They are redeemable, and will be paid, in May '61. The Interest Coupons will be paid in May and Nov. of each year, at our office. The road is 136 miles long, and 86 miles are

now finished and in operation. The remaining 50 miles are progressing rapidly to completion and it is confidently expected that the whole of the road will be opened in the whole of the road will be opened in the course of the present year. The business on that part which is now completed has proved much greater than was anticipated, and there can he no doubt the whole road when open will be a handsomely remunerative enterprise. The road is advantageously situated as will

seen by the Map, and its connections are such as to insure it an immense amount both freight and passenger business. The fin-ancial condition of the road is as follows :
