WORDEN & CORNELIUS.

Lewisburg, Pa.

FRIDAY MORNING, NOV. 30, 1855

ADVERTIZE—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large proportion of active, efficient producers, consumers and dealers as any in the State.

☞ See New Advertisements.

☞A Market St. Property For Sale—see Real Estate head, opposite page.

ELIJAH C MOORE, of the upper Hotel, is appointed Post Master at Harleton.

WM. CAMERON, Esq., of Lewisburg, is elected President of Northumberland Bank

☞The Pope wants alms to put up a College at Rome for the education of American Priests. American priests not to be educated in America!

☞The National American Council to nominate a President and Vice, is called, officially, at Philadelphia, 22d Feb., and a preliminary meeting on the 18th.

CONGRESS meets on Monday next, and there are so many rumors respecting its organization, that we copy none.

Mr. Greeley will spend the winter at Washington, and write for the Tribune.

SNYDER COUNTY.—First Court at Middleburg, for Arguments, &c., Monday, the 24th Dec. No Jury has been drawn. The "Old Church" having been offered free of expense for County uses, it has been accepted.—The United Brethren church edifice, in Middleburg, was dedicated, Sunday last.

☞Another sure indication of Court in Lewisburg, may be found in the advertisement of Mr. Weichselbaum, Optician. Since our residence in this county, Mr. W. with his spectacles has been one of the fixtures and accompaniments of Court week; and his fair dealing and abundant supply of wares have won for him a good and permanent business.

☞The New Berlin *Times* strikes, like a blind rattlesnake robbed of its sting, at everthing and everybody from Lewisburg Its impotency leaves it to be laughed at by all sensible well-informed men. The last object of its spite is S.S. Barton Esq. whose Democracy it attempts to impeach: where as, if Mr. B. is not an original, out-and-out, right-or-wrong, unflinching, indefatigable, unterrified, old-line Democrat, the article is not to be had in this county.—When the Prothonotary gets here, we do hope there will be one man the *Times* can endorse!

"*Another Change in the* STAR."—The numerous attorneys, etc., who for some years conducted the Star, and made it appear more like a wild comet than the fixed luminary of yore, last summer gave way to a preacher, who it was hoped would brighten its lustre; but this week he consigns it to the care of two Democratic Doctors—A. J. CROTZER and C. FISHER—by whom it will be hereafter conducted as an independent journal. The young men do not lack ability; whether they have the *patience* necessary to make their nurseling "pay," is a thing only to be determined by trial. We hope they will have the wisdom to start out on the cash plan.

The County Offices.

The Commissioners have taken a room on Market square, south side, rear of Linn & Verse's law office, where their Clerk will be found after this week, and we suppose the Treasurer at the proper time.

The Sheriff has his office with J. A. Mertz, Esq., on North Third street, east side, up-stairs, over Fitzpatrick's bookstore.

The Prothonotary, and Register & Recorder have the two rear rooms in the basement of the Baptist meeting-house.

These rooms are all near each other and near the Court Room, and are the most suitable that could be obtained.

Next Monday, the County Records &c. will be removed here. We trust those engaged in that service will not indulge the glorifying spirit exhibited by the Longstowners who forty years ago took the records from Youngmanstown; and also that the bells will not be tolled at the exit of the Tarstowners as they were at the departure of the Israelites!

"Presbyterian Banner & Advocate."

The *Banner* which started at Philada. under Rev. Dr. DAVID M'KINNEY, and the *Advocate* of Pittsburgh, have been united under the above head, Dr. M'KINNEY remaining at its helm. The paper is much improved in appearance, as well as patronage, and is but slightly advanced in price. ☞The Philadelphia Office for the paper is continued at the Bookstore of J. M. Wilson & Co., Ninth and Arch sts. Main office at Pittsburgh.

☞Col. A. K. M'CLURE has disposed of the *Franklin Repository & Whig* to Washington Crooks, Esq., and George Eyster of the *Transcript*, by whom the united paper appears as an open American paper under the name of Repository & Transcript. The price paid was the handsome sum of $10,200. We hope Col. M'Clure will, as is predicted, turn up again somewhere—say in Harrisburg.

[We since learn that Col. M'CLURE and Senator SELLERS have bought out the old Harrisburg *Telegraph* establishment, which they will hereafter issue in a double sheet form and on the Cash principle.

☞Dr. BEALE has been pardoned by the Governor, and has returned to his family, in poor health and broken spirits. The Governor stated that from the concurrent testimony of nearly 200 dentists and physicians, that persons under the influence of ether very often imagined events which never occurred, he is convinced that Dr. B. was not guilty of the crime for which he suffered, and he therefore pardoned him.

☞We are requested to direct public attention to the want of a bridge over the Race directly between 3d St. and University Avenue. The wide gully there having been bridged and graded at great expense, a straight bridge to connect the two would not only be the most easy and pleasant to view, but is absolutely essential to safety in traveling, at least in the dark.

☞An old lady once remarked that we always have some kind of weather at this season of the year," and the remark is true. Sometimes sunshine and sometimes rain, some times cold and sometimes warm and then sometimes the whole beautifully mixed up together.

☞The New Berlin Town Council urge upon their citizens the planting generally of shade trees. A good measure, which should be followed by all towns. In the fall, winter, and early in the spring, whenever the soil will admit of it, is the best time for transplanting.

GOVERNOR OF WISCONSIN.—It seems settled that Col. Bashford, the Republican candidate, has been elected over William A. Barstow, the present Democratic incumbent. So Free State after Free State has repudiated Nebraska Democracy.

☞Thos. J. Rusk is re-elected U. S. Senator from Texas, and Benj. Fitzpatrick from Alabama—both Democrats and Slavocrats.

