WORDEN & CORNELIUS.

Lewisburg, Pa.

FRIDAY MORNING, AUGUST 15, 1856

ADVERTIZE!—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large proportion of active, wealth producers, consumers and dealers, as any in the State.

☞ See New Advertisements.

THE CAMPAIGN—We

will furnish the CHRONICLE from this week until the close of the Presidential Election, at 38 cts per copy, or 10 copies for $3.

☞ Among the members of the Fremont Club of Lebanon, we observe the name of A. R. BOUGHTER, the Democratic candidate for Congress in opposition to J. C. KUNKEL at the last election.

J. J. LEWIS, the leading Democratic lawyer of Chester County, has joined the Republican party.

C. M. JOHNSON, the "Dunmore Blacksmith"—the most influential Democratic speaker in Lancaster for twenty years past, resigns his place on the Democratic ticket, because he is going for Fremont and Freedom.

STEWART PEARCE, Esq., lately a Democratic Member of the Legislature from Columbia, is speaking for Fremont.

Hon. JOHN J. PEARCE declines a re-election to Congress from the Lycoming district, and expresses a preference for Gen. WM. H IRVIN, of Mifflin County—who is a candidate for the nomination—as his successor.

JAS. T. HALE, of Centre County, will also be a candidate for nomination to Congress by the American Republican Convention.

☞ In our advertising columns will be seen a call for a meeting to organize the Lewisburg, Centre and Spruce Creek Railroad Company, to be held at Centre Hall, at the public house formerly kept by Henry Witmer, on Tuesday, the 2nd day of September next. The efforts of those under whose auspices the Charter and subscriptions were procured deserve all credit. Their energy and prudence assures us that the Road will be put in operation at the earliest possible moment. Their endeavors should be warmly seconded along the whole line of the projected improvement, but more especially in those localities where the subscriptions are not proportionate to its wealth or the benefits which will be derived from the road.

☞ A friend assures us that the M'Cay who attempted to interrupt the Fremont meeting, was not the bold challenger who backed out, but a brother, and that he was not armed with deadly weapons. On the latter point we are otherwise advised, but give him the benefit of a denial. There was another "M'Cay from Georgia" in our office two years ago, boasting of his "niggers" and trying to convert friend (his old teacher) Mr. Aiken! *Three* "M'Cay's from Georgia" upon devoted Lewisburg is a liberal bestowment, but wont pay transportation.

LIGHTNING.—James G. son of Allison White, Esq., of Lock Haven, while sitting under a tree during a storm last week, was killed by lightning. He was about 10 years of age.——On the 30th ult, the house of Mr. Shaw, of Muncy, was struck, but no person seriously injured.

It is stated that the Sunbury and Erie Railroad will be extended to Lock Haven by the 1st of July next. Also that a portion of the Road will forthwith be built from Erie eastward. Hope so.

☞ Mr. Samuel Slear, of White Deer Tp, has presented us with specimens well preserved of the "Grindstone" apple kept over from last year, and of this Summer's ripened apples, at the same time. That is comfortable—apples the whole year!

☞ A letter to the *Chronicle* from Tioga Co. Pa., states that the political contest in that county is very warm, but that Freedom and Fremont are carrying almost everything before them. Some of the Buchanan men concede Fremont 2000 majority, in that county, while some Fremont men claim as high as 3000.

☞ Proposals will be received by the Chairman of the University Building Committee for erecting and finishing the remainder of the College edifice. See advertisement.

The Blair County Whig, and old silver grey whig paper, the Beaver Argus and Crawford Journal, both heretofore of the democracy, all in Pennsylvania, have hoisted the flag of FREMONT and DAYTON.

For the Lewisburg Chronicle.

IOWA.

Younger Sister, clothed in beauty,
Freedom's halo round thy head,
March we in the path of duty,
By thy bright example led.

Tripping o'er thy flower-decked prairies—
Free by law, and free by choice—
Freedom's mighty hosts awak'ning,
Lo! we hear thy trumpet voice:

"Pennsylvania, elder Sister,
Pennsylvania, bold and free,
Gird thee with thine ancient armor,
Pennsylvania, stand by me!"

"Stronger is thine arm, my Sister,
Mightier far thy hosts of men;
When November's fight is on us,
Wilt thou strike for Freedom then?"

Aye, I hear thee, bright young Sister,
And thy voice with pride I greet;
For that noble heart within thee
With my own best blood doth beat!

