Democratic Nominations for General Conventions.
ARNOLD PLUMER, of Venango Co.

Republican State Convention.

The address of Pennsylvania, without respect to former party distinctions, who are willing to unite in a new convention to elect the representative of Slavery and the increase of the Slave power, are invited to the first State Convention at Pittsburgh, on Wednesday, the 14th day of September, next, at 11 o'clock, A. M. A strong and harmonious party in this State, will give us an opportunity to the popular will on the subjects involved in the repeal of the Missouri Compromise, and cooperate with other organizations of a similar character in other States.

Democratic County Convention.
The Democratic voters of Union County are requested to meet at the usual place of holding elections in their respective Boroughs and Townships, on SATURDAY, SEPT. 1st, 1855, between the hours of 2 and 5 o'clock, P. M., and then and there elect two Delegates to attend a County Convention to be held at the Court House in NEW BERLIN, on MONDAY, Sept. 3d, at 10 o'clock, P. M., to nominate a Candidate for Representative, and appoint a Senatorial and Representative Delegate to the next Democratic State Convention; and also appoint a Conference to meet the Conference of Juniata county, to place in nomination a candidate for Representative, and to meet the Conference of Juniata and Mifflin counties, to appoint Delegates to the next State Convention.

To the Voters of Union County.
The time is approaching when it will be necessary to select Candidates to fill the various offices of this County.

We the undersigned as Chairman of the Standing Committee of the Whig and Democratic parties,
party, meet at the election house on Saturday the 1st of September next, at 2 o'clock P. M. to elect two Delegates to meet in County Convention at 10 o'clock on Monday following at the house of Charles Orzler in Mifflinburg, to nominate Candidates to fill the different offices of this County.
SAMIUEL MARSHALL,
CHAS. CROTZER.
Aug. 18, 1855.

To the Citizens of Union County, respectfully submitted. The undersigned citizens of Hartley township would respectfully recommend that as the time is approaching for the nominations of candidates to be elected at the ensuing election, that meetings should be called in each township on a day in August of the Division meet, irrespective of party politics, and elect two members out of each party, to meet at each party on the Monday following the township meeting, to form a Ticket for County Officers to be supported by the people. Witness our hands the 27th day of July A. D. 1855.

Well Enough.

A correspondent of the Mifflinburg Star, cautions the people very urgently against being led and tampered by the people of Lewisburg. If there is any danger from this source, we also sound the alarm; and we would advise Mifflinburg, New Berlin, Hartley, Buffalo, White Deer, to the same catalogue. Yes, it is wrong and dangerous, to allow ANY BOROUGH or TOWNSHIP to have undue influence in regulating county matters. The caution, indiscreetly intended for Lewisburg, we extend to all the other districts.

A very influential citizen of our Borough argued, some months since, that it would be a good thing for our interests, as a town, if not one man here should ever ask for a County Office. In that case, all our population would prosecute their ordinary callings successfully as they have heretofore; we should not be infested with office-intriguing lazarus; and the influx of officers to transact county business, would be constantly adding to our population. There is much sense in the proposition. The custom would not cut off State or National candidates, nor prevent citizens from accepting other stations which might be tendered to them voluntarily by party office hunters. We would do as the others would do, and as the others would do, we would do as the others would do, and as the others would do, we would do as the others would do.

We hope the day never may come when Lewisburg or any other Town or Township can rule Union County. When any place, clique, or party become so strong as to "regulate" all others, it is time there should be a change. The people of the county owe it to themselves—in this the outset of their existence as a new County—to guard against improper influence from any quarter, be it New Berlin, Mifflinburg, Lewisburg, or any of the Townships. In nominating and voting let them act INDEPENDENTLY—from their own calm, honest conviction of justice and propriety—and not from the dictates of any faction or section.

\$200,000 Bonds!
Don't be alarmed, reader! you are not invited back to the Rejuvenation meeting in Longstown—not to the Youngmanston Illumination at the expense of the Whisk Inspector—nor to the splendid supper given by that wonderful Burg to the noblest work of God—an honest man—George Heimbach, Esq.—We can assure you all that has gone by, and the chief actors have gone with that most flagitious of all deceptions. But—don't laugh—a correspondent of the last Mifflinburg Star tries to raise the ghost of laid Rejuvenation—to what? Why, to influence the choice of a county seat! John Swineford, Esq., is supposed to be the very tender "Juveneris" who discovered the trick, and the Editor thanks him, twice, for his valuable invention!

