WORDEN & CORNELIUS.

Lewisburg, Pa.

FRIDAY MORNING, OCT. 26, 1855.

☞ Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers, or any who wish to forward notices with or regarding the issue of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers as any in the State.

☞ See New Advertisements.

☞ For one Arrival of Foreign News, see last page of to-day's paper.

☞ Do not forget the large and extensive Auction Sales of Dry Goods, &c., at LEWIS', next door to Kline's Hotel, commencing on Monday next.

☞ Thanks to somebody—K. N. who—for California papers. If we know the generous friends, we would return the compliment.—The Californians had an uncommon loud time rejoicing over SAM's success in the Young Giant of the West. The stories about fraudulent election returns, are all gammon; he and his party gained the day by their pledges to reform the abuses and laxities of the elective franchise.

☞ PETER STOUT has disposed of his interest in the *Argus* establishment. A good workman and amiable man, we are sorry to lose him; but whoever it is that wooes him away, we hope he may get *her*.

J. MERRILL LINN, Esq., has purchased his interest. Not a novice in editorializing—with a gifted and cultivated mind—he has the time and ability to polish up his articles better than we who compose often as we stick the type without the intervention of the pen. May he live long and grow fat while occupying the editorial tripod!

A WHOPPER.—A young friend, Mr. J. Brown M'Laughlin, of Chillisquaque tp., North'd Co., honors us with an apple which measured 13¾ inches in longitude, 14 in latitude, weighed 1 pound, and the quality was entirely satisfactory. It grew in his father's orchard. Does any body feel inclined to beat it?

☞ We are also indebted to Capt. Jacob Gundy and Dr. S.W. Ludwig for superior specimens of apples on our side of the river. A few bushels of such in OUR cellar, would make OUR do—I the happiest chap in Lewisburg.

☞ We regret to learn that the health of Dr. TAYLOR of Madison University, is rapidly declining, and that his stay upon earth must be short. He leaves in Lewisburg, as well as in other places where he has spent his days as an Educator, the warmest friends, among his many grateful pupils, and community at large.

☞ The Mifflinburg FRIENDS of the Spruce Creek Railroad, when they returned from the meeting they TRIED to break up but didn't, said Lewisburg wouldn't have over 15 votes in Hartley. By the aid of the rowdies who tried to break up that meeting, Lewisburg had 78. Perhaps this may answer the *Star's* inquiry respecting the Hartley vote.

☞ The arrival, direct from Elmira, of 70 Bbls. Salt for T. Hayes, suggests the fact that a *turn-out* at the Lewisburg depot is needed, if the Road expects much trade in that direction. We get goods from Philada.—twice the distance—at half the price of goods from Elmira carted from Milton.

☞ The Lancaster *Express* thinks the new Liquor Law cannot be repealed in the Senate. And if it did, it is not probable that the Governor would approve a bill abolishing a law before it had got into operation in many counties—has not been fairly tested anywhere—and certainly has done no harm.

☞ During the last contest, we see some of the editorial fraternity have had pity taken on their poverty, and offices conferred. Smith to the Assembly from Wyoming; Winchester, prosecuting att'y for Luzerne; Baker, Treasurer for Lycoming; and probably others. Some, we are sorry to see, failed for the lack of votes.

☞ Partial Election returns from Kansas, show a large bona fide vote for Reeder, and hardly a show of opposition. He will go to Congress and contest Whitefield's claim.

☞ In Harrisburg, there was 57 arrests for drunkenness and vagrancy, the week *before* the new liquor law went into effect, and only 19 the week after.

P.S. Wanted—an addition to the Senior's wood pile.

News Items from Other Counties.

SNYDER COUNTY.—The Middleburgers have had a jollification over their luck in getting to be a county seat, and somebody in the *Volksfreund* is singing Dutch poetry at Selinsgrove.——The *Democrat* of Selinsgrove intimates that the legality of the Middleburg bond will be contested; and states that the day was carried by alarming the people about the health of that town, and also by representing in Union, Jackson, and Middlecreek, that in case Middleburg carried the day, they would throw up their chance, and then New Berlin would get set back to Snyder county and Court go to New Berlin again. The position of Freeburg in the field, it is thought by many injured Selinsgrove materially.——The Middleburgers have called their election for choosing the Court House Committees, for Saturday the 10th November.——They also are to apply for a Ship Canal and a Branch Mint. Persevere, neighbors—nothing like trying!—— The new Lutheran and Reformed house of worship in Adamsburg is to be dedicated on Sunday the 4th November.

