H. C. HICKOK, Editor, J. O. N. WORDEN, Printer. Published weekly, except on Sundays, at \$1.75 in three months, \$5.00 in six months, and \$10.00 in a year.

FRIDAY MORNING, Oct. 7, 1853.

ADVERTISEMENTS—Executors, Administrators, Public Auctioneers, City and Country Merchants, Manufacturers, Dealers, Business Men—all who wish to procure or give notice of anything—would do well to give notice of the same through the "Lewisburg Chronicle." This paper has a good and increasing circulation, and is constantly consulted by a large proportion of active, solvent producers, consumers, and dealers, as any other in the State.

Division Tickets can be had at this office on and after to-morrow. Call or send for them, and see that they have fair treatment at the Pools.

We hear it stated that a line of coaches, from Williamsport through Lewisburg to Sunbury, will run daily hereafter, in time to connect with the cars. This will make Lewisburg but one day from Philadelphia.

Hickok's Patent Improved CIDER MILL.

The present arrangement of this highly approved and valuable MILL, the labor is divided by arranging a curving Cylinder to break the apples, and then deliver them to the lower cylinder to be reduced to pomace. By this arrangement the work is performed faster and with much less labor.

The Press is arranged with a much larger screw than formerly, and by a very ingenious device the use of the bag is dispensed with and the Tub made to open at will to deliver the pomace, while at the same time the Cider is let clear, and the work can be done with much less labor than by the old mode.

The Cylinders are covered with heavy sheet Zinc, both on their peripheries and ends; the wood in them is arranged so as not to swell, and the whole work on the Mill and Press made in the very best manner, and arranged with especial view to their durability and service.

NO FARMER, who uses the Mill carefully and according to directions, WILL BE DISAPPOINTED; but, on the other hand, he will find this one of the most valuable and efficient machines on his farm.

The Machine is made to run by horse, steam or hand power, and when the apples are ground is ready at any time to pass the pomace with all ease.

This Mill is warranted superior to any other Portable Mill in existence; and the Proprietor is ready at any time (on fair notice being given) to test it with any Portable mill that is not an infringement on it.

Farmers! examine this NEWLY IMPROVED MILL, before you buy any other. One great advantage of this Machine over all others is, that IT WILL NOT CHOKE UP, and hard or wet apples can be ground, and yet the Cylinders will always remain clear and in grinding order.

The price of the Mill and Press is \$10. Persons in Union County, and the upper part of Northumberland, can obtain these Mills on application to the subscriber.

W. O. HICKOK, Harrisburg. H. C. HICKOK, Lewisburg, Union Co. Pa. Aug. 26, 1853.

Recollect, this is the Newly Improved Mill.

DAGUERRETYPES!

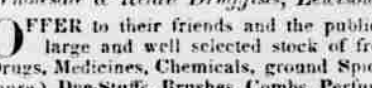

SPYKER & HAWN would inform the public that they have fitted up a Room expressly for Daguerreotyping, in the New Building over Dr. Thornton's Drug Store—entrance at the first door, up stairs—where they are prepared to perform any work in their line in the best style of the art.

We can take pictures at almost any hour in the day. Children taken as well as adults—and other pictures copied.

As we have now a permanent location, fitted up purposely and exclusively for Daguerreotyping, we think we can render entire satisfaction, and respectfully tender our services.

P. SPYKER, Lewisburg, Aug. 1, 1853. J. L. HAWN.
