out the Cherry Portoral, where sul Repeated instances are reported here of patients who have been sured from LAVER COMPLATNES by this remedy, so many that farmes are reported here of patients who

there can be no question of its heating power on these diseases. It should be perceivingly taken built the pain in the side and other unplement symptoms crass. FOR CONSTMPTION in its callest stages, it should be taken source the attrives of a group Hyperimi if possible and in every case with a careful regard to the printed incertows on the built. If judginaly used, and the pa-timet is carefully nursed meantime, it will seldem full to abdue the disease.

The states of the terms. In polycome week and the pe-thest is arefoldly unreaded meantime, it will related in fail to sublise the disease. The settled CONSULTION in its weest form, the Cherry Pettersi should be given in descentations when the pattern requires and can bear. It always affords considered past all curs. There are many thousands settlers all over the country who feel and any that they one their lives and present health to the there Pettersid. Many years of trial, instead of impairing the pathic render on this modeline, has won for it an apprecia-tion and nodericity by far exceeding the most comparise systems of the nominability being out its internsic eventues of software, could eviduate and maintain the re-viation it enjoys. While many forting out its internsic much the conjust, have failed and been disarded, the has gained from by a very that, conferred basefits inten the community never trial, conferred ben this has gained froming by every trial, conferred ben on the afflicted they can never forget, and pred-curse too numerous and commissible to be forgotten. While it is a traud on the public to pretend that one methods will infallible cure-still there is also

While it is a fraud on the public to preised that any one methetics will infailible curre-still there is abundant proof that the Cherry Pecteral does not only as a coveral thing, but almost invariable cure the unladies for, which it is employed. As time makes these facts wider and better known, this methetic has gravinally become the best reliance of the afflicted, from the log-abin of the American Penamic, to the paisses of European Kings.
