

Lewisburg Chronicle

By O. N. WORDEN & J. R. CORNELIUS. JULY 4, 1856.

For the Lewisburg Chronicle. Alas! poor Poppy! even in your unfortunate degradation, an appeal to the fountain head is unnoticed.

Freedom for Kansas! REPUBLICAN NOMINATIONS. JOHN C. FREMONT OF CALIFORNIA. WM. L. DAYTON OF NEW JERSEY.

THE CAMPAIGN—We will furnish the CHRONICLE from next week until the close of the Presidential Election, at 50 cts. per copy, or twelve copies for \$5.

A TEST VOTE.—On Monday of this week, the vote was taken in the lower House of Congress on the Free State and Republican Constitution—a measure sanctioned by precedents, and which would quench the flow of blood in that unhappy land as well as make whole the "plighted faith" of the nation.

THE REPUBLICAN MEETING at Ammons' Hall, Tuesday evening last, was well attended, and a Constitution for a Republican Association was adopted.

THE WEST BRANCH VILLAGE RECORD and the Lancaster Whig run up the Fremont and Dayton flag. The enthusiasm for the ticket reminds us of the days that carried Gen. Taylor into the Presidential chair, with an overwhelming majority.

ON last Thursday a young man named Frederick Keek was drowned in the river at Barwick while endeavoring to swim across the Falls. He is supposed to have been from Reiststown, Baltimore county Maryland.

HON. A. G. CURTIN delivered a literary address at the Anniversary exercises of Dickinson Seminary, in Williamsport, on the evening of the 16th ult.

ABOUT half the speakers at the evening meeting in Philadelphia, Tuesday filling last, are slave-owners—buy and sell the bodies and souls of men!

Investigating Committee's Report. The Frauds all Proved!

[WASHINGTON, July 1.—The House, after much opposition on the part of the Slaveocracy, proceeded to hear the Report of the Kansas Investigating Committee as read by the Clerk.]

The report shows that, as soon as the bill to organize the territory of Kansas was passed, a large number of the citizens of Missouri went into the territory and held squatter meetings, past resolutions denouncing Abolitionists, and declaring that slavery existed therein.

During the winter, very great excitement existed on account of the invasion; public meetings were held, and much bitter feeling was manifested. In February, 1855, a census was taken, and the number of legal voters was ascertained to be two thousand nine hundred and five.

The investigating Committee had before them the poll books, census rolls, etc., showing who were legal as well who were illegal voters, and from accurate and authentic absolute proofs it appears that, of about six thousand three hundred voters, five thousand were those of non-residents.

THE COMMITTEE took a large mass of testimony regarding the proceedings in the Legislative Assembly, which they say are characterized by recklessness and injustice. They likewise speak of the crimes, such as murders and robberies committed, which were frequent, saying that in no case, with the exception of McLean, (a Free State man), was there any arrest, indictment, or prosecution for these offenses.

THE REPORT contains full and complete details of everything connected with the Territory of Kansas, prior to the 19th of March last, and says it is clearly and distinctly proved that Samuel J. Jones, the Sheriff, was the cause of recent disturbances, in which he so prominently figured.

AT Money there have lately been some cases of small-pox in that irregular form known as "crystalline" by medical men. So far only one case has proved fatal, and that was a child of very delicate constitution.

WASHINGTON, July 2.—Mr. Herbert, member of Congress from California, was indicted to-day for the murder of Thomas Keating, and committed to jail to await his trial.

THE only German paper in Cincinnati that boisted the names of Buchanan and Breckenridge, is the Volkfreund, a daily Catholic journal.
