FRIDAY MORNING, MAY 5, 1854.

ADVERTISE!—Manufacturers, Merchants, Publi. Officers, in City and Country, Mechanics, Executors, Administrators, Operators—all who wish to procure or dispose of anything—would do well to give notice of the same through the "*Lewisburg Chronicle.*" This paper has a large and increasing circulation in a community containing as large a proportion of active, solvent producers, consumers, and dealers, as any in the State.

☞ See New Advertisements.

☞ Happy to hear from "OBSERVER." He gets up a model letter for a country paper.

☞ A boom broke at Lock Haven on Wednesday morning—loss, 5,000 logs.

Boom at Williamsport broke last night.

☞ The Telegraph Office at Mill Hall is discontinued—Mr. M'Cormick having removed to Lock Haven.

May 1.—The Governor has signed the bill for selling the Main Line of the Public Works at not less than $10.000.000.

☞ "S. H. F.," on our first page, is a native of Ireland—of middle age—never voted! but we think promises fair to cast his vote soon.

☞ Fair prospects for Spring at last!—The River is very high, and an unusually large quantity of Lumber is along our shores, waiting for the fall of water.

Out at Last!

The new Editor of the *Star*, after having done the Division cause all the damage he could, under the garb of independence and neutrality—which was, to give all the room the Anti-Divisionists asked, and to refuse the Divisionists any room—this week comes out fair and flat-footed *against* Division, with some *weighty* reasons for his opinion; which reasons, if Division be now thwarted, it may be worth while to notice when the discussion has to be resumed.

The chief consideration which seems to actuate Mr. Leader, is, that the people—the very particularly dear people—are against Division. He "*knows*" that, outside of Selinsgrove and Lewisburg, very few people approve it—and his "*honest opinion*" is, that, aside from those boro's, not 500 votes could be got for Division!.... Well, to "know" is pretty positive, and an "honest opinion" he has a perfect right to—but if he does not vary his figures, and enlarge his knowledge somewhat, before he casts his maiden vote, we mistake.

2200 petitions last spring, } are not
1700 votes last fall, } to be
3100 petitions this spring, } despised.

☞ The clothing store of Mr. J. F. Gauger, at Milton, was entered on the night of the 20th ult., and robbed of goods to the amount of $250. The tin ware establishment of Messrs. Rhawn & Chapin, and the boot and shoe store of Mr. David Krauser, were also entered on the same night. Eleven dollars in money were taken from a desk in the establishment of Messrs. Rhawn & Chapin, but nothing was missing in the store of Mr. Krauser. A reward of 75 dollars is offered for the detection of the thief.

DROWNED.—Mr. Peter Bartlow, formerly of Penn township, Lycoming county, was drowned near Lumber City, Clearfield county, on the 22nd ult. It appears Mr. Bartlow was on a raft, which he and his comrades attempted to land, and by some mishap was dragged into the water, and before assistance could get to him, he sank. His body had not been recovered up to the date of the letters received.

A man named Jacob Lewis, aged about 85 years, fell dead upon a raft, on Sunday last, just above the schute of Queens Run dam. He was a citizen of York county, Pa., and a man of sober habits. He had not complanied of being unwell, and it is said was whistling when he fell. It is supposed he died of disease of the heart or paralysis.

We regret to learn that two raftmen were accidently drowned at or near the Buttermilk falls, about ten days ago.—Their names and the particulars of the casulty we have not been able to obtain.

Old Samuel Haine (or Heyne,) who has been an inmate of our county prison for the past thirteen years, died on Wednesday last. We believe he was first imprisoned for a brief period on some penal offence, and at the expiration of the term, refused to leave. He has since been a tenant by courtesy—manifesting at times mental derangement, but at all times peaceable, harmless and disposed to be industrious when any duties were assigned him.—*Williamsport Press.*

The bill regulating the salaries of Associate Judges has passed both branches of the Legislature. Those Associate Judges whose attendance at Court does not exceed six weeks in the year, are to receive $120 per annum; those not over twelve, $150; those not over twenty, $185; those not over thirty, $200; those over thirty, $250.

The new State Treasurer, Joseph Baily, was sworn in on Monday. He appointed J. D. Hutchinson, of Jefferson county, Clerk, in place of Dr. Patrick. No other changes.

The Division and New Berlin.

The New Berliners learned from Dr. Wilson—who has paid especial attention to his *patient*, (Anti-Division) a couple of months—that the House had adopted a rule which would stave off the Division bill as long as Simonton is there. Great joy in the Collector's office, Liverpool, and eke New Berlin.

ON DIT.—That New Berlin is preparing to give Maj. Simonton a Dinner, in appreciation of his services in preventing Division. It will be a second edition of Charley Shriner's dinner and illumination of Mifflinburg in memory of the man toasted as—

"*George Heimbach*—An honest man, the noblest work of God!"

Harrisburg, Monday 1.—Slenker and G. Merrill arrived here yesterday (*Sunday*) afternoon, post-haste, on foot and in a buggy, from the Junction and Duncannon. They had heard the orders of the day were suspended, which gives Division a chance.