☞No decisive Foreign News since our last. The Atlantic, due yesterday morning, has not been heard from as we go to press.

HEALTH AMONG THE FRIENDS.—It is stated in the Friends' Intelligencer, that from statistics, recently published in England, whilst the average duration of human life is estimated at thirty-three years, that among the Friends is an average of fifty-one years. Eighteen years thus added to the average of human life, is a fact too remarkable not to challenge medical attention, and lead us to a close investigation of the laws of life. The Friends act out the principle, that

"Heaven's whole pleasure, all the joys of sense,
Lie in three words, Health, Peace and Competence;
But health consists with Temperance alone,
And Peace, O Virtue! Peace is all thy own."

ILLNESS OF SENATOR DOUGLAS.—The attending physician of Senator DOUGLAS, whose illness at Terre Haute, Ind., has before been mentioned, writes on the 19th inst., that at that time there was no change to warrant it safe in saying when he would be able to leave his room. He had been seriously ill for the previous three weeks, and when the letter was written he was not in a condition either to write or dictate.

CHRISTIANITY IN BURMAH.—A Baptist missionary in Burmah writes that in the region of Toungoo, some thirty or forty zayats have been built; that about one thousand had been baptised on the mountains of Shwaygyeen; about as many have been baptised in Toungoo, while three thousand are still requesting the rite.

GEORGIA SCHOOLMASTERS.—Two of the most prominent freesoil members of the United States Senate, in early life, taught school in the State of Georgia, viz: Lyman Trumbull, of Illinois, and Wm. H. Seward, of New York, (both anti-slavery.)

VALID REASON.—A. F. Leonard, editor of the Norfolk Argus, being nominated by "Many Voters," (who makes a great many nominations) as a suitable person to represent that city in the Legislature, declines the proffered honor, "*because*," he says, "*I want to get to heaven.*

M'lle Rachel, the Jewish tragedienne, has been obliged to quit Philadelphia, giving up all her northern engagements, and going to the South for the preservation of her health.

☞The trial of rowdy Baker for the murder of rowdy Poole has commenced in New York.

☞The regular monthly meeting of the Society for Moral and Religious Inquiry, will be held in University Chapel, Sunday, 2d Dec. next, at 2½ o'clock, P.M. Report by Mr. F.W. Jacobs, of Philada: Subject—the connection between Science and Religion. The public is respectfully invited to attend. J. A. OWENS, Sec.

LEWISBURG TEMPERANCE SOC'Y.—The next meeting will be held in the Lutheran church, Tuesday evening next. Address by Pres. Malcom. An invitation will be extended to any who may be present desirous to address the meeting.—Nov 28.

☞The Officers of the Union County Agricultural Society will meet at 1, P M, Tuesday of Court week, at the Office of J. A. Mertz, Esq., Lewisburg.

JACOB GUNDY, President.

PLEASE READ AND CIRCULATE.

LEWISBURG CHRONICLE.

$1.50 per Year always in Advance.

This Independent Family and Agricultural News Journal is now in its TWELFTH Year, and has won its way to a circulation and Advertising patronage unexcelled in this region. With the County Seat at Lewisburg, and former disturbing local questions we hope settled, the CHRONICLE will hereafter be better situated to give County News at the earliest dates, and in all other respects will keep up with its advantages. Now is the time—at the commencement of the new order of county affairs—for those who do not already take, to subscribe.

Politically, we are the subjects of no party, and no party is responsible for our course. Our plan is to spread the Platforms and Nominations of all parties fairly before the People, for them to judge between them. But we shall continue to advocate the cause of Freedom and Right over the aggressions of Slavery and Wrong—of American men, and American interests, against the wiles of Foreign influence, and the injury of foreign pauper labor and taxation; and whoever, and whatever practical party shall appear most consistently favorable to those paramount objects, shall have our best wishes and co-operation.

Clubs.—To reward efforts to circulate our paper in neighborhoods where it has not heretofore, we offer the following rates ☞FOR ONE YEAR ONLY: Clubs of 5 or more, $1.25 each, cash in advance; of 10, $1.00 each; all over 10, $1 each, and an extra to the getter up. It should be distinctly stated to all who subscribe, that these terms are for one year only, after which $1.50 will be the rule to all.

Try the CHRONICLE one year—only 3 cts. per week—no postage within the County—containing the latest Telegraphic news—and stopped when the time is up for which it is paid.

☞Court Week will be a favorable time for sending or bringing in subscriptions; and the Mail is always open, at a trifling cost.

HOLLOWAY'S OINTMENT AND PILLS, a certain Cure for Scald Heads.—Henry, 12, Maria, 10, and John Amer, 9, of Apalachicola, Florida, were all three affected with this disagreeable malady: Maria in particular was in a wretched plight with it, and although there were many remedies tried, yet the malady did not seem to decrease, indeed the disease spread itself all over the surface, to the great annoyance of the parents and discomfiture of the child; the blood of the others was equally impure. At last the parents put the three under a course of Holloway's ointment and Pills, which cured them all in the space of nineteen days. These remedies are also wonderfully efficacious in all diseases of the skin.

J. Franklin Harvey, M. D.,

HOMŒOPATHIC Physician—would respectfully announce to the citizens of Lewisburg and vicinity that he has permanently located himself in this place, and asks a share of the public patronage, feeling assured that he can treat with unsurpassed success all curable diseases that the human family are prone to. In the treatment of diseases of females and children the great Homœopathic law stands without a rival; also in chronic diseases, that has baffled the skill of other systems, Homœopathy stands forth as a giant, claiming victory in almost every case. All ye afflicted, give it a trial; it will not cost you much. Try before you condemn.

Dr. H. is a regular graduate of the Homœopathic Medical College, of Pennsylvania, (Philada.)
