### Wit and humor. The Ventriloquist's Coats.

Some years ago there was a young man living in Savannah, by the name of Nichols. He was a clerk in a large store. It

Savannah, to order a new coat. The Knight of the shears was happy to receive the order from so distinguised a customer. and assured the ventriloquist that the gar- A NEW STOCK IN TRADE. ment should be an exact fit.

Now Nichois had a remarkable chest He could so inflate his lungs as to increase circumference of his body eleven inches.

A week passed and the humorist waited upon the tailor incompany with a friend, to take the new coat. Upon putting it on, it lacked about a foot of coming together ! The tailor was thunderstruck. There was the measurement—the figures his own. How could be have made such a disgracefal blunder? With numberless apologies, he begged to be allowed to measure again, and make a second coat.

When it was done, Nicholas come in with his friend again to see how it would

The tailor handed the garment to him, remarking that there was no mistake this time-he would find it a complete fit. Would be ?-He put it on, and lapped it around him like a blanket! It was as much too large as the first was too small. He tossed it off. The tailor struck his hand upon his head, and cried, "I am out of my senses!" He threw his sheers and book across the room, and was about to dash out of the shop, when Nichals said,

to dash out of the shop, when Nichals said, coolly. "Here let me try on the first contyou made for me.

The tailor, amazed banded it to him. It buttoned exactly over a genteal wasit. "And now, suppose I try on the large coat again."

He did, and it was none too large to button over his body, which sweelled up like an alderman's.

"I think," said Nichols, "I'll take both of these coats," and he handed some bank notes to the bewildered tailor, who after his singular customer had departed, finally concluded that he must have measured over his chest was contracted to their utmost, for the second coat, and for the first one, when his chest was contracted to its smallest tapacity. The tailor, at the las aecounts, was telling the story to every new next the special services and some bank are the measured over his bendy inflated to their utmost, for the second coat, and for the first one, when his chest was contracted to its smallest tapacity. The tailor, at the las aecounts, was telling the story to every new that the decrease of the engine of the second coat, and for the first one, when his chest was contracted to its smallest tapacity. The tailor, at the las aecounts, was telling the story to every new tensor of the second coat, and for the first one, when his chest was contracted to its smallest tapacity. The tailor, at the las aecounts of the second coat, and for the first one, when his chest was contracted to its smallest tapacity. The tailor, at the las aecounts of the second coat, and for the first one, when his chest was contracted to its smallest tapacity. The tailor, at the las aecounts of the second coat, and for the first one, it is a straight that the leg must be amputated yet, in opposition to that opinion, your life and dintent have effected a complete cure in so short a time that few who had not witnessed it would redict by Mr. W. P.

#### Cuvier and Satan.

extraordinary was the skill of Cuvier, that if he only saw the tooth of an animal, he could give not only the class and order of the animal in question, but the history of its habits. The following anecdate of a quick and cool examination of a personage, the strong of It was said no doubt correctly, that so whom most people would not think of submitting to such a scientific research, is, to use the Yankee vernacular, decidedly "rich:"-In the Gentleman's Magazine for this month, an article called "Traits of the Trapists," and bearing the signature of "John Doran," concludes with a characteristic anecdote of Cuvier. He once saw in his sleep the popular representation of Satan advancing towards him, and in most of the following eases threatening to eat him. "Eat me!" exclaimed the philostpher, as he examined the fiend with the eye of a naturalist, and then added, " Horas! hoofs! graminiverous! Needn't be afraid of him!"

We learn from the Miners' Journal, that the North American Coal Co., after several months' perseverence and hard labor, succeeded, on Thursday evening last, is strik-ing the mammoth White Ash Vein, on disorder are affixed to each Pot. (19482a) their lands, at the depth of 384 feet, thus opening new treasures of incalculable worth on their property. The result will be of great immediate benefit to the company, and doubtless, gratifying to the whole region The specimens of the vein struck have been thoroughly tested, we understand, and give incontestible proofs of its identity with what it is supposed to be. The boring machine employed was one of the overlying slate was at the rate of 6 citizens of the Susquehanus country feet in 10 minutes.

The passenger travel from Philadelphia, via Pottsville, to Sunbury and Northward has greatly increased since the opening of a year, they may be exchanged. Prices reason the Railway from Shamokin to Sunbury. We note almost daily the departure of four or five stage coaches, heavily loaded from Pottsville, over the mountains, on the arrival of the morning tons of cars from Philadelphia .- Mining Register.