JUNIATA.—All the K. N. candidates carried the day (except one, who was beaten 14 votes) by from 145 to 805 majority.——The *Register*, (the Democratic paper) says of the Assemblyman-elect from this District, "Mr. SHOUSE is a man of unimpeachable character (barring politically,) and we have no doubt will discharge the duties devolving upon him in his official character, to the best of his ability, and in accordance with the will of those he represents."

NORTHUMBERLAND.—The Address before the Agricultural Society, was delivered by Mr. Kase, and was well spoken of.—— Silas Wolverton has the contract for erecting a Boom for the Sunbury Canal and Water Company, about three miles up the West Branch.——Northumberland Borough and Point Township have a Fair today in Northumberland, in which they "cal'late" to beat the whole county.

LUZERNE.—The Division candidates for Representative are defeated.——A young man named Deen, fell from the cords of the Railroad bridge being erected at Pittston, into the river, and drowned. He was recently from Batavia, N. Y.

PERRY.—A Democratic meeting at Bloomfield, before the election, was addressed by Wm. H. Miller, Esq., of Harrisburg, Robert Tyler, of Philad., Col. John Swineford, of Union Co., and Ephraim Banks, Auditor General. Letters were read from Gov. Bigler, Reah Frazer, and Richard McAllister. The *Advocate* says of Col. Swineford's speech, "We scarcely know what to say about such stock. We advise his friends in Union the next time they send him here, to tie a straw band around his right leg, a bolt of red tape around his left, and fill his pockets with gingerbread, because he don't know when he is hungry. He broke up the meeting, because when he had concluded there were only two men at the stand, and they were so 'fatigued' that they could not leave without assistance."

MIFFLIN.—One Stephen Steel hid $100 in a tree, from which some one borrowed it, and simple Stephen offers $25 for its recovery. When you get it, Stephen, put it in Bank, on interest.——The Agricultural Fair, at Milroy, is said to be the best in every respect ever held in the county.——Death by Lightning.—A severe thunder storm passed over portions of the county on Thursday week, during which David Stroup, son of John Stroup, of Union township, was instantly killed by a stroke of lightning. The deceased and another man were engaged in raising potatoes, and took shelter under a tree, (some say in a shock of corn.) Young Stroup was struck in the ear, and the man beside him somewhat stunned, but he soon recovered.——The Gazette of 18th inst says: "We noticed ice yesterday morning for the first time this fall. This, with an introductory snow storm on Saturday, looks like the approach of cold weather."——Wm. F. Shaw has been appointed Notary Public for Mifflin county, vice H. J. Walters, Esq., whose commission expired on the 9th inst.

MONTOUR.—They have had in Danville recently, a Musical Convention, a Teachers' Institute, three Concerts, and Agricultural Fair, most of which were deemed very entertaining or useful, and the Fair decidedly superior to that of last year. ——Dr. Elder is to give a Lecture on American Labor, on Monday evening next. ——The damaged Rolling mill has been repaired.

LYCOMING.—The store of Messrs. Gudykunst & Walton, at the Muncy Basin, was entered Thursday night, last week, and robbed of $15.——On last Friday night, some desperado broke in the Telegraph office in Williamsport, and got $50 for his trouble.

THE MAINE LINE OF THE PUBLIC WORKS.—Governor Pollock had issued proposals for the sale of the Main Line of the Public Works, in accordance with the provisions of the law on the subject, passed at the last session of the Legislature. Proposals will be received at the office of the Secretary of the Commonwealth, until the 24th of December next.

CUMBERLAND, Oct. 24.—The trial of Miller for the murder of Graf, the young man in the employ of Dr. Hadel, was brought to a close this evening, by a verdict of guilty in the first degree. The evidence was nearly the same as that on his trial for the murder of Dr. Hadel

Vain Boasting.

