The average Anti-Administration majority on the four City Officers in Consolidated Philadelphia, is 9,600. In the same districts, President Pierce had 1419 majority over Gen. Scott. The votes for President in 1852 and for Mayor in 1854, were both about 50,000. The Councilmen. &c., are 4 to 1 Anti-Administration.

The Bridge at the mouth of the Buffaloe Creek is now so far rebuilt as to be passable by wagons. It has but one pier, the space formerly occupied as a pier on the Lewisburg side being filled up with earth, and there is therefore no danger of fire from the same source as before.