A genius out west just patented a machine for making chestnuts out of sweet potatoes. He is a brother to old gentleman who put handles to prickley pears and sold them for curry combs.

The Pennsylvania Telegraph and Whig a call. We will try to please, State Journal, of Harrisburg, heve been united, and will hereafter be published under the title of the Pennsylvania Teles Feb. 11, 1852-6m461 graph and Whig State Journal, by J. J. Patterson & Co.

Reading's Patent Corn Sheller,

Capable of shelling 1000Bushels of Corn per day. For sale by DAVID LANDRETH, AT HIS NEW AGRICULTURAL WARE-HOUSE, No. 23 Sours Sixts Street,

Sole Agent for Philodelphia. This Sheller, patented in July, 1852, has happened that a travelling ventriloquist met with a success unparalleled by any Machine of the kind ever offered to the publicvisited Savannah and so interested Nichols, The following certificate (one of a large number that he engaged with him to go around the received) will give some idea of what people think of it who have used it:

Coun'ry together.

In the course of time the young eclipsed bis master. He displayed most astonishing powers, and caused great excitement wherever he appeared.

It was after he became famous and weaithy, that he visited a tailor's shop in Sangarah to solve the solve at the control of the properties of the properties

### NEW FIRM,

FREDERICK TURNER.

AN INFLAMMATION IN THE SIDE PRINCIPLE CURED.

Only of a Letter from Mr. Francis Arnot, of Besahouse, Lethem Revel, Edinbero, stated April 22th, 1851.

To Professor Hottoway.

Sin—For more than 20 years my wife has been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago, the saw in the papers the wonderful cares effected by your Phils and Ointment, and thought she would give them a trial. To her great astonishment and delight, she got immediate relief from their use, and after persevering for three weeks the pain in her side was perfectly cured, and she has enjoyed the best of health for the last four years, (signed)

The Palls should be used conjointly with the Ointment

The Pilis should be used conjointly with the Ointmen in most of the following cases:

Bad Logs Chilbians Fistulas Sore Throats
Bad Breasts Chapped Gout Skin Diseases

#### \$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people, is at all times of the most valuable importance. I take it for granted that every person will do all in their power to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to

that every person will enceaver to their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most WORMS, according to the opinion of the most relevance of a large relevance of a large relevance of a large misority of diseases to which children and adults are hisble. If you have an appetite continually changeable liable. If you have an appetite continually changeable from one kind of food to another, Bad Breath, Paul in from one kind of food to another, Bad Breath, Paul in from one kind of food to another, Bad Breath Paul in from one kind of food to another, Bad Breath Paul in from one kind of food to another, Bad Breath Paul in from one kind of the best part of the Badly, bry Cough, Slow Fever, Pulse Irregular-remember that all these denote WORMS, and you should at once apply the remedy—

HOBENNACK'S WORM SYREP.

An article founded upon scientific principles, compounded with purely vegetable substances, being perfectly safewhen taken, and can be given to the most tender infant with decided beneficial effect. Where Bowel Companit and Diarrhova have made them weak and debilitated, the tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines in giving tone and strength to the stomach, which makes it an Infallible remedy for those afflicted with Dopopoposa. The astonishing cures performed by this Syrup after Physicians have failed, is the test evidence of its superior efficacy over all others.

THE TAPE WORM!

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system. It grows to an aimost indenint length, becoming so coiled and fastened in the intestines and stomach, effecting the health so sadly as to cause St. Vitus Bance, Fits, &c., that these afflicted schlown if ever suspect that it is Tope Borm hartening them to an early grave. In order to destroy this worm, a very correct treatment must be pursued; it would therefore be proper to take 6 to 8 of my Liver Philo, so as to remove all obstructions, that the Worm Syrup may act direct upon the worm, which must be taken in dozes of two tablesponfulls three times a day; these directions followed have never been known to fail ig curing the most obstimate case of Tope Borm.

HOBENSACK'S LIVER PILLS.

obstimate case of Tage Worm.

\*\*ROBENSACK'S LIVER PILLS.\*\*

No part of the system is more liable to disease than the Liver, it serving as a filters to purify the blood, or giving the proper secretion to the bits; so that any wrong action of the layer effects the other important parts of the system, and results variously, in layer Complaint, Jaundice, Dyspaysin, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roste can Plonts formshed by nature to heal the sixth, namely, 1st, An Expedience, which augment the secretion from the pulmonary mueus membrane or promotes the discharge of secreted matter. 2nd. An Alleradore, which changes in some inexplicable and insensible manner the certain more bid action of the system. 2d. A Time which gives fone and strength to the norrous system, renewing health and vigor to all parts of the body. 4th A Cathorde which acts in perfect harmony with the other ingresibility and operating on the bowels, and expediting the whole mass of corrupt and vitiated matter, and purifying the blood, which destroys disease and restore basith.