When the awful battle rages,
Then my arm with thine shall bear
Freedom's great victorious standard,
Flashing through the dusky air!

A Common Sentiment.

The *Reading Journal* we regard as the ablest and most influential supporter of Fillmore in this State. In speaking of the projected union of the Anti Buchanan forces in this State, it forcibly says:

AMERICAN STATE CONVENTION.—It will be noticed as a significant feature of the proceedings, that a resolution, offered by a delegate from Philadelphia, to the effect that no committee shall have power to change, alter, or amend the Electoral ticket, except to supply vacancies, was *laid on the table*, from which it would appear that the project of a Union Electoral ticket, was favorably regarded by a majority of the delegates. Let this be done at the proper time, and in a proper manner—fair and honorable to both divisions—and the result can scarcely fail to ensure a glorious triumph of the Opposition forces in the Keystone State.

The mode of Union now most commonly urged, is, a common ticket of 21 men, and a 27th representing Fremont and Fillmore. The vote given for these 27th men to be divided into 26 parts, and the same (if elected) to be given for President, in exact proportion. If the Fillmore man gets 20 of the 26ths, give him 20 of the Votes, and Fremont 6 of the Votes, and so in exact proportion. By this way, there would be no sacrifice of principle, for the Fillmore men would get their exact proportion of strength, and the Fremont men would get theirs, whatever it might be. Each section would exert itself to the utmost, to get the greatest Electoral Vote, without having it cast against them at all. Unless such a union take place, Buchanan will probably carry the 27 votes, which might elect him, and fasten upon us a Catholic Irish and Pro-Slavery power for another four years.

☞ When the Brooks outrage was perpetrated, some of the Buchanan papers declared that they disapproved it, and that the South would not sustain it. Politely kicked out of Congress for his murderous assault, however, Brooks is endorsed, approved, and sent back by a unanimous vote, and his accomplice, Keitt, likewise. Both these Buchanan men are unanimously sustained by a constituency in which Buchanan has no opposition! Who, then, can believe that the Buchanan party is not responsible, after the fact, for that most infamous of all assaults? The Buchananites voted not to expel Brooks for his ruffianly act, and when kicked out they unite as one man to return him as their proper and legal Representative. After this, the Buchanan men must bear the burden of Brooks as well as of Kansas.

☞ The result of the Southern elections must satisfy every man that Fillmore stands no chance at the South, which will support Buchanan—not as the most reliable, but as the most *available* man. The South, also, have a habit of *using* Northern men, and dropping them when used. They used Van Buren, and dropped him; they used Fillmore, and dropped him; they used Pierce, and dropped him. When they have got out of a man all they can for Slavery, they let him go. They like the treason but don't trust the traitor.

CINCINNATI, O., Aug. 4.—The feeling for Fremont in Ohio is very strong, and in Kentucky just as strong for Fillmore. Fillmore is considered much the *safest* man by slaveholders with whom I have conversed. S. S.

☞ Somebody writes to the Philad. *News*, from Selinsgrove, 23d ult., that "WE formed a Fillmore and Donelson Club here last night. WE had a very large and spirited meeting. Fremont can't shine here. In Union County, a tremendous effort has been made to induce the people to believe that Fillmore is a Pro-Slavery man. *WE will have the deception exposed and the people disabused.*" Who is king WE?"

☞ The attempts of the Buchaniers to convert the hard-working, honest freemen of old Union, by lectures from a puffing negro-owner clear from Georgia, we do not think will be repeated. It "don't pay." The people of Union county don't like the candidates or his agents.

☞ THE FIRST FREE STATE which has elected this year, has we believe inaugurated a series of *Republican triumphs!* We had less hopes of Iowa than of any other Western States but she comes in gloriously right, with a *gain of one Member of Congress.*

☞ M. H. TAGGART, of Union county was nominated for Assembly on Monday last, by the American Union Convention of Snyder county. For Congress John C. Kunkle; Commissioner, Capt. Geo. Swartz, of Beaver; David Swenk, of Middleburg, for Auditor.

LATEST ELECTION NEWS.

ARKANSAS—the Democrats have been successful, electing by a large majority, Yell, their candidate for Governor.

ALABAMA.—The Democrats in this State have achieved a triumph, although the Americans were very confident of success.

MISSOURI—has gone generally Democratic. For GOVERNOR Benton is defeated, and Polk, regular Democrat, is elected. Francis P. Blair is certainly elected to Congress from the St. Louis district.

