WHAT A CHANGE !- When the present President, Pierce, entered his office, there were but two or three Governors of States opposed to him in politics. Now, however, on going out, there will be but one Free State which has a "Democratic" Governor. That is in Indiana, and he (Willard) acknowledges he was elected by the "dark lantern" Know Nothings !

Fremont is the "conservative," while the "extremes" defeated him, and Mr. Buchanan is elected by the almost unbroken vote of the Slave "section." What will become of "the Union ?" Didn't Buchanan and Fillmore both prophecy a Dissolution if either of the "sections" prevailed ?

While the Opposition failed to unite on President, in New Jerseyand thus Buchanan carried it-they united on Dr. WM. A. NEWELL, for Governor, and have elected him.

BGrOld Massachusetts-as true to Liberty in '56 as she was in '76-has chosen a unanimous Republican delegation to Congress. Among them is ELI THAYER, President of the Emigrant Aid Society, which will hereafter have a proper defender. The Senate is unanimously Republican, while the House has but here and there a 'seattering' 'Nationalist' left for curiosity!

Illinois was at first reported for Fremont, the North part going largely for him, but when the lower, darkened portion, called "Egypt," came in, the scale was turned. The Republican State Ticket is, however, all elected, the Fillmore trick not being able to destroy it, and Miller for State Treasurer, who was on both the Opposition tickets, has 21,383 maj.
