A LEWISBURG RELIC. - Our Burgess recently received the following letter from Meadville, Crawford Co., Pa., dated APRIL 16, 1857.

Burgess and Town Council of Lewisburg : GENTS-In making some heavy exchanges, I lately came in possession of the note against your borough, which I send you for prompt payment. You will please return me in stamps by next mail the principal which is 25 cts, and the interest for twenty years at 1 pr ct, which would be 5 cts—being 30 cts in all. You are aware, gentlemen, that we have fallen on sad times—"the unterrified" having the rule and the Kansas treasury low. You will certainly in view of these facts honor your ancient paper with immediate notice, and not take advantage of departed years by a dis-graceful repudiation. For the honor of your good Republican city, you are entreated to maintain the credit of your Democratic fathers by sending the amt at once. We promise on the honor of a simon pure Woolyhead to use the entire sum (less expenses) in assisting to make Judge Wilson, Governor, which the people up here say must and shall be done. Direct to