\*\*TO FEMALLES\*\* HOBENSACK'S LIVER PILLS.

TO FEMALES. You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of intestimable benefit, restoring their functional arrangement to a healthy action, purifying the blood and other fluids of effectually to put to flight all complaints which may arise from female irregularities as headache, gliddiness, dimness of sight, pain in the side, back, Ac.

#### Grain Drills.

THE undersigned wish to inform the farming community generally, that they are now manufacturing

J. P. ROSS' Newly Improved GRAIN DRILLS, or SOWING MACHINE. Without stopping to discuss the comparative merits of numerous Drills now offered for sale, they merely wish to invite Farmers to call and see the above named article before purchasing elsewhere, feeling confident that they can furnish an article that will give entire satisfaction.

ROSS, GEDDES & MARSH. Lewisburg Foundry, Aug. 13, 1850.

### IT IS A FAGT,

ONE self-evident, and worthy of every consideration, that no Miller can make good clean flour without he has good clean wheat. I suppose you wish to know the remedy. I tell you-it is to get one of Bergstresser's Wheat Scourers, or Smut Machines. He being an old, practical and experienced Millwright has invented, got up and put in successful operation the best Wheat Scourer now in use. Any person ordering a machine and afterwards finding that it does not prove to operate as represented, there shall be no sale, as these machines are to be warranted good. Further recommendations are thought unnecessary-He is now having a supply made at Lewis. burg, by Messrs, Geddes & Marsh. Orders for machines, or letters of inquiry, will be promptly attended to. Machines will be sent and put to all orders. Address

J. BERGSTRESSER. Lewisburg, Union Co. Pa. 329

seem unnecessary to argo their merits further. Bu, some late currentsbases have occurred which render it a matter of duty to the public not to be altogether silent, for while the ephonoral nostroms of the due are trumpeted by columns through the Francisco availoused by quarts and gallons by the affacted, and are found just good for melang.

Christle's Galvanic and Magnetic Curatives have been quietly working their way among the most intelligent and respectable classes, and are constantly achieving cures in an alarming train of diseases, which have for ages baffled all the air of medicine and all the resources of Science. These disenses are called

#### S NERVOUS COMPLAINTS.

"NERVOUS COMPLAINTS, and in these diseases medicine is of no avail what ever. It never does good and it often does harm. Syrups, Extracts, Balous, Balsams, Elixirs, Batters, Fifts, lowders and Tolions of every kind are alike worthless, for they weaken the vital energies of the already prostrated system, while under the strengthening life giving vitalizing influence of Galvanian, as applied by this beautiful discovery, the exhausted patient and weakened sufferer is restored to former bealth strength, clasticity and vigor.

These remarks relate to such diseases as NEU-RALGIA, TIC BOLOBEUX, BRONCHITIS, PALFITATION of the HEART WEAKNESS, and all FEMALE DISORDERS, such as NERVOUS HEAD ACHE, LASSITEDE, and DESPONDENCY, which are only other names for Nervous Derangement, Efflective FITS and CONVULSIONS, which are now known to result from a non-equilibrium of the lease of these endorses. MILLEFTE FITS and CONVILISIONS, which are now known to result from a non-equilibrium of Electric influence; NERVOUS TREMORS, LEAVINESS, which is noisily always caused by torpility of the Auntory Nerves; and can always for perfect of the Auntory Nerves; and can always for perfect card by Galvanism, when the organ is not destroyed, DASP-INA, in its worst forms; PALSY and PARALYSIS, underady caused by a deficiency of Nervous influence; CHEONE BIRLY MATISA, TORPIDITY of the LIVER, FAIN in the SUPE, SLUGGISH CR. inducace, CHRONIC RHEL MATISS, 1997, SLUGGISH CIR. of the LIVER, PAIN in the SIDF, SLUGGISH CIR. CILLATION, SPINAL and HIP COMPLAINTS, DEFICIENCY of NEWVOLS and PHYSICAL EX-FRGY, and all those distressing complaints result-ing from a DERANGEMENT of the NERVOUS In the above prevalent and terrible class of dis-cases—Nervous Compliants are much more numer-ous than is generally imagined—

#### CHRISTIE'S GALVANIC CURATIVES,

Are an Absolute and Positive Specific. Are an Absolute and Positive Specials.

