Lewisburg, Pa. FRIDAY MORNING, JULY 4, 1856

A DVERTIZE! - Manufacturers, Merchants, Mechani Public Officers in City and Country, Fublisher A DVERTIZE: Manufacturers,
Publis Officers in City and Country, Publishersall who wish to hap or self—until do well to employ the
columns of the Lexislary Chrowste, which has a barge
and increasing circulation in a community containing a
large proportion of active, solvent producers, consumers
and dealers, as any in the State.

ar See New Advertisements.

We have received an interesting comminication, on a subject of local interest and importance to Lewisburg and vicinity. We se to lay it before a Public Meeting, to A valuable Town Property for sale:

see Real Estate head. Mr. Dallas is not dismissed. The

prospect of continued peace is favorable. A variety of original matter on our

The Border Ruffians have recently met two companies of Free State emigrants on the Missouri, disarmed and plundered them, and drove them back to Illinois!

At the recent Commencement of the Columbian College, Washington, D.C., the honorary degree of Doctor in Philosopby was conferred upon Prof. Charles S. James of the University at Lewisburg.

NEW BOOK STORE .- Messrs. Murray, Young & Co., are just opening a large assortment of Books, Stationary, &c., at the store room of Peter Nevius in this borough. Call and examine their extensive stock. The assortment is good, and a good Bookstore is needed in Lewisburg.

The proposed Amendments to the Constitution, are published 'by authority' in another column, and will command attention. If approved by the next Legislature, they will then be submitted to a pepular vote for approval or rejection. It will be seen that the names of our candidates-LAPORTE and PHELPS-are in the affirmative of every proposition but one.

ACCIDENT .- Mr. ISAAC STEENER, of this place, was severely injured Monday morning by the upsetting of his wagon. He was driving an ox to his slaughter house, and in turning the corner of Market and Race Sts. in pursuit of the animal, the wife, though, is somewhat induced to believe she may have had not entry you will find five dellars, him with much force upon the ground. He received a severe gash on the back of his

Mitchell's New National MAP.

THIS is the only large Metallic Plate Map ever published in this straig the United States, Mexico and Central America in their proper connection. It is on a larger scale than any Map published for general circulation, embracing tices of preaching, in Lewisburg, Sabbath United States and Territories from the Atlantic to the Pacific Ocean.
It is the latest Map of the United States

At the Uhristian house—Eld J. Weeks, Genesee Co, N. Y. morning and D.P.M.

At the Presbyterian house—Rev. J. B.

dams, of New Berlin, 104 A. M., and 4.

It exhibits the Rail Roads more distinctly than any other general Map.

Being finely engraved on copporate physi-

cal features and geographical characteristics of all parts of the country are more clearly and distinctly delineated than on the Lithographic Map.
Nogeneral Maps previously published show sals and Sand Banks in the Vicinity of

the West India Islands, this feature being heretofore confined to Marine Charts. The Map of Sandwich Islands is on a larger scale than before exhibited in any Ameri

can publication.

The various acknowledged and disputed houndaries of the several Central American States, including the claims of the Mosqui King at different periods, are correctly designated also the different points suggested as proper for constructing Rail Roads, Canals

&c. throughout this country. (Central Ameri-ca) and Mexico are indicated. A table giving the distances by Rail Roads States, and by different overland routs across our unsettled Territories of the Parific, as Well as distance by some the parific, as . My to the principal places through well as distances by water throughout all 20 BUSH. Dried Apples for sale by parts of the World, also the height of principal Chamber 1. parts of the World, also the height of principle mountains and length of principal river on the Map is much more full and valuable than usually accompanies a general Map.

The table gives the population of all the counties in the United States, according to Census of 1850, and area of all States and Territories are of great value.

sition and comparative size of the different divisions of the Globe are distinctly shown.

By the Map on Mercator's projection, the World is shown, as if viewed by one glance from the United States. This is done by placing the American Continent in thecenter, which also gives a definite idea of the value of a ship canal through Central America, and Ocean across the United States, through which the commerce and travel of the World must pass. Mr. F. TAGGART, of Wayne Co., is engaged in canvassing Union and Snyder counties for the above work published by S. AUGUSTUS MITCHELL, Philad.

FARM MORTGAGES

of the Racine & Mississippi R.R. THE subscriber has for sale an additional supply of the above Mortgages through a friend who is personally acquainted with the Farms morigaged. The morigages are in sums of \$500, \$1,000, and \$1,500. The security is three-fold: the note of the mortga-ger, the mortgage, and the bond of the Company. The facms mortgaged are in Carroll county, Illinois, valued at double the amount, and free from any other incumbrance, as cer tified by the Clerk of the Court. The mortgages run five years, and pay ten per cent annum, payable semi-annually, in New no security can be better. Persons having ly and profitably, would do well t lese securities. A. K. BELL. Lewisburg, June 6, 1856. 3w

To Collectors and Tax Payers. A LL persons paying their taxes for A the year 1856, to the Collectors of the different Townships and Boroughs of Union county on or before the 9th day of July next. will have an abatement on their State tax of 5 per cent. allowed them by the Collectors. It person in his duplicate an opportunity to pay his taxes before that day, and we also hope that the tax payers will heartily respond to this matter, as they will thereby gain at least 5 per cent, on their State tax; and which will enable the Treasurer to pay the State tax of our county into the State Treasury, on or before the 15th of July, according to law; like wise, all Collectors must have the

amount of their respective displicates settled by the February Court of 1857. GEORGE SCHOCH. RICH'D V. B. LINCOLN, JACOB HUMMEL, Commissioners.

A. KENNEDY, Clerk. Commissioner Office Lewisburg, May 29,1856 OHEAP SHOES.

THE undersigned wishes politely to cinity, that she has just received, and will of-fer for sale, at her residence, on North Fourth Street, & doors north of St. John's st. and respectfully solicits their patronage.

Lewisburg, June 6, 1856

Herring's Safe again the Champion!! their entire contents in the late Extensive Fires

the 16th of April, and in the GREAT FIRE in Market Street, May 1st, 1856, the genuine Hanning Sars pre served the Jewelry of Geo. Papers, &c., of Fisher & Bro., and Edward Semans &

Co., after remaining exposed in the burning ruins for nearly FORTY HOURS, and proving conclusively what we have always claimed for them, their great superiority over all securities now known.

In these fires, the Herring's Safe, standing side by side with those advertised as "warranted to stand 10 per cent, more fire than Herring's," came forth the acknowledged victor, and only preserving ther contents in excellent der, but bring themselves in a corollient to go throu-amother arched, while the boasted 's an another arched, while the boasted 's an another arched, while the boasted 's another were bedly used up in every instance, and some cases their artifer contents completely destroyed. ome case their unifer contents completely destroyed.

To the public we would simply say that during the fourtees, years the Herring's Safe has been before them, more than two burstered have passed through accidental first without the occurrence of a single ise.

We would, therefore, caution purchasers against the misrepresentation of interested parties. The Herring's Patent is the only Fire proof Safe made in this city which is protected by a Patent Right, and we will normarise it to resist more than double the amount of heat of any other Safe now known.
