and in fact, almost anything in the way of No-Sin.—A Mr. Joseph Prixton, formorly a resident of this place, has been in a deciming state of health for upwards of three years, credinally westing away to a shadow by hightly perspirations and want of appetite, which caused great uncastness to his friends, as he had consulted various medical men in Bath, without effect. He at last used your Pills, and under Providence was restored to health by their means. He lately emigrated to New York, and has just written to say, that he was never better in health, and desired me to acquaint you with the circumstance. I ought also to mention, that my wife has derived great benefit from the new of your Pills.

Copy of a Letter from Mr. Gamis, Chemist, Terril, in Professor Halloway.

Bear Sit—In this district your Pilis command a more extinctive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and fillious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and Ligostive organs; her medical strendant assured her that he could do nothing to relieve her sufferings, and it was not tikely she could survive many months. This amnouncement naturally caused great alarin among her friends and relations, and they induced her to make a trial of your Pilis, which so improved her general health that she may include the months ago, and she health that she may induced to continue them until she received a perfect cure. This is twelve months ago, and she has het experienced any symptoms of relapse, and often declares that your Pilis have been the means of rawing her life.

I termain, Dear Sir, yours truly,
