**Hickok's Patent Portable KEYSTONE CIDER & WINE MILL**,

patented Nov. 20, 1855. in the market in the case and speed with which it grinds, and in the great power of the press. Manufactured at the Eagle Works, Harrisburg.

PLEASE TAKE PARTICULAR NOTICE ! THAT this is entirely new mill-no er-pense has been spared in its manufacture -all the materials are the very best, and are used unsparingly. The Cylinders are almost twice the length of the former ones, and ali, intwice the length of the former ones, and all, in-eluding the top Cylinder, made of Iron. The screw is two incluss in damaters, with a heavy 55 V thread cut on it. The beam of the Press is cars nots instand of wood-is made one may and the thread of the nut cut for room incluss through it. The power of the Press is very much increased and cannot be brooks in by any fair means. The arrangement of the Tub, and other parts of the Press, is very perfect. The boxes and Hopper are all several is together; the Journals run in longbarrings; and last 13 the wordmanship shall not be accessed by any machine of the kind whatever. Perfection being the sum both in the strangement and the mechanical department. All performs who have been utilized to use the old fash-ioned nut Mill, are awave how incouverleast 11 is, and openhip these who have not importantion of farm, you can at any time, in a few muute-make a few gallous of sapels. a fine assortment of
