against no man was this battle fought harder than against Francis P. Blair, Jr. He was known and recognized as the advo- Post. cate of the working men of St. Louis; he was ridiculed as the man who defended the rights of white labor in preference to that of slave labor ; he was abused as the man who desired to devote the new territories of the United States to the tillage and agriculture of white freemen instead of slaves, and yet as such he has been elected. All honor to the noble vindicator of free white labor, and may this be an example to the nullifiers, that their the following counties: Union. Sayder, Nor-dark and iniquitous designs meet with no thumberland. Montour, Columbia, Luzerne, favor in this great commercial and industrial centre of the Mississippi Valley."

A NOVEL USE OF CHLOROFORM .- The tnost indulgent mother I have heard of lately, lives some two and a half hours' drive from San Antonio, on the left. It was a long time before she would admit her eldest and best beloved boy-a refractory and turbulent little fellow-richly merited a flagellation, and when she finally gave in that he was entitled to a "course of sprouts" she contended that he should Le put under the influence of chloroform before the saplings were applied. Solomon, with all his wisdom, was behind the present fast age in administering punishment to juvenile delinquents.

DIVIDING THE ELECTORAL VOTE .- In 1820, John Quincy Adams received one electoral vote in New Hampshire, while the balance were cast for Mouroe, and in 1828, F. O. J. Smith east one vote from Massachusetts for Gen. Jackson, while the balance were cast for Adams. Also in 1824, the electoral vote of New York was RUSSEL WRIGHT, Williamsport; or to 'AMES PATTON, divided among four candidates, that of Maryland among three, and of Delaware, Louisiana, and Illinois between two candidates.

does not quit tickling himself between the ribs in that style.
