DECLINATION IN REAL ESTATE.—We observe a great decline, rapidly extending, in real estate in New York. New stores in Chambers street, and the neighborhood...

The liquor sellers of Boston are having a "time" in the Municipal Court. Judge Hoar makes quick work of them. Some go to jail, some to the House of Correction, and some paid heavy fines...

Maj. Arthur T. Lee, of the 8th Infantry, was killed in Texas, recently, by the Indians. He was about forty years of age at the time of his death...

ABOLISHMENT OF THE CANAL BOARD.—Several of our exchanges are advocating the abolishment of the Canal Board. That the public works of the State have been miserably and dishonestly managed...

THEN, AND NOW.—The editor of the Hagerstown Torch Light, in looking over the old files of that journal, finds the following item under the editorial head of the number bearing date July 27, 1821: "Flour has risen to \$1 50 per barrel."

While Jacob Fry, Sen., was crossing the river below Sunbury, he went over the Shamokin Dam, and was drowned. He was an old man of about 70 years of age. His body was found the next morning.

The steamer Susquehanna, running on the basin below Sunbury, has toned 2200 canal boats and flats, since the first of April. The charge for each boat is 50 cents.

The Canal Commissioners have appointed W. R. Maffet, of Luzerne county, Engineer and Superintendent upon the North Branch Canal, in place of M. A. Gamble, resigned.

GEN. PUTNAM planted in his native town in Windham, Conn., a mile of apple trees in the high way, so that the poor might have apples as well as the rich.

Gen. Sam. Houston, of Texas, is announced to deliver one of the lectures in the anti-slavery course to come off at Boston this winter.

New York, Nov. 9, 2 P. M. A few counties to be filled up, but from present appearances Seymour (soft and liquor) is chosen Governor, Strong (K. N.) Lieutenant Governor, and Williams (K. N.) Canal Commissioner for New York State.

Fernando Woods (Hard and liquor) has 538 plurality for Mayor of New York City.

Mike Walsh and every Nebraska member of the present Congress from this State are reported defeated.

Illinois, Wisconsin, Michigan, and New Jersey, appear to be carried by large majorities against the Administration.

There are more bank failures reported in the Western States. No steamer yet in.

TREATY WITH RUSSIA.—The terms of the treaty recently concluded with Russia establish between the two Governments the following principles:

1st. That free ships make free goods—that is to say, that the effects or goods belonging to the subjects or citizens of a Power or State at war are free from capture and confiscation when found on board of neutral vessels, with the exception of articles contraband of war.

2d. That the property of neutrals on board an enemy's vessel is not subject to confiscation, unless the same be contraband of war. They engage to apply these principles to the commerce and navigation of all such Powers and States as shall consent to adopt them on their part as permanent and inalienable.

TERRITORY OF NEBRASKA.—T. B. Cummings, the acting Governor of Nebraska, has issued his proclamation ordering a census of the Territory to be taken immediately, in order that an election for a Delegate to Congress, and for members of the Territorial Legislature may be held at an early day.

George W. Keyser, convicted at Philadelphia of the seduction of Sarah Ann Ashton, was sentenced to pay a fine of \$1,000, and to undergo three years imprisonment at the Eastern Penitentiary.

THANESIVING PROCLAMATION. PENNSYLVANIA, ss.—In the Name and by the Authority of the Commonwealth of Pennsylvania.

FELLOW CITIZENS.—A sincere belief in the existence of God and a just conception of His attributes as the foundation of true religion and civilized society. The free declaration of this belief is a Christian duty.

With the exception of a few communities, which claim our sympathies, the business of health have prevailed. Our institutions of learning have been perpetuated, and civil and religious liberty enjoyed by the people.

These manifold blessings are the gift of God. The blessing of peace and concord upon our country, and in conformity with the wishes of many good citizens, I, Wm. Armstrong, Governor of the Commonwealth of Pennsylvania, do hereby appoint

Wm. H. ARMSTRONG, Acting Governor.

PERMANENT HOMES.—In these days of high rents and high prices, every poor man ought to endeavor to procure a permanent residence for himself and family.

This thing of "moving" is ruinously costly, and alike destructive of property and pleasure. It cripples industry—prevents planting trees and vines, and obliges the tenant to frequent the grocery with money in hand for a thousand little things, which if land-owners, they would raise. None can do appreciate home till once having owned and lost one.

THE Harrisburg Herald of Wednesday week says: More than two-thirds of all the representatives elected are Know Nothings or Americans, and should that party organize "on their own hook" they will control the Legislature, and elect the United States Senator and State Treasurer.
