

Lewisburg Chronicle

By J. N. WARDEN & J. R. CORRIE

SEPTEMBER 5, 1856. The Democratic Conference met at Selingsgrove on Wednesday, and after ten or twelve ballots selected Daniel Long, of Union county, as candidate for Representative in this District.

JAMES W. SANDS.—A report has been put in circulation, that the Union candidate for Prothonotary of this county is not able to speak or write in German. This is a mistake.

On Saturday last, all the Buchanan men in the lower House of Congress except DAVID BARCLAY, of Pa., and all the Fillmore men except GEORGE G. DENN of Ind., voted to recede from the amendment to the Army Bill prohibiting the use of the U. S. Army to enforce the usurped Laws of the Border Ruffian Legislature, and the Bill passed—101 to 98—allowing the President to execute these confessedly illegal, unjust and bloody laws at the point of the bayonet and cannon's mouth!

LEWISBURG, CENTER & SERVICE CREEK RAILROAD.—A large assembly convened at Center Hall in Center Co. on Tuesday of this week, to organize the Company.

About 3000 votes were polled, of which there was a unanimous preference for Col. ELM SLIFER for President. A number of gentlemen were proposed for Directors, of whom the following were elected:

Joseph Paxton, Cattawissa; George F. Miller, John Walls, James Young, Mark Halfpenny, Union county; Dr. S. Strohecker, Wm. Burdfield, Wm. C. Danean, Peter Wilson, John Hoffer, Center county; Geo. W. Johnson and M. Williams of Huntington county.

The Directors met at Hartleton, Friday 12th inst., to further organize the Company.

"The fact is incontrovertibly established that John C. Fremont is indebted to the United States Eight Hundred Thousand Dollars." So says the Argus. Now, both houses of Congress and the President, with all the accounting officers, did officially declare, on their oaths, that HE OWES NOTHING. If he owes on accounts years old, why was it not published until three months before the election? And if he owes, why don't Uncle Sam collect it off his Thirty Million Dollar Mariposa tract your party talk so much about?

WHAT WEBSTER, CALHOUN, &c., THOUGHT OF FREMONT.—Read the following testimony of some of our great statesmen: "I have acquaintance with the Colonel, and I am so favorably impressed as to him, that I would as readily trust him as any other individual."

Grand Rally. On Saturday last the Workmen raised a Fremont pole at the Rough and Ready Works, amid the cheers of a large and enthusiastic assembly of freemen, who had gathered around it.

On Saturday last the Workmen raised a Fremont pole at the Rough and Ready Works, amid the cheers of a large and enthusiastic assembly of freemen, who had gathered around it.

Burlingame at Williamsport. Wednesday of this week, was a gala day at Williamsport. Flags were flying in the streets, most of them bearing the name of Fremont and Dayton, and every railway train brought in hundreds of visitors from the North and East, who, with hundreds more from the town and country—numbering thousands in all—had been attracted thither to hear the distinguished Congressman from Massachusetts, who Bully Brooks did not fight—ANSON BURLINGAME. He is a plain, intellectual, solid-looking man of medium height, with nothing assuming or remarkable in his appearance—a genuine type of the learned, fearless, honest, practical Yankee.

Bradford county sent down a couple of hundred men to represent her 3000 majority. Montour had a beautiful banner, and her Band of Music, with a large delegation; Northumberland had scores of Fremonters and Fillmoreans who will vote so as to kill Buchanan; Union was well represented; and nearly every township in Lyeouming had specimens of members of the large and growing party for the times.

A UPDEGRAFF was chosen President of the vast assembly, (which convened in the rear of the Court House), assisted by a large number of Vice Presidents from that and other counties, and J. M. M'NIX, Secretary. The Williamsport and Danville Bands, with the Committee, then escorted Mr. Burlingame to the stand, and he was heartily welcomed. Although weary and hoarse, Mr. B. proceeded, in a clear, effective, and eloquent style, to discuss the great issue of the contest, and after speaking over two hours, had not concluded when we were forced to leave. Cheers and laughter from the gentlemen—bouquets of flowers from the ladies—and deep and earnest attention of all the intelligent audience—showed how his words and thine were sinking into their hearts.

The meeting adjourned with 3 most hearty cheers for Burlingame and 3 for Fremont.

In the evening, the Court House was crowded to overflowing by eager listeners to a rich, rare, but thought-breeding and instructive speech from Mr. BLOSS, of Monroe county, New York.

From every quarter we received words of encouragement, and are satisfied that only effort is required to carry our State for Fremont. Documents and Meetings should be had in every neighborhood; and the earlier, the better.

KANSAS AFFAIRS. The Kansas Committee, INTERVIEW WITH THE PRESIDENT. WASHINGTON, Aug. 31.—Messrs. Hyatt, Army and Daniels, the Sub-National Kansas Committee, had a conference with the President, yesterday. They report that the President justifies his general policy with regard to Kansas, expressing his belief that if the inhabitants of the territory had been more anxious for peace and less about their institutions, there would have been no trouble.

On the 22d the Quaker Mission, on the road from Westport to Lawrence, was attacked by an armed band of Georgians, who plundered the place, taking all the horses they could find, and committing all manner of wanton outrages upon persons and property. The peaceful inhabitants were shamefully insulted, and their lives put in jeopardy; and threats of an unparalleled grossness were made to seize the helpless Quaker women and carry them off to the Ruffin camp with an object too shocking to contemplate. The inoffensive people were compelled to flee for their lives, their property all stolen or destroyed.—Cor. Tribune.

