## Lewisburg, Pa.

FRIDAY MORNING, JAN. 25, 1856

ADVERTIZE—Manufacturers, Merchants, Mechanics, Public officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers as any in the State.

☞ **See New Advertisements.**

☞ There is a perfect carnival of sleighing just now—for everybody except the printers.

☞ An accident on the Reading Railroad yesterday, delayed our Philad. mail about five hours.

READING ADLER.—This "Berks County Bible" is now 60 years old, and grows strong and vigorous with age.

☞ Gov. BIGLER has authorized the *Pennsylvanian* to state that he is a fast friend of Mr. BUCHANAN for the Presidency.

☞ John Overton Choules, D. D., an author and preacher of note, died in New York, after a few days' illness, the first of the present month.

☞ It is stated that there is a certainty of stock being taken, sufficient to start Gas works in our town, upon the organization of the Company.

☞ The Public School House of Lewisburg is so thronged that it must *swarm*—next Monday, a new school will open in the house on South Third street.

☞ Gov. POLLOCK, with a large number of Miltonians, paid their friends in Lewisburg a visit in sleighs, last evening. The Governor looks well, of course.

☞ The *Bradford Argus* quite often concurs with the *Chronicle* in opinions not only, but also, word for word in expressing them! Happy to agree with the Judge so fully.

☞ We are told that "the machine" was out of order for fires, during the recent cold weather. QUERY: Would it not be as well, the coming season, for our Boro' to furnish means to fight fires, pay off its debts, and postpone street improvements a year or two? Voters! think of it before the March election.

2. Banks is a sound American, and will not subordinate his Americanism to anything.

3. I am voting with the whole American delegation from our State, with the exception of Millward and Broom, and am receiving letters from all sections of the district approving my course.

J. J. PEARCE."

One day, when the poor old creature was engaged in washing, her strength failed, and this abominable monster went to work and kicked and abused her in such an awful manner that in three days she was a corpse. These are the circumstances as related, and it is certainly a case that should be inquired into, and if proven to be correct, the guilty wretch should not be permitted to escape the punishment he so well deserves.".....A case of house robbing, another of $10, stolen, and two committed to jail for street fighting last week, grace the annals of Williamsport.

HOLLOWAY'S OINTMENT AND PILLS.—As a certain Cure for Scurvy.—Edward Hope, of Charleston, South Carolina, suffered more than most people from the scurvy, and the whole of his body was covered with this unsightly eruption; he tried a great number of reputed remedies, but he was not benefited by the same, indeed, it became doubtful to his friends, whether he would ever overcome this disfigurement. At length he tried Holloway's Ointment and Pills, and these two medicines quickly produced a beneficial change, by continuing with these excellent medicines for eight weeks, he was radically cured.

GUTTA PERCHA

For Artificial Teeth....Having purchased the right to use Dr. N. B. Slayton's "*Colored Gutta Percha*" as a base for artificial teeth, I am prepared to insert sets by this process.

Some of the advantages Gutta Percha has over gold or any other metal, are, the certainty of an accurate fit, flexibility without danger of destroying the fit, it is softer and much more congenial to the mouth, therefore less liable to make it sore; it is altogether unaffected by secretions of the mouth, (it has been subjected to the test of powerful acids) and the natural contour of the gum can be more perfectly imitated than by any other process.

Any one wishing it can have a set inserted, and not liking them can have them exchanged for a set on gold.

Dentists residing in Union and Snyder counties, can receive instruction and Office Rights on reasonable terms.
