M. O. HICKOK, Editor. J. N. WORDEN, Printer. A \$1.50 cash in advance, \$1.75 in three months, \$2 paid within the year, and \$2.00 at the end of the year.

Lewisburg, Pa. FRIDAY MORNING, SEPT. 16, 1853.

WILKESBARRE, Sept. 9. Reese Evans, (aged 19) the murderer of Louis Reese, was executed at 2 o'clock to-day. He confessed to that crime, and to an abundance of thefts and premeditated murders. In one instance he stood over a person, who was asleep on a bench, in the dead of night, with an uplifted sledge hammer, studying out the most vital spot to strike, when he was startled by a noise and fled.

Editor at Court. Publisher there one day—a man from Hartley tried for keeping a tipping house, and acquitted, was all the Court news we gathered. A fair attendance, and not a word whispered about those new and splendid County Buildings at New Berlin.

The passenger car on the train returning from Shamokin to Sunbury on Wednesday evening last capsized, and slightly injured several passengers, but did no serious damage.

The next stated meeting of the Northern Pennsylvania Educational Association will be held at Jersey Shore, on Wednesday, the 28th inst., at 10, A. M.

Why, doctor, said a sick lady, you give me the same medicine you're giving my husband. Why, is that right? 'All right,' replied the doctor 'what is sauce for the goose is sauce for the gander.'

The Whig Convention of Juniata county nominated Maj. JOHN W. SIMONSON for the same office, but gave no instructions to the Conferees to adhere to him alone.

The Conferees met at Adamsburg on Friday last, and after going through the motions of two hundred ballots or more, the Juniata Conferees agreed to trample upon their instructions, and concur in the nomination of Union county.

Such a betrayal of confidence imposes no binding force upon the Whigs of Juniata county, and all the private advice we have from there is that they will not submit. We shall hear further by next week.

Rumors are rife, that a corrupt bargain was made, by which the rights of Juniata were sacrificed, on a promise made by Union county men that a certain man in Juniata county should be made Senator. We do not know as there is any truth in the charges next year may reveal it. For the present, we have only to remark that if Juniata permits herself to be swindled thus, or to yield to the force of numbers, this will be the result.

Henry W. Bonsall, Senator and Member again, or yield the Senator to Millin county, and keep "little Juniata" disfranchised for six years to come.

P. S. The Whig paper of Juniata states that Judge BEALE is in the hands of his friends in this District, for one week. Those who desire him to run as a candidate, should make prompt movements to ensure him a chance.

We insert, gratis, the following Card of our friend the Democratic candidate for Prosecuting Attorney for UNION County, from the Norristown Register of the 13th Sept. inst.:

HENRY W. BONSTALL, ATTORNEY AT LAW, NORRISTOWN, PA. Office on Swede above Atry St. the same as that formerly occupied by Hon. Dav. Krause. August 28, 1853.

In the face of the above, the Times represents Mr. BONSTALL as a permanent resident of Union county!

P. S. We learn just as we go to press that Mr. Bonsall has been at New Berlin this week and peremptorily declined the nomination.

Important! We learn by the Star and the few who look in its rays, that the Whig nominations are especially acceptable to all the Whig party, and that the "skies are bright" for a glorious victory!

We also learn by the Times and its few followers, that the nominees upon the Democratic ticket are just the men the people want, and that success is sure to perch upon the Democratic banner!

We learn that the Trustees of the University at Lewisburg have elected H. D. WALKER, at present the Principal of the Abington Academy, Waverly, Luz. co. Pa., to be Principal of the Academic Department of the University, and that he has accepted of the appointment and will remove to Lewisburg in about two weeks, so as to enter upon his duties with the Winter Session. We trust Mr. W. will prove a successful teacher, and a useful and contented citizen.

The "Big Tent" was pitched in Lewisburg on Saturday and Sunday last, and drew large audiences day and evening. A Temperance meeting was held at the Court House in New Berlin on Monday evening, and was addressed by Wm. Nicholson, Esq., and Rev. Daniel M. Barber, Agents of the State Convention for the Prohibition of the Liquor Traffic.

Col. Jacob Koolermeil, (Dem.) of Jersey Shore and William Fearon, Jr., (Whig) of Lock Haven, are the Temperance candidates for the Legislature in the Lyeomington, Clinton, and Potter Representative District. Mr. Fearon is also the Whig nominee.

No Foreign news of especial importance, but a rise in grain is noted.

JACOB DYER, CATTAWISSA. Would inform his friends and the public generally on the West and North Branch, that he continues to keep the STAGE HOTEL, in the center of the Town, and asks a fair share of patronage.

Hickok's Patent Improved CIDER MILL. The present arrangement of this highly improved and valuable MILL, the labor is divided by the use of the log is dispensed with, and the Tub made to open at the lower cylinder so as to be reduced to pomace. By this arrangement the work is performed faster and with much less labor. The Press is arranged with a much larger screw than formerly, and by a very ingenious device the use of the log is dispensed with, and the Tub made to open at the lower cylinder so as to be reduced to pomace. By this arrangement the work is performed faster and with much less labor than by the old method. The Cylinders are covered with heavy sheet Zinc, both on their peripheries and ends; the wood in them is arranged so as not to swell, and the whole work on the Mill and Press made in the very best manner, and arranged with special view to their durability and service. NO FARMER, who uses the Mill carefully and according to directions, WILL BE DISAPPOINTED; but, on the other hand, he will find this one of the most valuable and efficient machines on his farm. The Machine is made to run by horse, steam, or hand power, and when the apples are ground a boy of 14 years of age can press the pomace with ease. This Mill is warranted superior to any other Portable Mill in existence; and the Proprietor is ready at any time (on fair notice being given) to test it with any Portable mill that is not an infringement on it. Farmers! examine this NEWLY IMPROVED MILL, before you buy any other. One great advantage of this Machine over all others is, that IT WILL NOT CHOKER UP, and the Cylinders will always remain clear and in grinding order. The price of the Mill and Press is \$10. Persons in Union County, and the upper part of Northumberland, can obtain these Mills on application to the subscriber. W. O. HICKOK, Harrisburg. Lewisburg, Union Co. Pa. Aug. 28, 1853. "Recollect, this is the Newly Improved Mill."
