Lewisburg, Sept. 21, 1855 A Complete Cure for Ague!

THE very extensive prevailing condition of this disease, and the fact that it is not known to the public that the undersigned is able to CURE AGUE, has induced him to make known to the public that he uses a preparation in use by no less than 2,000 American Eclectic Physicians, called Restorative Wine Bitters. This preparation acts on the Liver, Spieen, Stomach, Kidneys, indeed on the whole system, and brings it into a healthy and vigorous condition. Now when the whole system is brought into a perfect state of health, it is impossible for Ague to occur. which generally attacks the feeble, or those whose constitution has been broken by some cause. This can generally be done by our Restorative, and almost every case completely cured. Of course no disease can be cured that a man may not take it again, but we mean cured and brought into the same healthy condi-tion as one that never had this disease, cured N. B.
