Lewisburg Chronicle.

## The Future for Farmers.

Not only have the staple Farm products there has been a much larger advance in grand old forest that environed it. 12 to 14-Butter was 6 and 8, while it now so near by Railroad to the Iron and

Coal marts and the Cities, that it is not probable the prices for these smaller artimay probably be much higher.

What, then, is the best policy for fartention more to the Garden, the Orchard, the Hennery ; it is to divide their farms ; whom the forest has had to fall, thickets vanto bestow more labor upon their lands, ish, and swamps dry up. And as a substitute, and make them produce more, at less out- he now sees meadows and fields modestly lay of original cost and current expenses; standing between his native hills. selves at the same time. We on the be clear: it is to step the drain of emi- Eve's "Eden !" in a short time become as populous and ricultural Editor of the Chronicle.

Nor should it be forgotten, that while Canals and Railways have advanced the prices of all minor farm products so immensely, they have at the same time required by agriculturists. Thus, they inst. enable the farmer to sell much higher, advantage, to him ?

It may be asked, however, Are not &c., &c., injured to the same extent ? sions of the Conference. We answer, that in isolated cases this A despatch from Berlin dated Friday, change may injure and oppress ; but with the 6th, states that the Russian party is the great majority of people-the vast predominent there, and that Prussia will aggregate-the prosperity of the Farmer most likely throw herself into the arms of

For the Lewisburg Chronicle The Home of his Childhood. Can this be the place where he first breathed, walked, and talked ! "True, the same heavens are over it," the same mountains surround it, and the same sweet little creek flows thro' it; " but all else, how changed !" The barn and saw-mill and the grist-mill indeed are there ; but where is the little natal cabin, and the forest that surrounded it ! With regard

to the cabin, its old foundation baswers, Where ! Chemistry, however, would say that -Wheat, Corn, Potatoes, Oats, Hay, &c. it has been converted by decay into water, car--advanced in price, from 50 to 100 per bonic acid, and ammonia. Be that as it may, cent., within the past twenty years, but the old house has fallen, together with the

the prices obtained for the products of the that store, that public house, that splendid Orchard, and the Dairy, throughout the barn, that smoking farnaoe, and those fields West Branch country. Conversing with and meadows that occupy the place of that several intelligent farmers, we learn that cabin and that forest ! Who has been here the day has been when fruit was almost since he has been gone ? True, a Lunwio unsalenble, whereas Apples are now as has been here; a Lawrz has been here; Gazans south as Wheat was then - Eggs sold at and Howann, too, have been here, and done of the last will and testament of William Bea-south as whereas they now bring former land marks, and remodeled his native a tree second account of James F. Linn.

spot ! is now 12 to 25. Whatever fluctuations No more shall he be able to hear the mewmay take place in Grain and other staple ing coon, the barking for, the growling bear, deceased. products, our Orehards and Gardens are the squalling wild cat, the howling wolf, the screaming panther. No more will the whippoor-will whistle upon the branches over the little cabin ; no more will the squirrel play in the thicket around it; no more will the cles of household consumption will ever agile deer bound before the door ; and no be much less than they now are, and they more will the ratile snake and copperhead harbor beneath it. Not so, and why ? Be-

cause KAUPNAN & REBER have been and are mers? Obviously it is to turn their at- here. They are those who have most changed his native wildernes home into a beautiful dwelling place. They are the men before

and thus to benefit the country and them-Reber for what they have already done, and may success attend them in their further de-West Branch, are so near the Mining and signed improvement of the home of his nativ- township, deceased. Manufacturing districts, that we can fur- ity ! May their furnace continue to pour nish those perishable articles of necessity forth its tons, their fields yield their grain, and which the West can not bring hither in their meadows their grass, till they shall be competition. Our duty, then, appears to able to give it a polish not unlike Adam and

But, O. Fonssy Inow Wongs ! May likegration-employ our surplus labor and wise the time soon hasten when your sons and capital in filling these new demands at your daughters shall be as much admired for home-and let the West supply most of sound morality and intelligence as they now those heavy products for which it is in are for true friendship, sociability, hospitality, all respects best adapted. Portions of industry, and enterprise. The sun, indeed, Union and Northumberland counties may has shone upon a more beautiful, but never upon a more genial soil than yours. Clouds have fed larger, but never a more faithful and thriving as Delaware and Chester, by at- healthful stream than yours. Winds may tention to the plans of Agriculture, &c., have wafted spicier, but never a purer atmossuggested from week to week by the Ag- phere than yours. Gon has indeed done his part ; now see to it that you do yours.

THE PLOUGH-BOY.

## Arrival of the Nashville. NEW YORK, April 22, 1855. The Steamship Nushville, chartered by

caused a great reduction in Dry Goods, the Collins Company in place of the Pa-Groceries, Hardware, Salt, Plaster, Iron, cific, arrived at noon to-day, bringing dates and we believe all merchantable articles from Liverpool and London to the 7th

The Vienus Conference had adjourned and buy much lower. Who can deny over the holidays. The impression is daitheir immense, their almost incalculable | ly becoming stronger that there is nothing left but to fight it out.

Ali Pasha arrived at Vienna on Friday, the Mechanic, the Merchant, the Laborer, and would take part in the future discus-

ectly and necessarily the prosperity the Czar, in case of an unfavorable result of the Conference. There has been a succession of sanguin-
