The MAGNETIC TELEGRAPH is located in the Office advance of the Phin. in preparation. Irritating suptime remains everying wounds, murns, scales, the bites of vencious inserts or reptiles and, in short, all the varieties of superficial information, soon loss their angry and painful character short control with Hollmany's Outment. The Philabaro nero yet been administered in despense, lier complaint or disorders of the howels, without producing the desired sentis.

Wonderful, but True.

The second state of 10B PRINTING. When second states to be paid for when handed in, and Job Work when delivered.

A few days since, Mr Jas. H. Beadle, of Huntsville, Alabama, called on us and gave in a new and improved plan, far surpassing the Daugetreetype. They are not us permission to publish for the benefit of suffering humanity, the astonishing cure which had been effected in the case of his wife by wife commenced using the medicine, her system was so entirely prestrated, by the number of spaces she had undergone, as to reduce her weight to 100 lbs. Since she had undergone, as to reduce her weight to 100 lbs. Since she had been taking the pills, she has on trively get user the sources and to said in weight and beddy health. She now weight at least 200 lbs, and declares she is in better enjournment of health than ever before in her life. Mr. Realte also related the raw of Mr. Nartison likelifed of the same from, who has been entirely cared of the worst form of Epileray by those same wills. Mr. Light foot's case was a bad that he never passed a week without having an attack, often falling down. Hartison Lightfoot of the same fown, who has been entirely curved of the winet form of Epilears by these name nills. Mr. Lightfoot's case was as had that he never passed a week without having an attack, often falling down in the street. He has not had an attack for more than a year. Mr. Beadle thinks that if the priser of Li in carrier a case, it is for the want of a proper possessemes on the ract of the person in taking them, as he folias control to the instruction of the raction in the sease of his wife, that if they are taken for a sufficient length of time, they will curve my case.
