WOMEN & CONGRESS, Lewisburg, Pa.

FRIDAY MORNING, MARCH 7, 1856

ADVERTISEMENTS.—Manufacturers, Merchants, Mechanics, etc., who wish to insert their names, or any other kind of advertisement, will find it most desirable to send them to the publisher.

See New Advertisements. JOB PRINTING.

We have recently added a number of varieties of JOB TYPE to our former good assortment, making OVER 60 STYLES

of type, large and small, with a good variety of borders, and most respectfully solicit a trial of them by those wanting anything in the way of HANDBILLS,

CARDS, Circulars, Labels, &c. The use of these by merchants and business men generally is more common in most communities than in ours.

A larger range of operations may be gained by a constant "keeping before the people" of the TRADE, OCCUPATION or PROFESSION of any man; and a nearer approximation to a Cash business may be made with patronage attracted by this means.

We think we have the materials and the experience—the taste and the tact—to execute all kinds of Jobbing expected from a Country Office, in a style not excelled—on reasonable terms—and on prompt time. CALL AT THE "Chronicle" Office.

Our neighbor GEORGE SCOTT of Catawissa is "up" for Canal Commissioner. Fat and fun-loving—formerly of Bradford county—easy and "cute," he'll get along as well as either of the old corporators, his associates.

He is a son-in-law of Col. Joseph Paxton, a leading Whig of yore, but who this year petitioned the Penn. Legislature to allow slaves to be taken thro' our State at the pleasure of their owners!

Congress has effected but little the past week. The House Committee on Elections have reported the reasons why they desire to send for persons and papers in the Whitfield and Rector case; but the Democrats and Pro-Slavery Americans seem determined to fight, step by step, against the desired investigation!

From the proceedings of a meeting held to consider the subject, it will be seen that a resolute effort is to be made for holding a UNION TEACHERS' INSTITUTE, on a large and liberal scale, at Lewisburg, commencing the last day of this month, and to continue two weeks. Arrangements are being made to board female members without charge to them, and Male members at low rates, but \$1 Tuition fee will be required of all. Messrs. Heckendorn of Snyder, Reimensnyder of Northumberland, and Cocking of Montour—Common Sch'l Superintendents of their respective counties—have united in the effort, and members from other counties also are expected. The Institute is to be conducted mostly by Prof. SWARTZ, of New York, who has had ample experience in the management of Institutes, in several States, and who is as we suppose well qualified to conduct an assemblage of this kind in a useful and pleasant manner.

(Circulars, explaining more fully the object and plan of the Institute, may be had at the Chronicle office.)

New Britain.—The second half of the first session of Union Seminary will commence on the 3d of April next, when also a Ladies' Department will be opened, and a separate boarding house for ladies will be kept by H. D. Maize.

On Thursday last, as Wm. Roshong was engaged at sawing wood with a circular saw, he had his left thumb accidentally cut off by the saw.

John Swineford was admitted to practice at the Bar of Snyder county.

Daniel Weidensaul has our thanks for another club of ten subscribers from LAURELTON, in Hartley Tp. A pack of 25 Chronicle at a new Post Office, shows not only the utility of the Office but also the increasingly reading character of the population.

On the opposite page will be found a notice to those who wish to appeal from their State or County Taxes for 1856, to appear and state their reasons, "or for ever after hold their peace."

A large number of valuable Horses, Cows, &c., will be found advertised in to-day's paper.

Advancement of Education. A meeting of citizens of Lewisburg was held at the office of G. F. Miller, Esq., on Tuesday, 4th March, 1856, for the purpose of taking into consideration the subject of holding a Teachers' Institute for Central and Northern Pennsylvania, in this place.

JAMES P. ROSS was appointed Chairman, and James Hayes, Secretary, of the meeting. After some remarks, from Prof. Sweet, on the nature, importance, and method of holding an Institute, it was on motion of Prof. Walker, Resolved, That Prof. S. R. SWERTZ be invited to hold a Teachers' Institute in this place during the 1st and 2d weeks of April.

On motion of Peter Beaver, the following gentlemen were appointed a Committee of Arrangements, with power to add to their number, to wit: Prof. H. D. Walker, Rev. P. B. Marr, Samuel Golden, Peter Beaver, S. Ritter, Thomas Hayes, James P. Ross, and R. H. Laird.

Resolved, That Prof. Sweet be requested to deliver a Lecture on the nature and importance of Teachers' Institutes as a means to the efficient training of Teachers for our Public Schools, on Monday Evening next, (March 10th) in the Christian Church, Lewisburg.

Resolved, That these proceedings be published.

CENTRAL.—The barn of Benj. Hutton, on Bald Edge, below Milesburg, was consumed by fire on Sunday evening, 24th ult.—The Center county papers are all "Democratic"—viz: the Democrat, the Patriot, the Recorder, the Democrat, the Whig, the Times, the Democrat, the Watchman, at Bellefonte; but all talk "Democracy" in different ways.... Messrs. Humes, M'Allister & Co. have started a Banking House in Bellefonte—Wm. M. Murray, Cashier.... Mr. Oliver, of Aaronsburg, tried for the murder of his child, was acquitted.

LYCOMING.—One of the American Commissioners having removed from the county, the Court appointed Mr. Dutch, of Wampport, in his place. This gives the Democracy the Board, and they have taken the county printing from the Muncy paper and given it to the two Democratic papers in Jersey Shore.... A man has been sent to Jail for larceny in Salladasburg, where he had been "buying" largely, and passing himself off for a rich man.... Williamsport and Hughesville were carried by the Americans at the Spring election.