P. S. New Berlin jubilee dinner postponed, so long as her pious citizens have to go on the Sabbath—and part of the way a-foot at that—to "stop Division!" after they thought it was "killed"

Harrisburg, May 2d.—The Lake Shore & S. E. Road was disposed of just before dinner to-day, and as the orders of the day were already suspended, Mr. Sallada called up our Division Bill, and on moving to proceed to its consideration, the Ayes and Nays were called, and it was not agreed to—Ayes 34, Nays 42—many of our friends being absent, as it was dinner time. This is decidedly encouraging under all the circumstances. Mr. Simonton made a few remarks—stated that it was a purely local question—that *he* was opposed to it, and hoped they would not take it up in opposition to *his* wishes. When it comes up again, the House will be made to understand that the will or wishes of one man is not alone to be considered, but that the 1126 majority who have petitioned for Division, are also entitled to sympathy and respect.

Thursday, May 4, 2 P.M.—Night session for our bill just voted down—yeas 36, nays 38—several friends absent—will be in order to-morrow.

"If it is right, vote for it; if it is wrong, vote against it." Such *was* the language of one of the New Berlin memorials to the Legislature. Now, however, the opponents of Division cry out, "Don't vote at all! Put it off! put it off! postpone it!" The friends of Division think if it have a chance to come up, it will have a majority.

☞ The Legislature will adjourn on Tuesday next—nearly a month longer than last year's session.

☞ No particular Congressional news.

DIED,

In West Buffalo Tp, Union Co., 2d inst., ROBERT GOODLOE HARPER HAYES, Esq., in his 60th year—after a week's illness.

The deceased was one of the best known and respected citizens of our county, and was but recently in the enjoyment of fine health and all the comforts of life. His father, John Hayes, was one of the earliest and most extensive Surveyors in this country; and the deceased has probably left no one who is as largely and minutely acquainted with corner lines and surveys in Union county, as he was. He had been frequently appointed and elected Deputy Surveyor of the county, to which office he was re-elected last fall. For this station and that of Magistrate, no matter what might be the partizan or local conflict, there were generally if not always, old friends and acquaintances of R.G.H.Hayes, sufficient to elect him.—Honored be his memory!

In Lewisburg, 30th ult., Miss JANE C. LYONS, of Northumberland, aged 19 years.

In Hartleton, 11th ult. aged 2 years, 3 days, GRAHAM, son of Dr. W. F. and Margaret Seebold.

Proclamation to the Citizens of
Mifflinburg and Vicinity.

Pulvermacher's Hydro-Electric Voltaic Chains,

CONSTRUCTED to be worn next to the skin, prducoing a constant current of electro magnetism, effecting *immediate relief from all acute pains*, and a

Permanent Cure of all Neuralgic Diseases.

PULVERMACHER'S ELECTRIC CHAINS

Were first used in France, three years since, for the cure of nervous diseases, and after being submitted to the most tiuous trial in every hospital in Paris by the most learned Professors in that city, they were recommended to the Government of France, which granted a patent for the discovery. During the year 1851-2, they were introduced in Germany, Austria, Prussia and England, and one year since introduced and patented by the U. S. Government.

Most astonishing cures of

Rheumatism, St. Vitus' Dance,
Painful and Swelled Joints, Palpitation of the Heart,
Neuralgia of the Face, Periodical Headache
Deafness, Blindness, Pains from Indigestion,
Hysterics, Dyspepsia, Uterine Pains,
Every Disease, called Nervous,

is quickly and rapidly cured, by simply wearing the Chain for a few hours each day.

The Chains were first introduced in the city of New York, where they were exhibited to Profs. Valentine Mott, Van Buren, Post, Cuenochan, who readily discovered that they possessed

Strange and Singular Powers of
INSTANTLY RELIEVING PAINS,

wherever applied, and by their recommendation and influence they were introduced into the different hospitals of New York, and are now in daily use in those Institutions in the treatment of the cure of the above-named diseases.

No Other Medical Agent

in the world can produce so many well authenticated certificates of cure from Scientific Physicians and Intelligent Patients as may be found in each pamphlet, which may be obtained (gratis) at the Drug Store of Tuss S. Custer, who is sole agent for Mifflinburg and vicinity, and who will explain the manner of use to any one who may apply.

In the city of New York, at the General Office, 508 Broadway, there are daily being sold from 40 to 50 chains and the sale and demand in Boston is as great in proportion to the population, although they have only been introduced three months.

The Chains are easily worn, and are equally applicable to all classes of persons—the child as well as the adult, and are always ready for use—never get out of repair, and as much an article of ornament as they are of a valuable means of cure.

The Chains can be sent by mail to any part of the U. States, and can be obtained in all the principal cities in the Union. Physicians are requested to examine them.

CARD TO LADIES.—Ladies who are *enciente* are requested not to use them only for a few moments at each time of applying, for by long continued use, miscarriage is frequently produced.

CORDS of good PINE WOOD—suitable for burning Brick—wanted by DAVID REBER.
Lewisburg, Jan. 21, 1854.

NOTICE.—All persons are hereby cautioned against purchasing or holding a Promissory Note made by me to John Burget for the sum of Fifty Dollars, endorsed with one or more payments. Said note was given for a horse which he warranted to be a good, steady working horse, suitable for a truck wagon; but the horse has the heaves mighty bad, is not true to pull, and is in short a worthless beast, and the note having been obtained through fraud I will not pay the same unless compelled by law.
