To Business Men, -The Lawrente Cuncaters

Meterial Correspondence of Lewisburg Chronicle. HARRISDURG, June 13, 1855.

The regular volume of all the laws passed at the late session of the legislature and approved by the Governor, is now printed and ready for distribution. They will be sent out as soon as they can be boxed and delivered to the contractor. An advance copy has been sent to the Prothonotary of each county in the State, in order that the Bar and the public might, to that extent, derive the carliest benefit of the publication.

The Supreme Court has adjourned. The Beale case was argued before them, but no opinion has yet been delivered.

The weather is quite cool-the river high-town quiet and duli-no local news, and no time for my hands to tell it, if there was.