The BELT is made when the body or system generally is affected, the NECKLACE for complaints of the Throat, as Astimus and Brouchits, and of the lical; and the BRACELETS for all desorders of the arms or limbs, as Rheumatism, Palsy, Tremers and Spramothe affection. These articles are simply applied as directed with the MAGNETIC FLUID which necompanies them, and when faithfully used they NEVER FAIL!

NEVER FAIL!

AT The great peculiarity and excellence of the GALVANE. CURATIVES counts in the fact that they arrest and care downed by national application, in place of the usual method of Drugging and Physicking the patient till exhausted fraince axis hopelessly under the indiction. They strengthen be usual as a consistent in remaining of the Bised, preside the secretary in reported the earlier energies, and can never do the distinct less number any commitment. Since their introduction in the United States only.

#### Since their introduction in the United States only three years since, more than 75,000 PERSONS

meluding all ages, classes and conditions, among whom were a large number of Ladies, who are pecc-liarly sub-ect to Nervous Complaints, have been Entirely and Permanently Cured,

Entirely and Permanently Cured,
when all hope of relief had been given up, and every
thing clue been tried in cain! The beneficial result,
which have uniformly attended their use is much
dently stated to be witnest a parallel in the annual
of Medical Science. Clergymen, lawyers and ever
physicians, helies of the highest standing, data
guished persons helding elevated official station
more hants manufacturers, and mechanics, the peer
and the rich alike; often which families among all
classes, ranks and conditions have equally been recipients, and has equally acknowledged the wonfroms and client unexpected benefits which tiey have
thus received.

25 Let it be known and rependered that the only

"Throw Physic to the Dogs." soles of the stomach, afford temperary relief, but ich leave the prient in a lower state and with red faculties, after the action thus excited has

which leave the period in a lower state and with highered faculties, after the action thus excited has been. Now company this with the effect resulting from the application of the GALVANIC BELT. Take a Dyscreptic softers even in the worst symptoms of an attack and amply the the Belt round the Ecdy, using the Magnetic Fluid as directed in a fact person to incornitie perspiration will act as their person to incornitie perspiration will act as the positive element of the Belt, thereby caming a following circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DASPETSIA are PERMANENTLY CUEFO A FEW DAYS IS AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS. MANY THOUSAND

CERTIFICATES AND TESTIMONIALS from the most intelligent and respectable person residing in every portion of the United States, could be presented. These are now unnecessary, but a numerous selection embracing many statement of the most extraordinary character, schedulet to CON-VINCE THE MOST SUETTICAL may be had of the authorised Agent. The interested are particularly invited to call.

WHAT THINK YOU OF THIS! From one of the most distinguised Physiclaps in the City of New York.

class in the City of New York.

"I have been using Christie's Galvanic articles in a quiet way among my patients for about two years past, and I condess I am intonshed at their success. If I am sure a disease is Norwow, I know just what they will do. In Epileptic Fits, particularly in children, Dealness and Affections of the Head, in children, Dealness and Affections of the Head, in adults; Paralysis and Falsy, in all ages, and indect several other diseases of like nature which have long purzled the profession. I have found the Galvania stricles of surprising benefit. Although I detest the chameless quackery of advertisements and newspapers. I must express my confidence and belief in the wonderful virtues of CHRISTIE'S CUEATIVES. My name is, of course, conflictual, but I shall never hesitate to recommend your articles on all proper occasions."

ANOTHER INSTANCE OF CANDOR

ANOTHER INSTANCE OF CANDOR.
To D. C. Morentzan, M. D., Gen. Agt. for Dr.
Construe, New York.

Deer Str., Besing a physician in the vicinity of
one of your Agents. I have been much gratified it
the examination of your Galvanic Curativos, as
highly pleased with their practical results. I have
observed that they are constructed on the true axis
tific principle for the sends, soft, pleasant and or
tomad development of the Galvanic Current, theelf,
filling a disideration, long sought for, but hereafted
unknown. I cheerfully recommend them for the
alleviation and cure of those distressing salmed
called Nervous Costenarys, for which they are a
happily and ingeniously designed.

Very truly yours, DAVID RICE, M. D.
Leverett, Mass., February 15, 1830.
