These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal situes only of Vegetable remedies, extracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results. The system of composition for medicines has been found in the Cherry Pectoral and Fills both, to produce a more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obtained by any process of the perfectly obtained by the perfect of the curative section of the perfectly obtained by the perfectl to all classes of persons—the child as well as the whilt and are always ready for one—never get out of repair, and as much an article of ornament as they are of a valuable means of our.