The "Union County Star"
As most of our readers are aware, has been removed from New Berlin to Mifflinburg, and "arose to rise" (as its correspondent asserts), for the benefit of the world in general and Mifflinburg in particular. Shorn of its political rays, entirely neutral on all other local questions, it sheds its concentrated effulgence of light on the question of the county seat, and really seems to think it stands some chances since the *Mifflinburg and Gazette* gave their disinterested blasts upon Lewisburg, and had their thunder echoed by the *Times*.

The three No's of the *Star* we have received, are replete with articles against LEWISBURG and the *Chronicle*. Most of the remarks are, however, too trifling to require attention, and although we might at the time have replied, our absence and illness prevented, and they are hardly worth resenting.

The ARGUMENTS used by the *Star* in favor of Mifflinburg, are mostly those anticipated by our correspondent "Friendly," who we have no doubt was sincere in his desire to serve Mifflinburg, and who certainly urged its claims quite as effectually as the *Star* is doing it.

The 1st argument advanced is the alleged "centrality" of the town, but the *Star* does not quote our remarks on that point. If the Editor will let his readers see what we said about centrality, we ask no more.

The 2d argument is the "healthiness" of their place, which it alleges is superior to that of Lewisburg, but urges not a word of proof of it, except referring to "last summer, fall, and winter." It is well known that last year was the most unhealthy known in Buffalo in 50 years, and it is also known that Mifflinburg suffered as well as Lewisburg. In times past we have been told, diseases have raged in Mifflinburg, when Lewisburg was providentially exempt. We do not suppose there is any material difference in the *Lewisburg vs. Buffalo*, from Lewisburg to Hartleton. Our position is high up on the river, streets wide and clean, pure air the best of chance for circulation. During the 52 weeks including the extremely sickly season of last year, there were 11 deaths of persons between the ages of 20 and 60—certainly not an alarming mortality in a borough of 2500 to 3000 inhabitants, containing a large number of persons engaged in boating and other dangerous employments which often send them home diseased. Persons engaged in the same occupations, we dare assert, are as healthy in Lewisburg as in Mifflinburg, and the people of the county know this fact too well to be deceived by the mere say-so of the *Star*.

The 3d argument is a half-way fling at the hotels of Lewisburg, as not affording as good or as cheap accommodations as those of Mifflinburg. We do not know as "Friendly" advanced this brilliant idea, but we know that the *Times* and *New Berliners* made all the capital possible out of it before the Division. It happens that one of our hotels conducted by a gentleman who had the reputation of keeping the best house in Mifflinburg and New Berlin, can accommodate as many as all those in Mifflinburg; and the three others are as large, as good, and as reasonable as those of Mifflinburg. Wheat and corn, hay and oats, grow around Lewisburg as well as here; our people can command as much money to buy them; we live as near the city as our up-country neighbors, and can raise cash or credit to get coffee, tea, sugar, &c. quite as easily as they can; and as our hotels have flourished heretofore without Court custom, they certainly can be as reasonable as Williamsport, Danville, Harrisburg, Pottsville, Lancaster, Reading, &c.—towns larger, and paying heavier rents than ours—with that custom. Neither fact nor reason teach the claim of Mifflinburg to be true in this respect, and New Berlin can tell them that it won't "kill" Lewisburg.

The *Star* seems to question our opinion as to the people having already *virtually* decided in favor of Lewisburg, but takes care not to quote one who would graph in relation to that point. If it will order the paragraph from which it scissored, it will be content. We of course know that many Divisionists will go for Mifflinburg, because of its vicinity and supposed advantage to them; but at the same time it is equally clear that many *Anti-Divisionists*, since the county is divided, think Lewisburg is the proper place for the County Building.

The *Star* states that \$115,000 more than the *Division Law* requires have been pledged for the Mifflinburg site. Will it inform the people whether it is intended to expend \$10,000 only for grounds and public buildings, as would seem from its language? The Law requires that all the costs of suitable grounds and buildings be the same more or less, shall be paid by subscription, and not less than \$10,000 shall be signed to start with. Does Mifflinburg intend to put us off with \$10,000? Lewisburg anticipates nothing less \$20,000 to \$50,000, if the people decide in her favor. \$10,000 at Mifflinburg would be very "small potatoes," and taxes for additions and repairs would soon be required.
