Lewisburg, Pa. FRIDAY MORNING, OCT. 12, 1855

See New Advertisements. Vote of Union County.

The oldest vote we have of Union county (including Soyder) is that east for the Senator in 1836-almost 20 years agowhich stood as follows:

Yeariek 1406 Middleswarth

as follows : Lewisburg

1210-Millinburg Thus it will be seen that this division of Union county polled more votes this year than the whole county did 19 years ago. Add the five upper districts over the river with their 1200 or 1300 voters, and Union county can poll over Four Thousand votes.

On the 20th ult., he promised, "And now, Mr. Chronicle, we are done with you : we shall not notice you again thro' the Star, after this week." We resigned ourselves to our doom with martyr-like submission; but the next Stars had several notices which everybody supposed meant us, and last Monday's Stor has three or four articles against the Chronicle by name !

Last week's Star promised to issue no "handbills in favor of Mifflinburg." The usual issue day of that poper, is Thursday; but so on Monday of this week the Star arose-itself a "handbill in favor of Mifflinburg"-and was scattered broadcast throughout the county, (a very convenient way of "whipping the old fellow around a stump.")

And last Monday's Star has up as the "Whig candidate for Cana! Commissioner, Joseph Henderson, Esq., of Washington county." Now we thought everybody previously declined, and was not the Whig up as follows: candidate. Our friend must confess to a
