ADVERTISEMENTS. In this paper, for one square, per week, \$1.00.

The Susquehanna Telegraph Company last Tuesday declared a semi-annual dividend of two per cent.

Mr. John Alexander, of Kelly Tp, Union Co., killed a hog this season which weighed eight hundred and thirty-three pounds.

A young bull belonging to one Mr. Vendeia on the (late) Grove farm in Buffalo Tp, was recently killed on account of strong evidences of hydrophobia.

Good reading on first page.—The next Fair and Cattle Show will be held in Lewisburg. As progress is the order of the day, we trust that that may prove somewhat in advance of anything yet seen in this region.

Letters from Germany. We have received, and will publish next week a letter from two young friends now tarrying in Germany, and from whom we hope to hear often.

The Altonian is entirely in error, as to "four children bitten by a mad dog at Smoketown." There have not been any such known to be in or near Lewisburg.

G. K. GEORGE BUCHANAN is appointed Delegate to the Whig State Convention from the Center Senatorial District, and Edmund Blanchard, Esq., Representative from Center county. Instructed for A. G. CURTIN for Governor.

The Whig paper in Clinton county recently published a statement that Judge POLLOCK would not consent to be run for Governor under any circumstances. With this erroneous impression, their Delegate, Mr. Wagner, is instructed for Curtin.

The Nebraska Bill is stoutly contested in the Senate, and public feeling and indignation are becoming aroused against it. North and South, there are many to denounce it as an unwise betrayal of a solemn compact. And there are many thousands who oppose it upon principle, as wrong in itself, and hostile to the best interests of laboring white men.

If we are rightly informed, every Member of Congress from the Free States, who voted to allow Slavery in Missouri, was doomed to private life by his constituents. Let Senators and Representatives, from the East, North and West, remember that while the hosts of freemen yield Slavery all its legal possessions, yet THEY ALL HATE SLAVERY AND LOVE LIBERTY.

Court proceedings have been dull this week—the "gift of continuance" being very prevalent. The Court adjourned yesterday, and next week will not be "thronged" with business.

The argument of the motion to quash the indictments in the Heimlich prosecutions, was postponed until May Court. So that his "father confessor," our "popular and able prosecuting attorney," and the Repudiators in general, have three months longer to "get singe fixed."

We did not hear a word said in favor of the "beautiful Public Buildings" to be put up in New Berlin, nor of anybody being "painfully galled" at the dull prospect in that direction. Our Ez-friend will have to get his committee together and make some more efficient move in the matter.

LAST THURSDAY IN FEBRUARY—The day appointed by Christians of all denominations for special prayer for Colleges and Academies, will be observed in the University at Lewisburg. The President, Dr. Malcom, will preach in the morning at 10 o'clock, in the Chapel of the University. The public are invited to attend.

CERTAIN CURE for Scorbute Frigitious, Catarrh, Bleeding, Red Legs, Ulcers, and Old Sores.—It is an antidote for the Scorbute Frigitious, the only one which is in effect in all cases. It is the most eminent medical preparation ever discovered, and is the only one which yields to the curative powers, and when used in accordance with the printed directions which accompany each pot, with History's Pills, the two combined together, cure the most obstinate diseases, and leave the sufferer without a blemish.