MIFFLIN.—Andrew Somers, of Reedsville, was sitting in a railway car, when a locomotive ran into it, causing a fatal injury to him, and severely wounding a colored man from Baltimore.

Our correspondent \*\*\* insists upon it that he is exactly right on the steak question. He says: "Now, Mr. Editor, I am prepared to prove that all the articles named in mine of the 20th have been brought to this market in abundance, and in no instance have I paid more than what I have them quoted at; and if your correspondent has been in the habit of paying more, it is his own fault, for not attending market in seasonable hours. I doubt very much whether he pays much attention to the market, from the fact that I seldom see him there, and I am sure he does not have the time that I have to acquaint himself with these small matters." If it comes to "pistols and coffee for two," the State Treasurer promises us he will interfere, and see fair play.

The American Baptist Memorial, Richmond, Va., has secured as editors, in addition to Rev. Dr. Burrows, Rev. Dr. Manley, (who is also its Publisher,) and Rev. Prof. Curtis of Lewisburg, Pa.—a strong team for a small effort.

Dr. Manly is also President of the Richmond (Va.) Female Institute, established in 1853 at a cost of \$70,000 for the superb building in which it is located. It enjoys a large measure of prosperity, and has 14 female and 4 male Instructors employed.

By the proceedings of the Union Agricultural Society, on our first page, it will be seen that its finances are well managed, and also that "Lewisburg" has not claimed the privilege of having the FAIR next fall. The Society still leave the question open, for contesting by either of the "ancient metropolises," or any other locality that may desire it.

On Saturday last, a small child of Thomas Search, in Chillisquaque Tp., was near a tub of boiling water, which accidentally falling over burnt it on the lower part of the abdomen, hips, legs, and feet, very severely, but it is hoped not fatally.

U. J. Jones' History of the Juniata Valley is announced as about ready for sale. Price \$2.00. It will be sent by mail for that sum and six postage stamps, received by the author at Hollidaysburg.

Feb. 26, in Senate, Mr. Taggart presented nineteen petitions from citizens of Snyder county for the repeal of the act erecting said county; also, sixteen petitions from citizens of Union county of similar import.

In Senate, Feb. 27, Mr. Taggart presented remonstrances from citizens of Union and Lycoming counties, against laying out a State Road from Lewisburg [via Forest Iron Works] to Hunter's Mills, Lycoming county.

In Senate, Feb. 28, Mr. Sellers (Canals, &c.) reported as committed bill to authorize the erection of piers in Buffalo Creek, Union county.

Prof. T. F. Curtis will preach for the Methodist Church Lewisburg at 10, A. M. of Sunday next.

Cold, but some sleighing yet.

HAVING A GOOD TIME OF IT.—The editor of the Pittsfield (Mass.) Eagle, owned from his office window, the other day, two six-horse sleighs, fourteen four-horse, nine two-horse, and any quantity of single teams, all from Lee, conveying 330 individuals, all bound to have "a good time."

SEIZURE OF BREAD.—On Wednesday last, the police of Montreal seized two hundred and ninety loaves of bread at the different bakeries, on account of their being of light weight, and distributed them among the charitable institutions of that city.

A FAMILY FROZEN TO DEATH.—John C. Hess, late of Sugarloaf, Columbia Co., Pa., together with his wife and eight children, were frozen to death recently, on an Illinois prairie, while traveling with an ox-team.

NEW YORK, March 4.—Wm. O'Brien was arrested, this morning, on the charge of enlisting men in Philadelphia, for the Niagara army. He will be sent to Philadelphia for trial.

During the recent cold weather, it is stated a span of horses came to a tavern on a prairie, in Minnesota, drawing a sleigh in which were the bodies of five persons unknown—frozen to death!

HIGHLY INTERESTING CASE.—A young man, who was afflicted with rheumatism, and who had been in bed for several months, and who was unable to get up, was cured by the use of Dr. J. C. Hayes' Ely's Ointment.

FITS! FITS! FITS! Persons laboring under this distressing malady, will find Dr. J. C. Hayes' Ely's Ointment, the only remedy ever discovered for curing Epilepsy or Falling Fits. These Pills possess a specific action on the nervous system; and although prepared especially for the purpose of curing Fits, they will be found of especial benefit to all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever.

New York, Feb. 28.—The Steamer Star of the West, from San Juan, arrived this morning. She left San Juan on the 23d inst.

On the 10th inst, a decree was promulgated in the city of Grenada, claiming and annexing the whole Mosquito territory as an integral portion of Nicaragua.

Shortly afterwards the diplomatic corps, headed by Col. Kinney, arrived at Grenada from San Juan, and had an audience with Gen. Walker. On the following day, Col. Kinney was placed under arrest, and subsequently banished from the territory of Nicaragua. He was sent under the charge of Major Martin to the Atlantic seaboard.

The following is the special committee appointed by the Speaker of the U. S. House of Representatives in relation to the railroad between the Atlantic and Pacific: Messrs. Denver, of Cal.; Woodworth, of Ill.; Houston, of Ala.; Mott, of O.; Wells, of Wis.; Kidwell, of Va.; Jewett, of Ky.; M'Carthy, of N. Y.; Evans, of Texas; Reade, of N. C.; Wood, of Me.; Ludlow, of Mo; and Kunkel, of Pa.

The bill to incorporate the monastic order of the Franciscan Brothers was trotted to death by the Democrats of the Pa. Senate in committee. It was reported with a negative recommendation, on the ground that the courts have jurisdiction in the matter.

We shall soon need a committee of inquiry to determine whether the Democracy of the Senate or the Democracy of the House is the real Simon pure article.