From the display of flags and other devices in the Democratic papers, one might suppose that party had gained an uncommon victory. It appears however, that with all the difficulty of the opposition, they have polled 2,755 the most votes. And it will be seen by the Official vote on our first page, that in Philadelphia, Lancaster, and Allegheny counties alone, the Liquor League &c., took away enough Whig votes to more than make Plumer's election. The same foreign cause, in those counties, gave enough Assemblymen and Senators to the Democrats to give them their majority in each branch of the Legislature.

The Democratic vote is 6,000 less than last year; the Opposition vote is 40,000 less.

Last year, the Democratic and Whig candidates for Canal Commissioner ran thus:

Scott, 1854	274,874	Forde, 1854	83,331
Plumer 1855	181,251	Orders 1855	154,231
Plumer less Scott	119,193	opposition gain	80,900

There are different ways of cypherin', and if the Plumer men can raise a hope or a hurra on such figures they are welcome!

One Week later from Europe.

HALIFAX, Oct. 21.—The Canard steamship Africa, arrived at this port to-day, bringing one week's later news from Europe, having sailed from Liverpool on the 13th inst.

The Liverpool cotton market dull, on the 12th inst., and prices were considerably lower.

Breadstuffs had slightly advanced.

The advices from the seat of war are interesting, although matters are quiet at Sevastopol, with the exception of an occasional shot from the Russian batteries.

The Allies are active on the Danube.

Kars still holds out.

A slight engagement has occurred near Kertsch, which terminated favorably to the Allies.

The Allies are threatening Perekop.

The bombardment of Odessa by the Allied fleets is expected to take place immediately.

BOSTON, Oct. 21.—Gov. Gardner has appointed the 29th day of November as Thanksgiving day in Massachusetts.

CONSTITUTIONAL AMENDMENT IN CONNECTICUT.—The official result of the late election on the question of so altering the Constitution of the State as to make the ability to read a necessary qualification for the exercise of the elector's privilege, has been ascertained. The amendment has been adopted by a majority of 4811.

ST. LOUIS, October 18.—The Lexington (Mo.) Express of Saturday publishes a rumor that ex-Gov. Reeder had been murdered at St. Josephs. The editor pronounces it a hoax, but says there is a rumor that Reeder had been fighting somewhere in the Territory but was not injured

A Complete Cure for Ague!

THE very extensive prevailing condition of this disease, and the fact that it is not known to the public that the undersigned is able to CURE AGUE, has induced him to make known to the public that he uses a preparation in use by no less than 2,000 American Eclectic Physicians, called **Restorative Wine Bitters.** This preparation acts on the Liver, Spleen, Stomach, Kidneys, indeed on the whole system, and brings it into a healthy and vigorous condition. Now when the whole system is brought into a perfect state of health, it is impossible for Ague to occur, which generally attacks the feeble, or those whose constitution has been broken by some cause. This can generally be done by our Restorative, and almost every case completely cured. Of course no disease can be cured that a man may not take it a—ing but we mean cured and brought into the same healthy condition as one that never had this disease, cured for this season if the person observes the laws of life and health.

N.B. This medicine should be taken from 3 to 5 weeks, dose a table-spoonful for 4 times a day, price of quart bottle $1.

Now if you are no friend of the Ague you will call and be cured. Lower end of Market St. Lewisburg. M. H. PERSHAM, M.D.

The University

IN this place will open its 17th Semi-Annual Session on the 4th of OCT. next. The Faculty is full and experienced, the number of Students so large as to secure emulation and mutual benefit, and of such an age as to render any pranks or violations of decorum unpopular and distasteful. The number last session was 133.

As the whole of the classes commence new studies next term, it is eminently the best time for new students to enter. In the College and Academy together, not less than twenty-five recitations occur daily, giving young men who contemplate but a brief stay in the Institution an extensive choice of subjects and enabling them to pursue branches suitable to their previous attainments.

The Female Institute opens at the same time under the three Ladies who have had the charge.

HOMŒOPATHIC Physician—would respectfully announce to the citizens of Lewisburg and vicinity that he has permanently located himself in this place, and asks a share of the public patronage, feeling assured that he can treat with unsurpassed success all curable diseases that the human family are prone to. In the treatment of diseases of females and children the great Homœopathic law stands without a rival; also in chronic diseases, that has baffled the skill of other systems, Homœopathy stands forth as a giant, claiming victory in almost every case.
