RECOMMENDATIONS.

RECOMMENDATIONS. PURADA, Aug. 13, 1847. I have this day carefully inspected a conductor or Lighting Rod, with vame and index, ercted by Mr. Thomas Armitage, on Bellevus House, Gloucester, and have no hesitation in saying that it is not only the best 1 have ere seen, but that it is the only one I have yet examined that is constructed on strictly scientific princi-ples. It is with much pleasure that I recommend his conductor to the attention of owners of buildings. H. McSUCETREE.
