all the railways in creation may not center in that incipient city. Shouldn't wonder, Col. if they don't.

The dwelling of James Cook, about a quarter of a mile from New Berlin, was discovered to be on fire, about 10 o'clock on Monday last, but by the aid of citizens and strangers in town it was suppressed without very great loss.

During the storm last week, a resident of Buffalo Valley returning from New Berlin, hitched his team by a barn, from which the roof was taken off and carried over their heads while they were beside it.

The Democratic State Convention is called to re-assemble at Harrisburg on the 28th of July next, to nominate a candidate for Judge of the Supreme Court. The State Committee—Wm. L. Hirst, Esq., Chairman—will meet at the same time and place.

MODEL PAPERS.—The Maine Farmer, and Germantown Telegraph. The latter, however, for some unknown cause, has not made its appearance in our sanctum of late. What's the matter, Maj.? Have we inadvertently copied without credit, or is that "new volume" too precious for West Branch exchanges?

Charles T. Jones Esq. of Philadelphia, is appointed Chairman of the Whig State Committee. Col. Wagonseller represents Union county in the Committee.

Gen. Wm. Larimer, Jr., of Pittsburg, Judge Pollock of Milton, Hon. Henry M. Fuller of Wilkes-Barre, and Col. A. G. Curtin of Bellefonte, have been warmly urged by their respective Whig friends as next candidates for Governor of this State.

The Engineers of the Susquehanna Railroad are now making a survey of the route between Lewisburg and Black Hole Valley, opposite Muncy.

The judicious and well-timed communication of "Justice," on our first page indicates, and with good reason too, a much better opinion of the Governor and the late Legislature, than that expressed of late by the partisan press. "Justice," will well repay perusal.

The people of this section of country will bless the day when our Railroads to Pottsville and Harrisburg are completed. Not only in getting rid of the tedium of coaches traveling at an ox-team pace, but in avoiding the imposition and impudence of rowdy proprietors and their agents, some of whom vainly imagine that the right to carry the mail, confers upon them the title of gentlemen, with the privilege of brow-beating, abusing and imposing on all who have the misfortune to be placed under their power.—Sunbury American.

LOCK HAVEN AND TYBONE RAILROAD.—The organization of a company to build this important road was fully accomplished at Tybone, on the 10th May. "President" Major D. K. Jackman, Clinton county Secretary and Treasurer—Wm. H. Blair.

The tolls on the North Branch Canal, at Beach Haven, in March and April of this year, show an excess of \$4,929 over the same months last year.

Insulting the Dead.

I observe a very valiant and truthful newspaper constantly proclaiming that the Whig Party and the Susquehanna Railroad are both DEAD—DEAD; and yet the nominal Editor is constantly engaged in kicking the "dead" things, and calling them and their friends very hard names. Is it honorable to be constantly insulting the dead? I knew that HAYES do so, but thought it was not a trait of a MAN. Perhaps, after all, both are ALIVE.

Temperance Convention. The Northern Temperance Convention will meet at Williamsport, on Thursday the 24 day of June next, at 10 o'clock A. M. It is hoped that there will be a large turn out of the friends of the cause on this occasion, as matters of great importance, at this crisis of the reform, will be presented to the Convention.

JOHN MURRAY, JAS. MOORE, Sen'r, THOS. MERVINE, Standing Committee. Milton, May 16, 1853.

POISONING. Thousands of parents who use Yermine compound of Colton, Oil, Calomel, &c. are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a species of disease, such as rickets, loss of sight, weakness of limbs, &c.

Lewisburg Market. Corrected this Day. Wheat 100 Rye 62 Corn 50 Oats 37 Flaxseed 112 Dried Apples 100 Butter 124 Eggs 8 Tallow 10 Lard 10 Ham 12 Bacon 10 Cloverseed 400

Among the thousand falsehoods circulated against the Susq. Railroad, was one that Israel Gutelius had offered a Commissioner \$10,000 if he would sign the Bonds. Mr. G. pinned the only man he could find to make the assertion, down to the proof, to be given in public at the Court House in New Berlin, this week. "Old Israel" was on the spot at the time, but not a shadow of proof of the charge was presented, and the Chief was acquitted amidst the shouts of the people.
