Dip a spoonful out— Mind you don't groggy— Pour it in the Lake Winnepizcogee. Stir the mixture well.

Then put half a drop Into Lake Superior. Every other day Take a drop in water:

Lest it prove inferior :

You'll be better, seen, Or at least you ought to. ALLOYATHY. (Take some Calomel-

The ranker 't is the better-Mix it with a drop Or two of eistern water.

Feed some to your dog;

It will make him vomit, And, may-be, see stars, Or, perhaps, a comet. Once in each half hour

Take a rousing potion, Say a numbler full If that suits your notion. If you chance to die-

As some day you're sure to-Friends may safely say That that didn't cure you.

HYDROPATHY. Take a linen sheet— The larger 'tis the better-Wrap yourself up well, And plunge into the water.

Any water'll do-Croton, sea, or eistern-Each may make his choice As may best suit his torn-

When you're fairly soaked, If you don't feel better, Take a generous shower-bath, And get a little wetter.

Touch no wine or gin, Drink gallons of cold water: You'll be better, soon, If you ain't, you ought to.

SENSE-OPATHY. Take the open air—
The more you take the better— Follow Nature's laws To the very letter.

Let the doctors go! To the Bay of Biscay; Let alone the gin, The brandy and the whisky.

Freely exercise, Keep your spirit cheerful, Let no dread of sickness Ever make you fearful.

Eat the simplest food, Drink the purest water— These are the best of rules For every son and daughter.