KENTUCKY—the Americans, in some instances have been successful, but the returns show large Democratic gains in almost every part of the State.

NORTH CAROLINA—Bragg, Democrat, is elected Governor, and the Democrats gain 20 members of the Legislature.

IOWA—the Republicans have carried everything before them. The Democrats claimed the election of HALL to Congress, but later advices make it certain that he has been defeated by Curtis, Republican.

FROM KANSAS.

CHICAGO, Aug. 11—Advices from Leavenworth to Wednesday last have been received. The Overland Emigrant Company entered Topeka safely.

A company of Missourians who had enlisted as Kansas militia, marched to intercept them, but returned without doing any damage.

It was stated that a company of dragoons, headed by Judge Lecompte, had entered Nebraska with the intention of arresting General Lane, but had returned without effecting their object.

A report prevailed in Nebraska City on the 30th that a large force of Missourians and South Carolinians had invaded the territory and blockaded the public roads, and that 150 men had volunteered to drive them out.

The Montgomery, (Ga.) *Mail* thus records the passage of the Internal Improvement bills, by the Democracy, over the vetoes of the President:

"TERRIBLE OCCURRENCE!—A MAN KICKED OVER TWO RIVERS INTO THE GULF OF MEXICO.—A few days ago, Senators Douglass and Cass, assisted by a good many other Northern and Southern Democratic Senators, kicked Franklin Pierce, (late a leader of the bogus Democratic party,) and his vetoes, across the St. Clair and St. Mary's Rivers, by way of the mouths of the Mississipi, into the Gulf of Mexico. Being a "small potato," he didn't make much of a splash, when he fell. A few Southern Senators, (of the dry nurse species,) were hanging the little fellow out to dry, at last accounts."

☞ The first Congressman of whose election we have heard this year, is FRANCIS P. BLAIR, Jr., of St. Louis, who was throughout the canvass denounced as a Free Soiler, and a Fremont man at heart. Such a man—and from a Slave State—is a bright omen for the contest.

Medical Impossibilities.

For a long time a certain class of diseases has baffled the skill and practice of the most eminent members of the regular medical faculty. Foremost among these we might instance epilepsy or falling fits. Happily now by the skill and inventive genius of an eminent chemist of Baltimore, Md., this disease has been brought within the means of a cure. We allude to the preparation called the VEGETABLE EXTRACT EPILEPTIC PILLS, invented and prepared by Dr. SETH S. HANCE, of 108 Baltimore street, Baltimore, Md. Since their discovery many persons who had given up all hope of ever being cured, have been restored to the full enjoyment of health. Prominent among these we might enumerate Mr. Harrison Lightfoot, of Huntsville, Alabama. Mr. L. has suffered as much from Epilepsy, as any other person in the world; never knowing what it was to pass a week without having an attack, and often falling in the streets of Huntsville. He is now fully restored and has not had an attack for more than a year. Dr. Hance's Pills have been the sure cause of this cure. These pills also cure all modifications of Fits Spasms, Cramps &c. and are very serviceable for persons of weak nerves. Dr. Hance sends them to any part of the country on the receipt of a remittance. Price, one box, $3; two, $5; twelve, $24. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md.

WHISKERS, BEARD & MUSTACHOIS Forced to grow in six weeks by DR. LAFONT'S CAPILLARY COMPOUND, warranted not to stain or injure the skin. Price $1,00 per Package, or 3 for $2.50.

Sent to any part of the country, by mail, on receipt of a remittance. Address SWEETZER & CO., Box 739 Post Office, Baltimore, Maryland.

DENTAL CARD.

THE new method of inserting artificial Teeth, Gum, &c., known as

Allen's Continuous Gum Work,

is, without exception, the best improvement ever made in the art of Dentistry. This work, when properly constructed, is the most beautiful, the cleanest, combines the greatest strength with durability, and adds more to a clear and distinct articulation, than any other kind of work ever brought before the public. And can only this. By a beautiful discovery in combination with this style of work, we can give the face its natural expression, without, in the least, interfering with the usefulness of the teeth in mastication.

I would take this method of informing those interested that I have purchased the Patent Right for this valuable improvement, of the inventor, John Allen, (now of New York,) for this and several adjoining counties, and that I am now manufacturing a quantity of both, and would be willing to supply anything in that line that has ever been made in this country. I have also purchased and supplied that tooth (if they have changed them of late) to suit, and examine for all members.
