What constitutes Democracy?

[This question, which has exercised the faculties of the best intellects, North and settle1, judicially; and, therefore, there for the Spring trade, comprising will be no need, on the part of the faithful, to attempt to solve the riddle by wading through the platform of 1852, or the more recent emanations of political metaphysicians. If the editor referred to in the subjoined paragraph should succeed in recovering the subscription from his refractory "patron," then the files of the Alton Expounder will hereafter be the text-book for the Democracy, and stereotyped copies will be in great demand .- National Inteligencer.

"The courts of Illinois have for decision puzzled the brain of a judge. The question is, What constitutes Democracy?" paper,' but afterwards refused to pay his will be expe-Democracy did not esincide with his own. The editor sued for his money. Several prominent Democrats were called to the stand, but the testimony as to what Democracy is, was decidedly incongruous and conflicting. The justice decided in favor of the editor, but the subscriber took apexpected in taking testimony on the main question. The only way to get at a just decision of the difficult problem is to summon John Van Buren and some distinguished Southern politician. If they are not competent to define democracy as it is Kline's Hotel, in the year 1856, the courts will be obliged to give up the case as insolvable."

SINGULAR TASTE.-There is in the possession of a farmer near Bloton, England, sional services to the people of Lewisburg and a jack ass, which is known to be fifty years ve of age. He is named "Billy," and pre-Grier's,) one door below J. L. Yoder's Jewelry April 16, 1855. fers tobacco to any other luxury. He is likewise very fond of a pinch of snuff. Our informant (says an English journal,) has, within these few days, seef Billy masticate a large quid of pigrail with as much relish as any Jack tar in her Majes-ty's service. When he had finished the sound services to the public, and from long ty's service. When he had finished the tobacco a pinch of strong rappee was administered, which Billy souffed up with- hom.-Kelly To. Union Co. Feb. 4, 1856 [4m] out the least demur, and curling up his olfactory organ, delivered one of those charming solos peculiar to his species.

A SAD WARNING -A young gentleman who had been educated for the profession of a daudy, not having the means to par set himself up in business, had turned his attention to loafing, with considerable ability as an amateur, was found dead, a short time since, in Pittsburg, having evidently died under particular shocking circumstances. In swallowing a lump of molasses e ady, the sticky edible had caught the end of his mustache and pulled it down his throat, and a painful death was the PURNISHING GOODS, also agree as to whether it was the result of strangulation, or poison by the nitrate of silver in the hair dye with which the mus-
