Repeal of the Division Law.

An alarm is attempted to be created, by some designing men, to the effect that idea is preposterous ! serious offorts will be made at the coming session of the Legislature, to repeal the Division Law, and re-unite Union and Sayder counties. The first we saw of this pretended movement, was in a paper formerly Whig, but now American-th editor of which warmly supported CRAW FORD and as warmly opposed STROUSE, on political, personal and sectional grounds. The Juniata Sentinel of 25th ult. said :

"We learn that Mr. MENNILL of New Berlin holds Mr. Srnovsa's pledge to use his effort for the repeal of the Division Law, We know not how much truth there is in the charge, but the vote of New Berlin, Mifflinburg, Union, Limestone, Jackson and West Buffaloe townships for Strouse, would give character to the report. We heard a gentleman from Mifflinburg state, in this place, that he voted for Srnouse mainly on the ground of aunexation."