We have Kansas advices by way of St. Louis to the 27th ult. Gov. Shannon had on the 25th proclaimed the territory in a state of insurrection, but the precise bearing of this movement is not yet certain. It seems to be aimed at the Free-State men, but it may be intended to get rid of the armed Missourians who have rushed into the Territory in such force. The fact that no further collision has occurred down to the 27th leads us to hope that a general conflict may yet be averted, or at least stayed off. The Free-State men must gain strength by delay, and a month in camp, even without fighting, will be sure to thin out the ranks of the Border Ruffians. Every day, therefore, that passes without a collision is a day of gain to the Free-State cause. Two months more brings us to the election, which we trust will terminate the reign of Ruffians over Kansas.

We invite our readers to the perusal of Dr. AYER'S advertisements which appear in the columns of our paper. They deserve attention as treating of what interests us all, and from a source which all have long respected. The Doctor is well known as one of the leading Chemists of this country, who devotes his great acquirements to the discovery and manufacture of remedies for popular use. The unparalleled success which has followed his labors is so well known to this community that we need not mention his name.—Washington Chronicle.

"STRAWS." The American State Convention, we regret to see, have out in nomination a full Fillmore ticket. It can amount to nothing except to give the State to Buchanan, and can not therefore receive the support of the great body of the American party. The struggle is between Fremont and freedom on one side, and Buchanan and slavery on the other; and when the time for action shall arrive, but very few will be found willing to throw away their votes upon a third candidate. This paper can not be made a vehicle for creating dissensions among the opponents of Buchanan.—Mauch Chunk Gazette, (formerly for Fillmore).

SCHUYLKILL COUNTY.—Fremont clubs have been formed in Pottsville, Minersville, Ashland, St. Clair, Tremont, Colambo, and Pinegrove, under most flattering circumstances. The Protestant adopted citizens are joining the American form in a common effort against Slavery. A union county ticket has been formed by a full Convention, which re-nominated Hon. Jas. H. Campbell for Congress, and Charles Frailly and Jacob Hammer for Assembly.

The Richmond Whig, Aug. 25th, proposes that the Virginia Whigs and the Democrats unite, form a union ticket of "eight Democratic and seven Whigs and Americans, to be supported by all parties in Virginia, with the distinct understanding and agreement that the fifteen electoral votes of Virginia shall be cast for Mr. Buchanan if he gets more Northern electoral votes than Mr. Fillmore; or for Mr. Fillmore, if he gets more than Mr. Buchanan.

It is stated that the Republicans in Maryland have determined to run an independent electoral ticket, and that Francis P. Blair is to be one of the electors at large. In three southern States at least, Maryland, Kentucky and Missouri, and probably in Texas, tickets of this party will be formed; and also in Delaware and Virginia.

The Fillmoreites boasted what great things they were going to do in Iowa, but we have seen returns, and find nothing of the party in that State since the Election. The Republicans have swept the State by 5,000 to 6,000 and promise to double the dose and cure the State of its Black Democracy and Black Americanism in November.

We are credibly informed that Connant township, Crawford county, has only three Buchanan men in a list of about four hundred voters. All the rest go for Fremont and Dayton. Connant will be the "Banner township" of Pennsylvania. The three Buchanan men talk of staying at home on election day so as to make the vote unanimous.—Live Constitution.

We find in the Cleveland Herald a call for a meeting to form a Democratic Fremont Club in that city, the members to be entirely of those who have always heretofore voted the Democratic ticket. To the call SIXTY-SIX names are appended, and it is vouched for, that every man of them voted for Menard, the Democratic candidate for Governor, last fall.

The largest meeting in Middletown, Pa. for many years, was presided over by Hon. Benj. Jordan. John S. Bowen Esq. spoke two hours, and the meeting adjourned with three cheers for Fremont and three for Bowen. Hon. James Clark presided at a similar meeting in Derry. Dauphin county is coming up strong.

Montour county is getting wide awake for Liberty. A large Fremont Club was formed in Valley Twp. last week, after an address from Geo. A. Erick (the elder) and Dr. Brower. Among the officers are Messrs. Mans, Bright, Feustermacher, Blue, Pursel, Caldwell, Roberts, Hock, Burr, Bush, Row, Wilson, &c.

The Republicans of Sanilac county, Michigan, have found a notable mode of saving trouble. They have adopted the entire Democratic organization of the county. Every man on the county committee and on the township committees of the old Democratic organization, is now a thorough Fremont man; so they just "luff 'em up."—Detroit Advertiser.

The Welch, English and Scotch miners, and a large proportion of the Irish and German Protestants and free-thinkers, are leaving the Democratic for the Republican platform. The Catholics remain faithful. Catholicism and Slavery are the only pillars left modern Democracy. It is a little singular, in the present shape of politics, that the south west county of Iowa—the one nearest Kansas—should be named Fremont, and the town where the Kansas route crosses into Nebraska, Dayton. So the way to Kansas, literally, is through Fremont and Dayton.

Whig, Union and Republican UNION TICKETS. "Liberty and Union, now and for ever, one and inseparable." The Constitution of the United States is an instrument not of immediate but of universal Freedom. It is the basis of all our rights, and the World has no other. The National Flag, that is emblem of Liberty, is the emblem of the Union. The Union is the basis of all our rights, and the World has no other. The National Flag, that is emblem of Liberty, is the emblem of the Union. The Union is the basis of all our rights, and the World has no other.
